From Religious Studies Instructor to CB Administrator

This year we've seen a lot of changes and new additions to the CB administration. One of the most notable shakeups has been Mr. Elorduy's promotion to Assistant Principal. In this new role, Mr. Elorduy has placed listening to the concerns of students, parents, and teachers at the top of his priorities in order to construct an inclusive school community. You'll frequently see him walking around at lunch to engage with students, chat with teachers, or check in with the Deans.

"I'm really hopeful that we can find ways to make students feel that they have a place here and that they belong, regardless of their identity— not just a seat at the table, but true belonging. I want to enable all members of the CB community to feel like they have an impact and are able to make the community more meaningful to them."

Off The Field

Ms. Barela

Ms. Barela joined our community in 2002 alongside her daughters as an Administrative Assistant for Admissions, and for the last 12 years she's become an essential member of our athletic department. She has tackled many commitments such as CB's Campus Ministry and the coordination of our Athletic Hall of Fame dinners. However, she is best known for being an assistant coach to our Cheer team and working at numerous football games. Student athletes and coaches will continue to remember Ms. Barela for her involvement and endless support throughout the years.

"I've worked beside some great Administrators, Faculty, Staff and Coaches who I will miss! On to my next chapter as a grammy!"

Au Revoir & auf Wiedersehen! Mme. Gallagher

Throughout her 26 years at CB, Madame Gallagher has welcomed many students to the French world. She had a contagious passion for French and immense care for her students that continues to warm the hearts of our community today. Beyond the classroom, she has also worked as a Kairos director and even as a leader in the construction of the STEM building, as well as numerous other roles at CB.

"French was always my first love and I'm still teaching (albeit my only granddaughter for now)" - Mme. Gallagher

"Her passion for teaching French always rubbed off on our department members and inspired everyone to be better at their teaching." - Mr. Capogreco '86

- Taught for 26 years
- Pioneered the International Student Program, SAGES, & ARC
- Campaigned for the STEM building (500s-600s)

Mr. Schumann

Throughout his 32 years at CB, Rolf Schumann has taught math and religion. He has also helped coach track, football, and softball eventually becoming head coach of the Freshman Football team. As he taught and coached over the years, he experienced almost every aspect of CB life which has given him many cherished memories. He openly considers CB a second home as many at CB openly consider him a solid educator and friend.

- Taught math for all 32 years
- Math Department Chair
- Lasallian Educator of the year (2002 - 03).
- Asst. Principal 11 years
- Enrolled 150 Loretto transfers in 40 days when their school closed

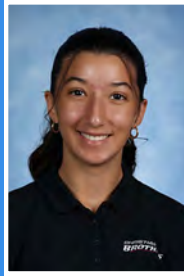

"Schumann has always been completely dedicated to CB and he is always here for the students and works tirelessly to make CB be the Best place to be." - Mr. Milton

" I am proud I had Rolf as a teacher his first year at CB and I get to be here for his last." -Mr. Desmond '94

"I skipped practice one day while Schumann was my JV football coach. Our punishment was he made us barrel roll from the gym to the wall by the JV baseball field and crab crawl back. I never missed practice after that and we were co-champs in the metro league that year." -Mr. Hogan '95

🎓 CB Scholars 🎓

The CB Scholar Program, comprised of some of CB's most academically ambitious students, pushes its members to reach new academic peaks. To be in the Scholar Program, students must earn a GPA of 3.85 or higher starting in Sophomore year and take a myriad of accelerated courses. As a reward, they get to go on trips to places like Monterey and Disneyland with their fellow Scholars.

C/o 2022 Scholars: Ismael Alvarez-Bermudez, Mariana Bahena, Brooke Brandenburger, Chad Breslin, Patrick Cahill, Yvette Castellanos, Samantha Catanyag, Nina Chenu, Hillary Chu, Miguel Cornejo, Carson Brown, Ryan Dong, Josh Elboom, Karina Elliot, Lauren Farris, Russell Foster, Heidi Grijnsztein, Nicholas Gustafson, Paige Harty, James Kubish, Kenna LaFitte, Kaitlyn Lai, Sophia Levasseur, Melody Lednicky Lehman, Emma Liu, Vincent McCloskey, Eliza Mikacich, Lena Mikacich, Brooke Patterson, Kayla Rabey, Anuha Reddy, Jacquelynne Sample, Jackson Schlink, Josh Schneider, Sydney Schumaker, Maya Sharma, Elizabeth Stevens, Isaac Stone, Kiana Sueyoshi, Andre Martin Tabunda, Margaret Wanket, Myles Warner, Julia White

“Even though COVID made us miss out on a lot of our trips, the Scholars program still let us connect as a community and strive for academic excellence.”

-Patrick Cahill '22

Academic Decathlon

From music and math to science and speaking, you can do it all on CB's Academic Decathlon team. The ten-event competition lets students display a breadth of knowledge on a wide variety of different topics ranging from water, this year's theme, to the Cold War.

“AcaDeca was very fun and I learned some very interesting things. It definitely improved my study habits, test taking abilities, and friendships with my fellow Decathletes. I would recommend it for anybody looking for an extracurricular activity to participate in.”
-Nick Gustafson '22

2022 AcaDeca Team: Nikos Burciaga, Ethan Fung, Isabella Gallegos, Nicholas Gustafson, Noah Kasin, Grace Knox, Vanessa Lee, Olivia Luong, Madison Martin, Vincent McCloskey, Melody Jolie Nguyen, Christopher Reali, McKensie Sanchez, Elijah Shabaaz, Brooke Steele, Isaac Stone, Kaylie VonSchoech

2022 Model UN Team: Alex Manuselis, Sophie Diaz, Josh Ryan, Caleb Symkowick-Rose, Iliana Demas, Ainsley Fong, AnnaMaria Thomas, Maddie McDougall, Ella Fodor, Olivia Kim, Jacob Inocencio, Dylan Soltani

Debate, drama, dialogue, and deliberations are in order with CB’s Model UN team— given just a short time to prepare, students are assigned to represent various countries in a simulation of real United Nations meetings. Tasked with discussing a wide array of topics ranging from disarmament to decolonization, delegates must use their country’s policies to work (and argue) with representatives of other nations to create mutually beneficial solutions to some of the world’s most pressing issues.

