CLASS REUNION

1961-1986

Bishop Armstrong High School
Class of 1961
25th Year Reunion
1961-1986

What a night it was! The laughter began with people reminiscing and trying to identify one another.

Thanks to all the hard work of our chairman, Vienna Cornacchioli Golsong, it was certainly a fun filled memorable evening.

Each reunion seems to get better and our 25th proved to be no exception to that rule. It's hard to believe so many years have gone by since we passed each other in the halls of Bishop Armstrong High School.

We'll see each other soon. Five years go by very quickly.