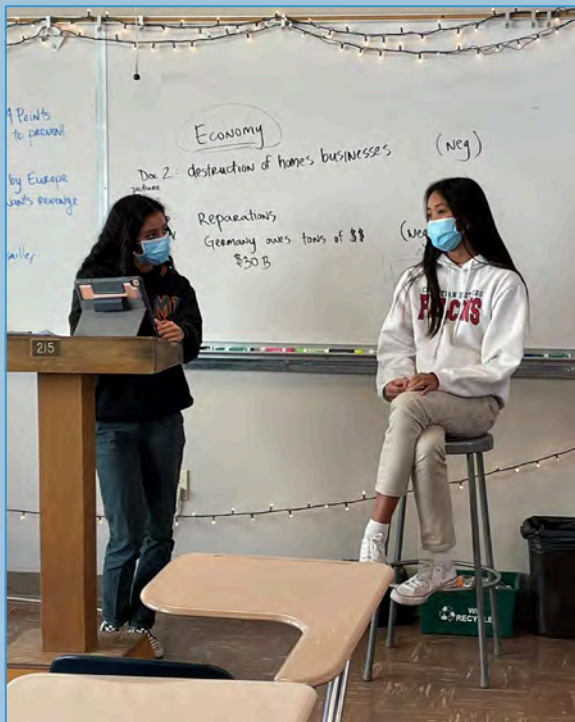

“Model UN is a club that involves a lot of consensus-building and real-world learning-- for students who want to understand what’s going on in the world and international relations, Model UN is a great activity.”
-Ms. Willow, Club Moderator

Mock Trial

Objection! On CB's Mock Trial team, students must study hypothetical criminal cases to prepare for a simulation of an actual court case. Competitors must learn the ins and outs of real-life legal proceedings to best represent or prosecute their fictional defendants.

2022 Mock Trial Team: Emily Bradley, Ashley Brandenburger, Nikos Burciaga, Claire Carollo, Kassidy Fabian, Tycho Fong, Abigail Gonong, Dana Greer, Jordan Hsu, Brooke Koenig, Vanessa Lee, Alex Liu, Austin Miller, Josh Muilenburg, Andrew Perrault, Isa Quintero, Kayla Rabey, Sam Strachan, AnnaMaria Thomas, Lucas Walter
Moderator: Ms. Hanshew

"Mock trial is a great experience, especially for anyone interested in pursuing law or humanities. It's been wonderful to see our team grow and learn in our competitions, and I'm really excited to see how we'll do next year."

-AnnaMaria Thomas '23

Moot Court

On CB's Moot Court team, students are given lengthy legal cases and tasked with creatively confronting Constitutional crises in a simulation of an appeals court hearing. Competitors must build their knowledge using the Constitution and past legal precedent to best prepare to defend their side on a complex case.

“Moot Court really got me into law and is one of the reasons I'm going to college on a pre-law track! In Moot Court, I gained extremely proficient debate skills and tactics, and I would recommend it to anyone who's interested in learning about challenging cases.”

-Taylor Paton '22

2022 Moot Court Team: Yvette Castellanos, Bridget Fitzpatrick, Kathleen Kuzmich, Ashley Rodriguez, Natalie Rominger, Alessandra Salvini, Pauline Storey, Logan Tiska
Moderators: Mr. Leporini & Mr. Hood

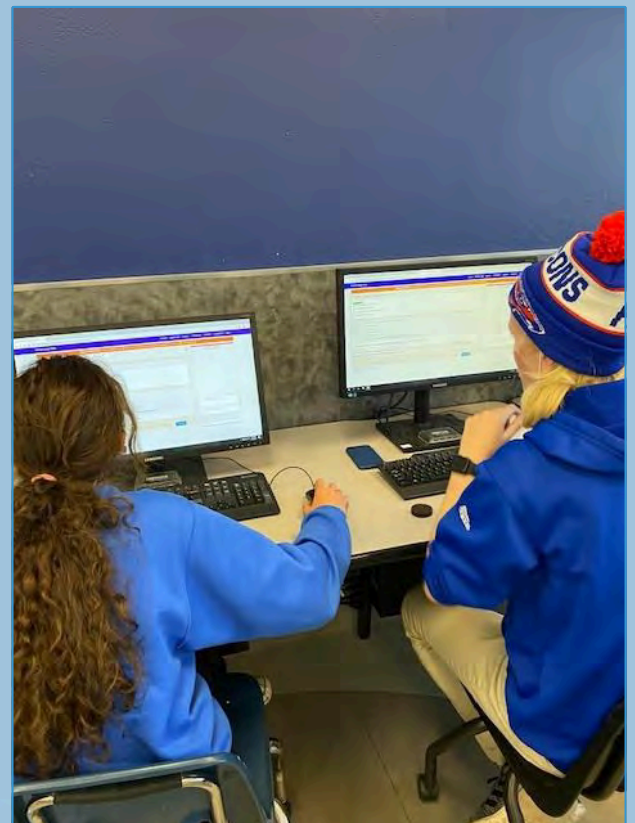

Science Olympiad

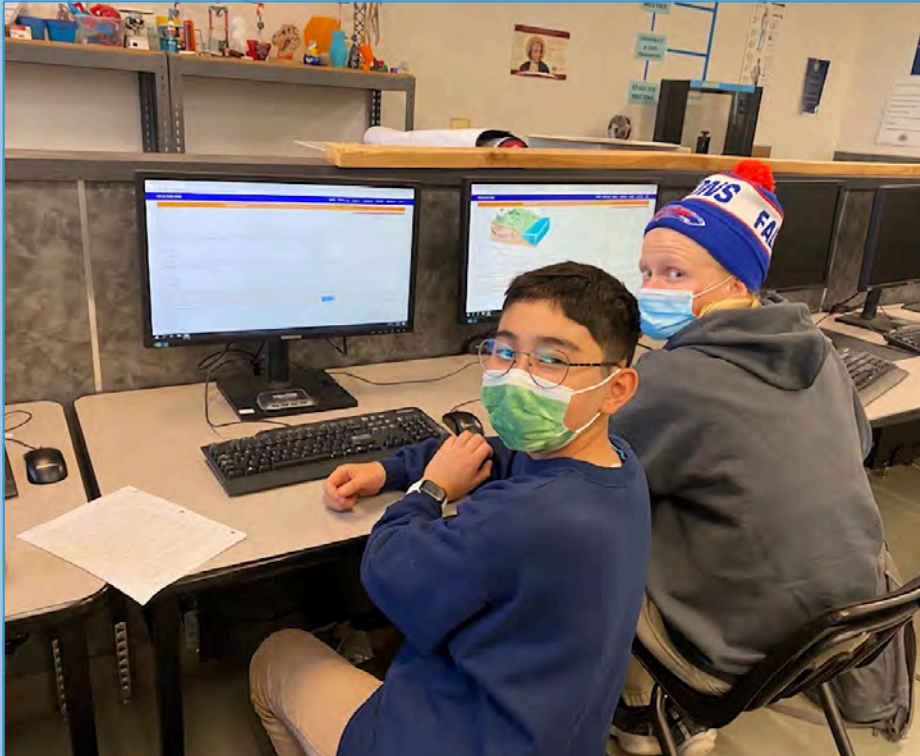

If you're into STEM, Science Olympiad might be right up your alley! Competing in various subjects from earth science to engineering, students put their vast scientific knowledge to the test against students from other schools, moving from the regional all the way to the national level.

“Science Olympiad is a great activity for anyone who enjoys collaborating with others to learn about scientific fields of study, and I definitely could not have accomplished as much without the help of my partners and their knowledge on the subjects. Hopefully next year we'll be able to have more hands-on experience!”
-Dylan Soltani '25

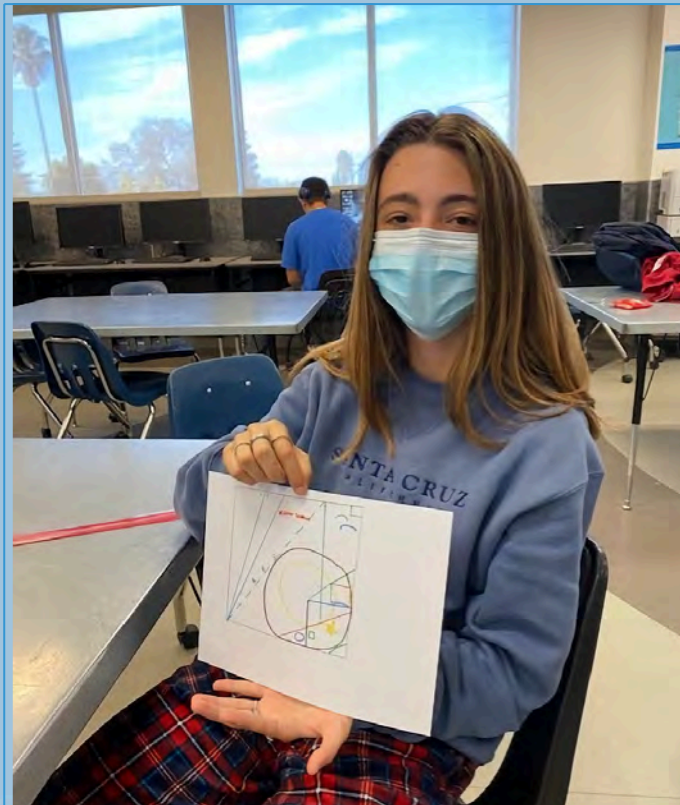

Science Olympiad

At this year's competition, CB placed 9th out of 30 teams (beating Jesuit & St. Francis), and students Grace Diaz and Ehlyssa Gonzales placed 3rd in Ornithology, the scientific study of birds.

2022 Science Olympiad Team: Grace Bettencourt, Claire Carollo, Irene Cretu, Grace Diaz, Kayla Gannon, Annalise Gay, Ehlyssa Gonzales, Ella Johl, Madelyn McFall, Joseph Ramirez, Chloe Schneider, John Siddens, Dylan Soltani

PERFORMING ARTS

A Day In the Life with Madelyn Whitnell

With Maddie being only a sophomore here at CB, she is already taking the stage by storm landing her first role as a lead in the fall musical, Call Me Madam! Her incredible voice and acting skills have made her a new asset to the performing arts team!

Outside of school, Maddie is a Co-Captain at Leonardo DeVinci School K-8th, where she assists in teaching kids choreography and songs for their productions!

A look behind the scenes of this years one act for Lenaea Competition Season! Maddie is here in the theatre almost every day of the school year with a few breaks in between shows!

In her free time, Maddie loves to read, be with friends, listen to music and play games! She will continue to major in theatre arts but has no set plans for career yet with the ideas of costume design, theatre, or singing. "Any job that is a little less stressful is good in my book!"

"I enjoy being in the dressing room, listening to music and getting ready for a show with my friends!"

KBFT

A Day In the Life with Heidi Grijnsztein

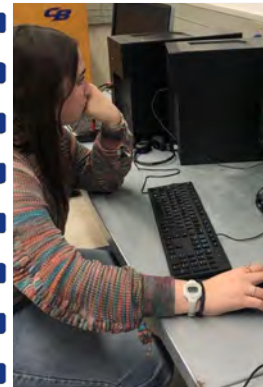

Heidi (right) at *Lock In 2021*, her absolute favorite event she's gotten to film. She specifically enjoyed the chaos and constant movement of filming and editing all in one night.

Heidi is proficient in all aspects of the video-making process—pre-production, filming, and editing. However, editing in post-production reigns as her favorite part of the process.

"If it wasn't for Mr. Hogan and KBFT, my video production skills would not be where they are right now. I have been able to grow so much creatively and let my passion of video come to life. "

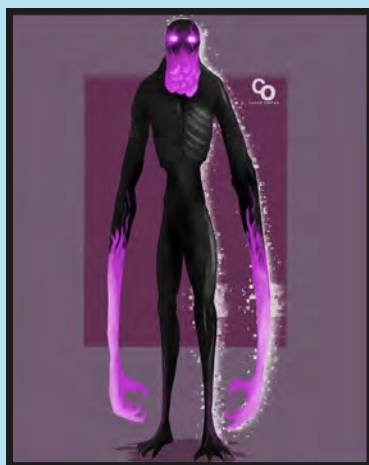

Chase Owens

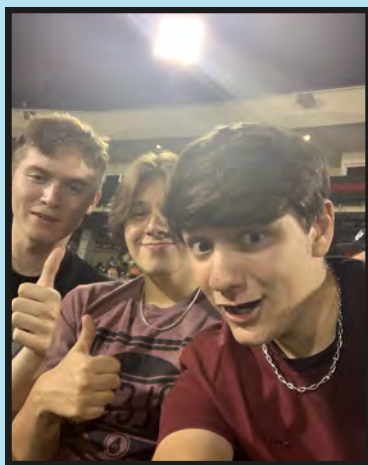

Day in the Life of a Artist

Even though he has only taken Digital Art at CB, Chase has practiced and improved his talent of art for almost 9 years.

"I made this drawing around the time I started seriously consider going to art college. I wanted to branch out into different areas of digital painting"

"Even though school and art are my priorities I still find time to spend with my friends on and off campus"

Through the weeks, Chase is consistently improving his art style by adding different techniques and increasing the detail and quality of each drawing.

Chase is constantly improving his skills and shows no sign of stopping, improving and maturing after every day and getting the results.

KAYLA RABEY

Day in the Life of a Scholar

Taking AP Chemistry, AP Literature, AP Physics, AP Government, and AP Computer Science all in the same year, Kayla has distinguished herself as one of CB's most academically ambitious students.

"One of my favorite classes last semester was Ceramics with Mr. Borskin. It gave me the opportunity for a lot of creative expression."

"Even though I'm busy with school work a lot of the time, I still try to find time to relax."

Throughout the week, Kayla goes to Mock Trial meetings, taekwondo practice, Mandarin lessons, community college classes, track meetings, Ski Team practice, and much more.

On top of all of this, Kayla makes beanies for cancer patients with the Crochet Club, plays piano with Lifting Spirits with Music, teaches English over Zoom, and does art and ceramics.

Nolan Fernandez

Student Activities

One of the many things Nolan does as a student council member is helping usher/work events such as our many school liturgies. Along with planning and promoting activities for our school...

Nolan spends a ton of time with his fellow student council team ensuring we have fun events and activities every week! "We have bonded into a great team!"

Not only does Nolan give back to his school and student body, but to his community. You can find him volunteering with his friends numerous times throughout the year!

"I was interested in seeing how everything ran, how we put it all together...it can be chaotic sometimes, but tons of fun and I'm getting to do it with my friends!"

"I plan on running again 100% , it was a great experience this year and hope to do it again! I will run for senior council probably next year because the class council has such a close bond with each other! It's a great community!"

LOGAN TISKA

Day in the Life of a Student Athlete

Logan is the goalie for the varsity women's water polo team at CB as well as on her American River Water Polo Club team and the Olympic Development Program National Championship team. As a dedicated swimmer and a captain for the CB swim team, she takes on the 100 Breaststroke, 200 Individual Medley, and 200 Freestyle events and leads the team to success. Logan is also an avid climber and weight trains often.

Outside of sports, Logan is a member of Honors Chorale and Honors Vocal Jazz.

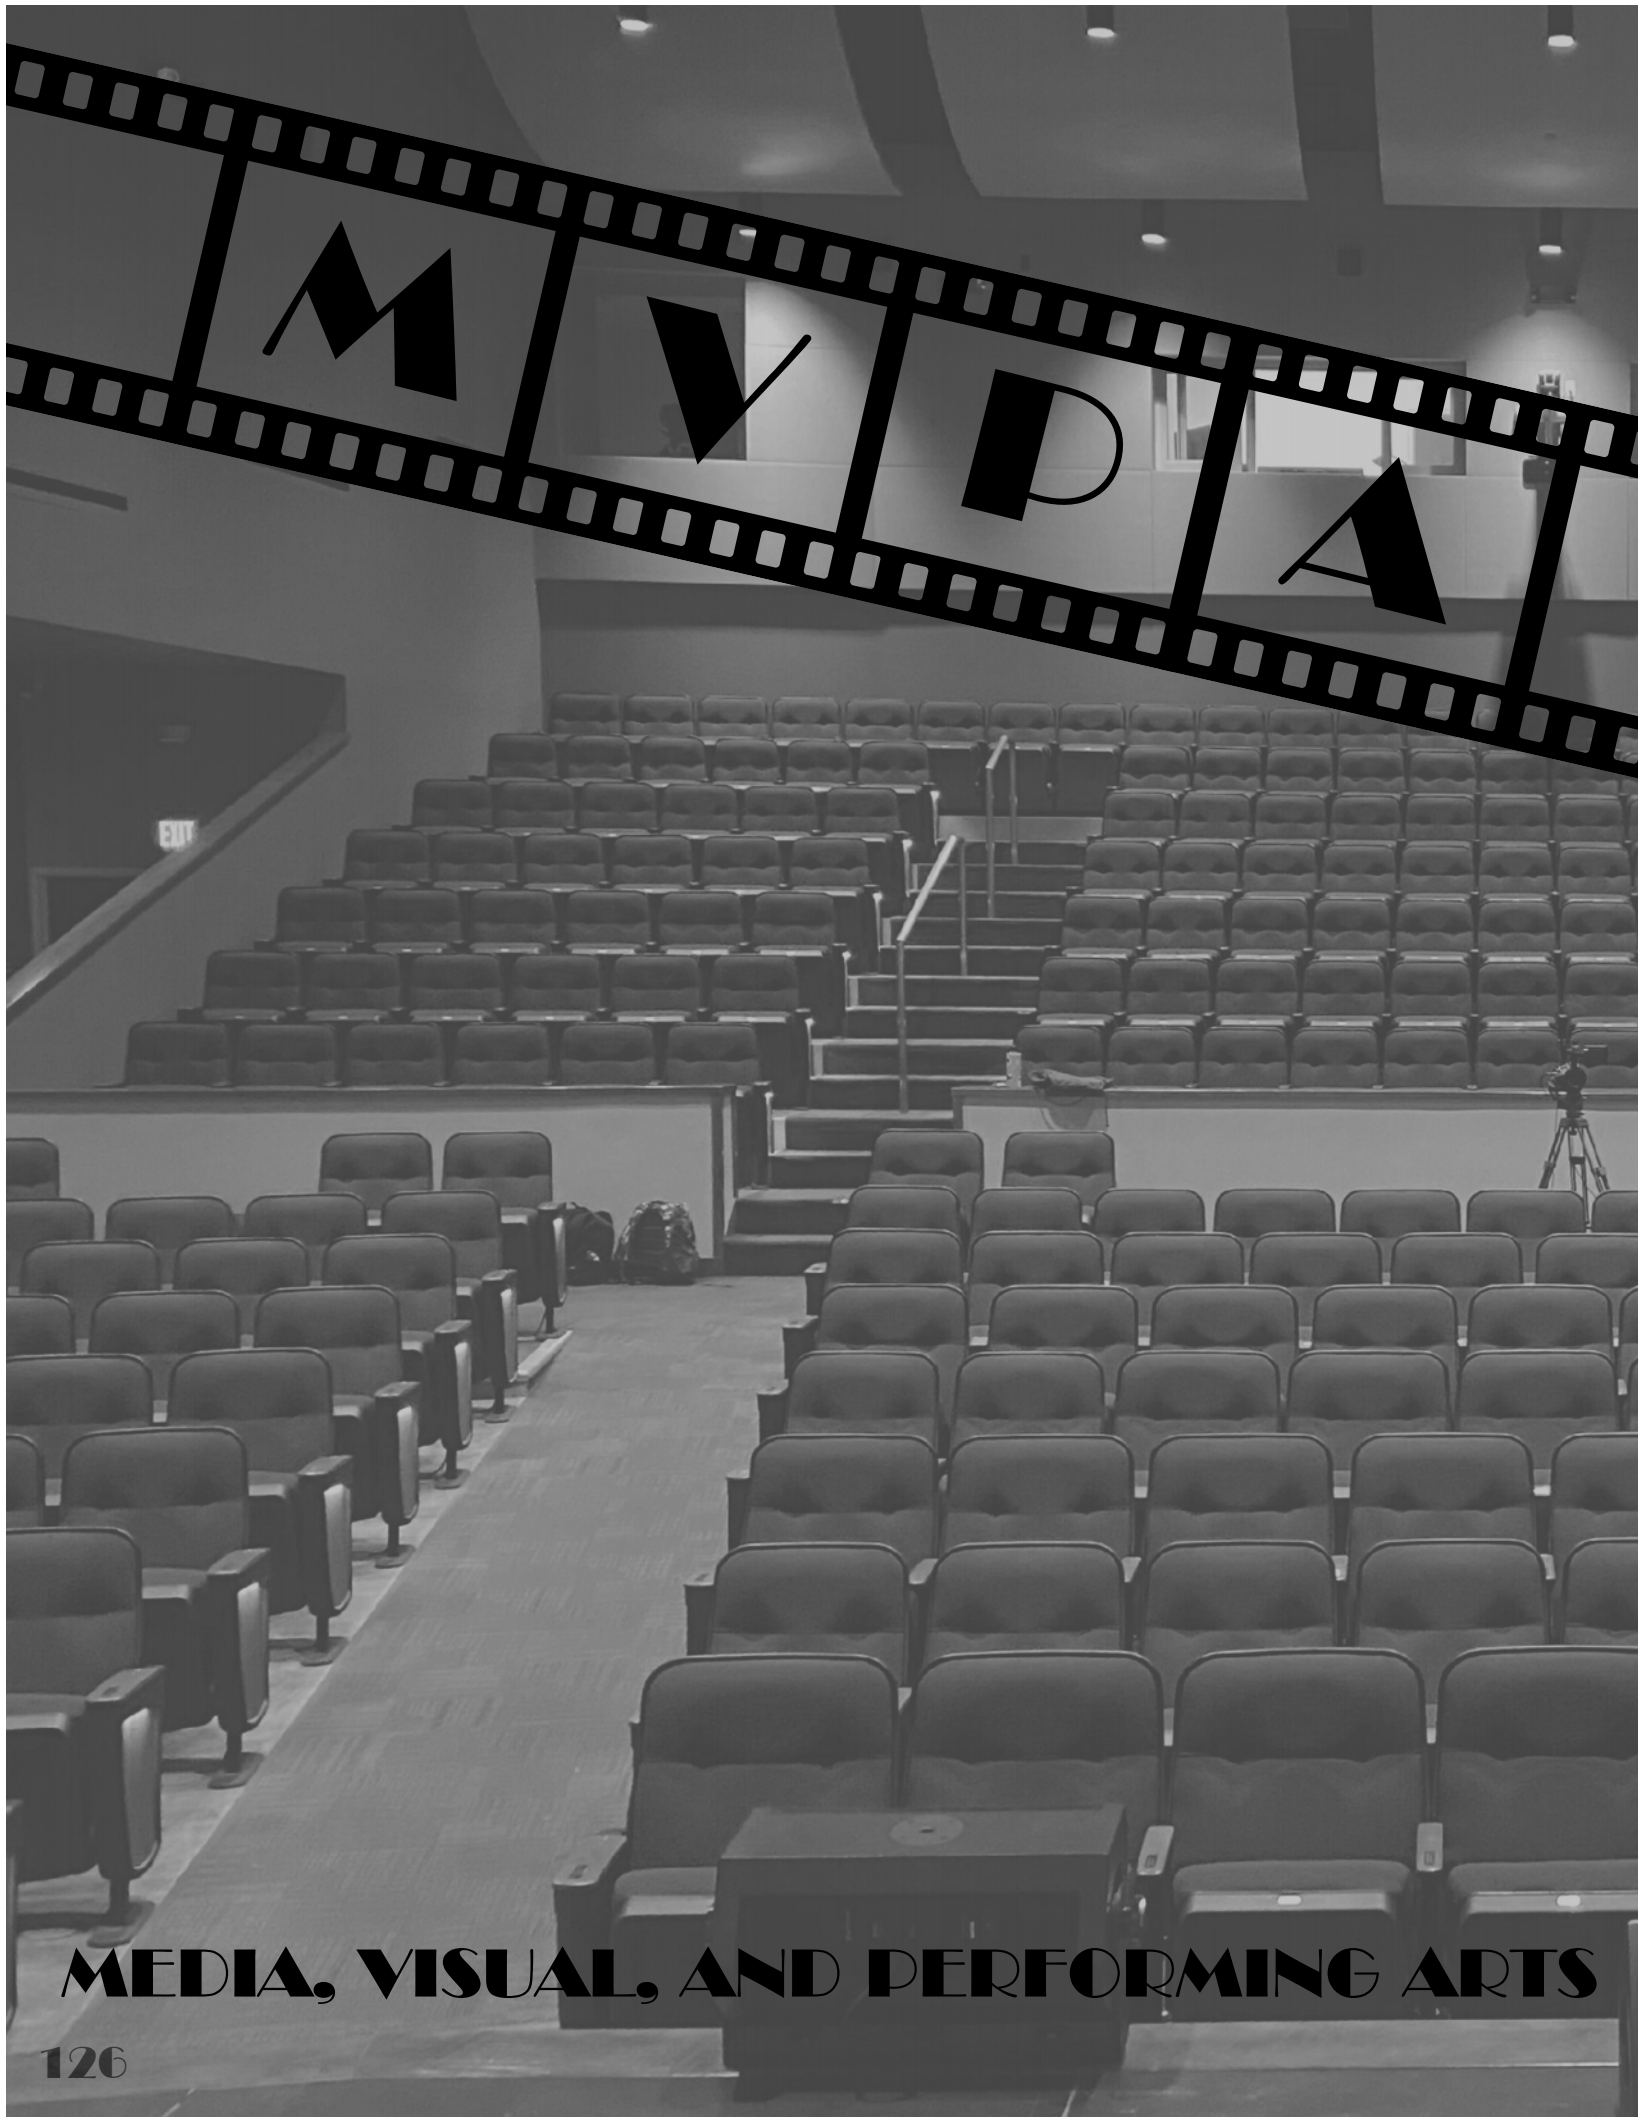

Logan also commits her time to Moot Court every Activity Wednesday, Thursday morning, and Friday morning.

Logan takes on a heavy class load with Honors Vocal Jazz, AP Calculus AB, Honors Chorale, AP French, AP English Language, AP U.S. History, Social Justice, and AP Biology, yet she balances her time and stays fully committed to her athletic career and extra curriculars.

"I just take it day by day and when I am playing polo or climbing or studying, I focus on that one thing and give it 100%"

CALL ME MADAM

Music & Lyrics
By: Irving Berlin

Q&A with the Director!

Q: What is Call Me Madam?

Call Me Madam is a classic show from the 1950's that isn't produced all that often...I love reviving that kind of show and introducing it to a new audience. In this case, I even introduced it to myself because I hadn't seen it before either. I just knew of the elements of the show would be ideal for our needs at CB and I was right, by all accounts it's been a success!

Q: What was your favorite part about this show?

The score--it's so joyful! I love how the big numbers have come together so well--they are what makes the show so fun!

Q: What was the casting process like for you?

Casting was tricky because we didn't have enough people to do the show as it was intended. That said, the material turns out to be flexible enough that I could make choices that worked around the lack of boys participating. In the end, I think the average person hardly notices that our fictional country of Lichtenburg is underpopulated...

MEET THE SENIOR LEADS

Cooper Davey '22, started performing back in 2012 and has performed in many CB productions. In his first, he was an ensemble member in *Singing in the Rain* where he got his first look into tap dancing! His sophomore year, he made his starring debut as Peter in *Peter and the Starcatcher*. When asked about his favorite memory, he says, "When I was backstage. I would watch from the sides and felt gratitude for being apart of such great shows..." Cooper hopes to major in Theatre Arts as a triple threat of singing, dancing, and acting.

Jacquelynne Sample '22, did not perform in her first production until the 7th grade, but she remembers very fondly growing up in dance and acting classes and putting on small performances for her family in her living room. When asked if she wants to pursue a career in show biz she states, "I want to be an actress, Broadway is the goal, TV and film is the goal..." A behind the scenes secret Jackie shared with us is that the massive red ballgown was so difficult to walk and dance in, that Cosmo, played by Ismael, and her would go out on the dark stage during intermission every show to practice the waltz. "My favorite memories of backstage is the inside jokes the cast shares" she says....

Ismael Alvarez Bermudez '22, made his starring debut in CB's theatre this year as Cosmo. He blew us away with his incredible voice, no surprise considering he has been singing for many years. Six of those years include different choirs including our very own CB Honors Chorale and Honors Vocal Jazz. He tells us that his favorite memory of performing was the feeling of bows after finishing a show...Ismael hopes to pursue a career in teaching high school mathematics.

Setting the first scene in Washington D.C. Everyone has received their invite to Mrs. Adams going away party! Anyone who is anyone will be gathered at her house tonight...

The Merry Wives of Windsor

Q&A with our Director

1. What is your favorite part about this show?

Working on a live production! Two years ago we had to cancel our spring production a week before opening. This time we [will] make it through closing. I enjoy the 1960s TV sitcom concept we're doing more than I actually like the play, "Merry Wives." The whole idea tickles me and has allowed us to be creative in a really fun way in all aspects of this production.

2. What was the casting process like for you?

Everyone who auditioned is in the show. The bigger roles had some competition within that group as to who might play which character, but those choices became apparent after a day of auditions. The big problem was that we only had four boys audition for nine male roles, so I had to determine which male characters would benefit the most from having an actual male play the character. Once I slotted the four boys into roles, the casting of the girls became more obvious to me.

3. How do you think of all the ideas for the show?

In this case, it was time for us to do Shakespeare again. I try to do one every 4 years to make sure each 4 year group of students actually has that particular experience. I chose "Merry Wives" because, after 2 years of Covid, I just wanted to do something fun and it had the casting flexibility we needed, because I really didn't know how much involvement we would have this year after being away from live performances for so long.

4. Why do you choose Shakespeare? Is it challenging to teach?

From an educational perspective, Shakespeare is still really important to the history of the theatre and to literature and all theatre students should have some exposure to it. The challenge is the language and understanding exactly what Shakespeare meant 400 years ago. [I chose Shakespeare because it] offers a director a lot of freedom to change the time-period and the setting to something that will resonate for a modern audience and there is a kind of fun in that freedom.

5. Any further information you would like the readers to know about?

A lot of people are afraid of Shakespeare because they think they won't understand it or that it's difficult. The best way to experience Shakespeare is by seeing a live production. The production does all the homework for the audience and so the audience can just take it in. Yes, it requires a little more attention...but the play will give you an experience no matter how much of the dialogue you process.

Blanket Club:
Members such as Paige Harty '22 (president) or Hannah Strouder '24, make blankets for foster kids at Sutter Medical Center - a gentle reminder that they are loved..

Tree planting Event:
CB students worked with SMUD & the Sacramento Tree Planting Foundation to plant trees.

Softball Service Event:
The team assisted the League of Champions Little League Baseball to take the field just like high school students.

Women's Lacrosse service event:
The team volunteered at Sacramento Food Bank as they do annually.

Animal Club

Animal Club is for students who are passionate about supporting animal welfare. One of the primary focuses of the club is the partnership with Front Street Animal Shelter. who have helped treat, vaccinate, and chip over 750 animals from the Oak Park and Sacramento area alone.

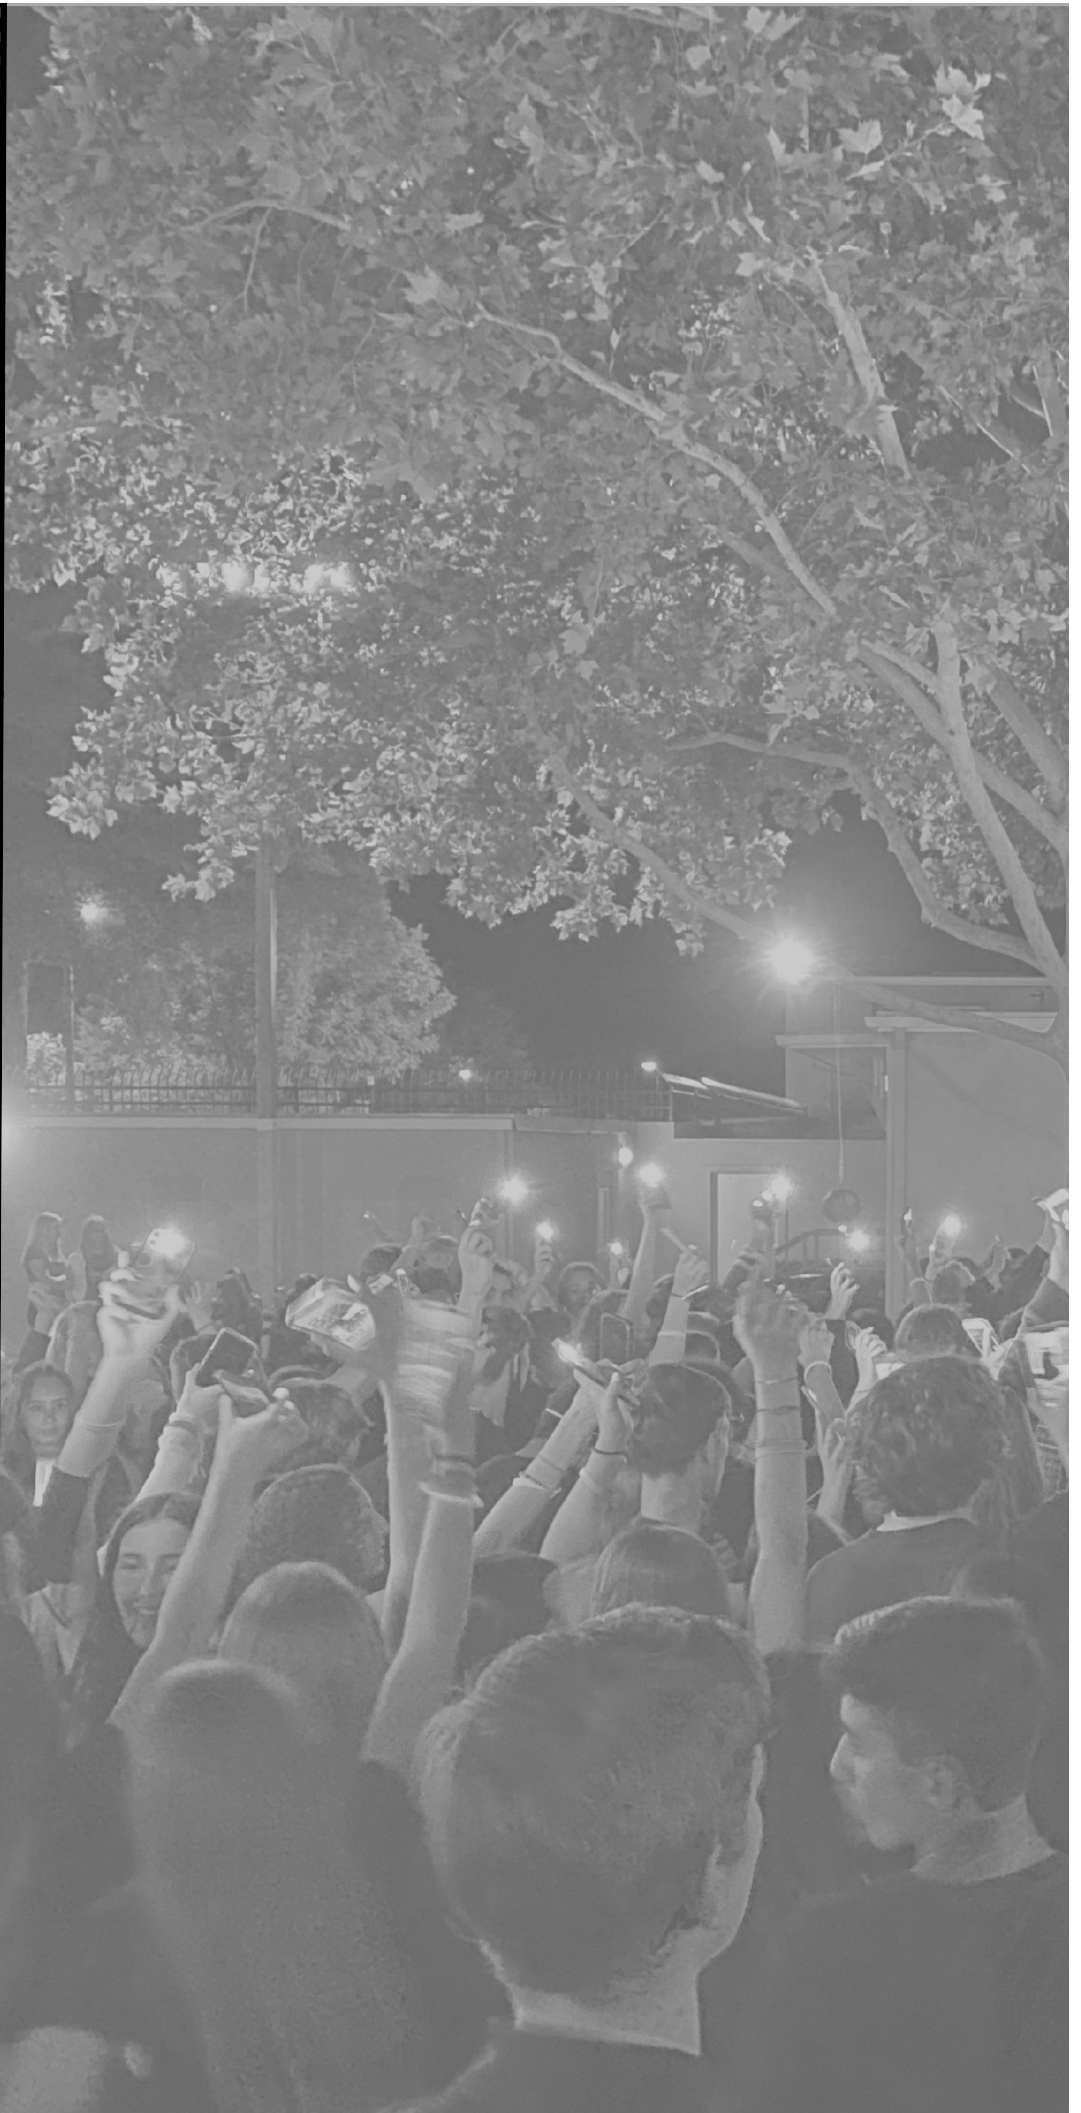

Student & Puppy Wellbeing Event:
During the school year Front Street brought their newborn puppies to interact and help relieve student stress from.

Animal Vaccination Event:
Throughout the year Front Street has had multiple vaccination and chipping clinics as a drive-thru event at CB.

Before the Dance...

Homecoming

"Last year we didn't have a homecoming, this year's dance totally made up for it, having it under the stars and the rain falling made it so much more magical and memoral."
- Grace Cowan '22

"I liked the outdoor dance a lot! It didn't feel like the classic cramped high school gym enviroment that I always associated with homecoming. The little bit of rain at the end made it perfect."
- Adam Sunderman '24

"It was alot of fun to dance and party with my friends in the rain."
- Kate Rucker '23

"The night was alot of fun and my friends and I enjoyed it even though it rained a bit."
- Ankita Kannan '24

Night

"A lot has happened the past two years and I think everyone needed a night like this. It was fun, care free, and we all enjoyed each other's company."

- Caroline Kramer '23

"My friends and I couldn't have enjoyed it more."

- Danielle Thiebaud '23

"At first, when I heard that it was being hosted outside, I was a bit weirded out by it. However, it ended up being a lot of fun and a night I will remember."

- Hannah Janicki '23

"Homecoming was so much fun! My friends and I had such a great time, and made lots of memories that I know will last."

- Iliana Demas '25

Jake Elorduy

Jake's favorite memories with CB football are the team bonding activities: team dinners, chapel, and bowling. He enjoyed late night practices in November where it was dark at 6 and they would practice under the stadium lights, "it was a really cool vibe." As a leader Jake learned how to set a standard that his teammates could follow. He learned that "nothing beats effort, if one shows effort, others will start responding in a multitude of ways." Jake wants to thank Coach Scriven for "being a role model" and "helping in ways that he can't imagine." Jake also thanks Coach Ghaz "for being like a family member to me the whole season, helping me when times were rough, and always sticking by my side." Jake would also like to thank Coach Morla for believing in him since day one. Jake says Morla "was the first coach to play me on a varsity field on special teams, he believed I could do it and that has stuck with me forever." Jake would love to extend his football career into college and has received multiple scholarship offers from New Mexico Highlands (D2), Lawrence University (D3), Whittier College (D3), Lewis and Clark (D3), Pacific (D3), and Puget Sounds (D3). Jake ended the season saying "thank you CB for believing in me, it has been a grind, but the grind has totally been worth it. This school will always have a special place in my heart. 6 out, love y'all!"

Lilian 'Lily' Patock

Lily Patock's favorite memories from her time on the Christian Brothers volleyball team this year include the Serve It Up tournament, service trip, and the team's accomplishments. As a captain, Lily learned how much leadership relies on encouragement, accountability, and respect: "Everyone on our team is on board with the values and goals we have for our team and the legacy we want to leave behind. It's the captain's job to make sure everyone is on the same page and understand those values that we want to cultivate in our gym and that we all stick to it. That's where accountability comes in." Lily thanks her parents, friends, coaches and trainers who have helped her reach all of her goals and shape her into the person she is today. Lily plans to continue playing in college and is now committed to Boise State. Lily finishes her volleyball career at Christian Brothers saying, "This team is everything to me and everyone has something to provide to it. Everyone has a role and it makes me so happy to see that finally my senior year we have such a great group and that is exactly how I want my last season to be. TOGETHERW."

SECTIONS

The Men's Varsity team secured a spot at the CIF State Cross Country Championship with the help of senior Ryan Dong's '22 performance outrunning three others to secure a spot at Finals. The rest of the men's team outscored Colfax, Hughson, and St. Mary's to place 3rd and qualify for CIF State Cross Country Championships two weeks later. The Women's Varsity team also earned the third spot at sections to qualify for CIF State Cross Country State Championships. The 9th grade men's team won the D4 title with 21 points. The 9th-10th grade women's team secured first place, winning another Section Title. For the first time in 13 years, each varsity team finished top 3 or better and both the women's and men's varsity teams qualified for the California State Championship. In total, 46 CB runners recorded 32 new personal records at sections.

Cafeteria Spotlight

In terms of students, what would you like us to know about your job?

"We do everything from scratch. Anything that wasn't packaged is made by us, and that's where the whole team puts a lot of effort in."

What do you see as the favorite meal from students?

"From sales or when we print out reports, it's mostly Asian or pasta meals. These are when our numbers are highest. We also have something called "What's hot, What's not," which we'd like to do with a bunch of you guys. Basically, we'd give everyone pieces of paper and have you fill out what you like or don't like. From these, we know what to incorporate or avoid in our next meals."

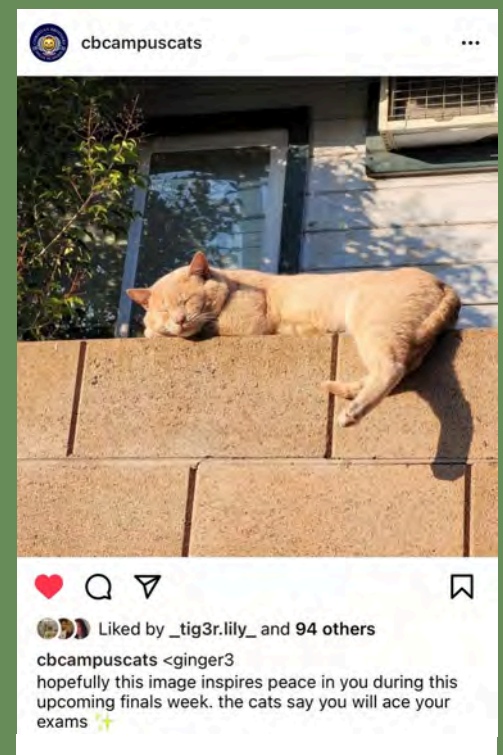

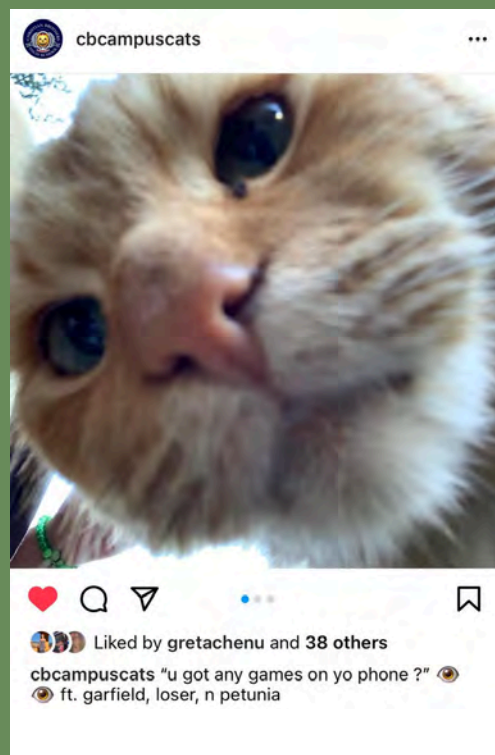

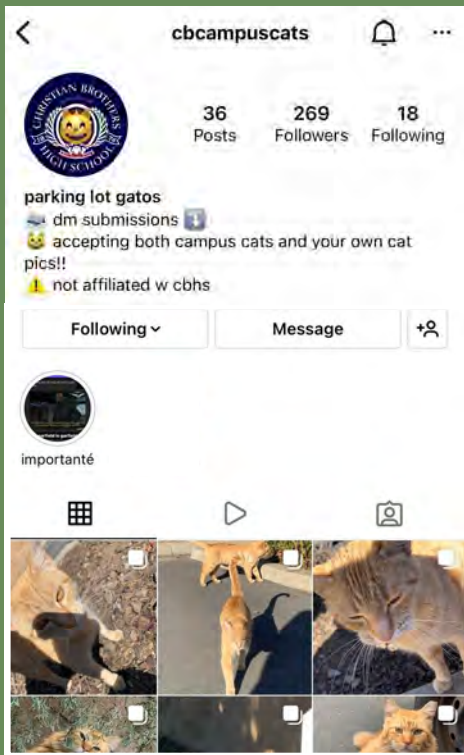

How do you deal with the constantly changing meals?

"Every day or every lunch we just get a different recipe. We try to work out new meals on Thursdays. Like today for instance, I try to do the menu for next week. And it's always basing it on what you guys like, what you take, what you don't. For example, there's days when we have pasta, we see that you guys are crowded around. So we'll try to put more pasta dishes the next day and so forth. But in general, we'll always try to stay a week ahead of menus in order to stay organized and have things in the house."

Thank you to Raphael Calderon for allowing us to interview you.

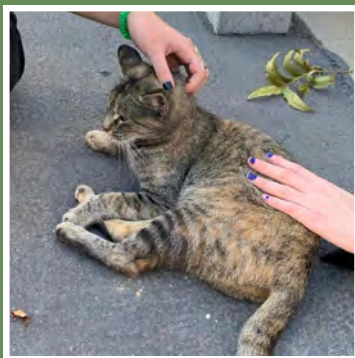

CAMPUS CATS

PARABOLA

COOKIE

LOSER

KACHOW

This year we saw the rise of many CB-related Instagram accounts profiling everything from bad parking to the sage advice of Dean Taylor-- but perhaps none is more prolific than @cbcampuscats, dedicated to documenting the many cats that have decided to call Christian Brothers their home. With more than 250 followers and dozens of posts, the Campus Cats account has quickly gained popularity among CB students.

"The account was originally started to jump on the bandwagon of funny school Instagram accounts, but it's evolved to be much more than just a short-lived joke. Seeing the cats around campus brightens everyone's day, so it's only right to document the experience online for people who don't always see them in real life," say the account's admins. "It's great that the CB community can come together to appreciate some cats."

ON THE JOB

DJ TLDSTR

Tilda Allen '23
"I fell in love with the rave/edm scene and wanted to get more into it."

Discovering an interest in the EDM scene in 5th grade, Tilda Allen has found her place in the local rave community as DJ TLDSTR. With the support of her family and fellow DJs, she works for 97.5 KDEE and various Sacramento events and plans to continue her career for life.

SADIE CAKES

Sadie Robinson '24
"What I want to keep alive from my business is the donating as fundraisers..."

Baking since her youth, Sadie developed her own cookie recipe during quarantine. With support from her family, she opened SadieCakes, which sells cookies and cakes and donates to various local organizations. She hopes to continue SadieCakes on the side while working as a national news reporter.

JIU JITSU INSTRUCTOR

Ismael Alvarez-Bermudez '22
"I would like to continue practicing [jiu jitsu] for the rest of my life."

Ismael's passion for jiu jitsu began the moment he walked in to his first class. Five years later, he has participated in more than 100 tournaments and holds five world championship medals under his belt. He instructs kids and introduces them to the world of jiu jitsu. He hopes to become a high school math teacher, practicing jiu jitsu on the side and possibly even opening his own gym.

REESE'S RINGS

Reese Ramirez '23
"I had a difficult time with staying in one spot... making jewelry really helped."

Reese began jewelry making during quarantine to maintain focus. With encouragement from friends and especially family, she opened up her business. With an impressive collection of pieces in various styles, Reese hopes to study jewelry making in college or continue her business as a side hustle while working with children who have communication disorders.
