

Dr. Robert McQuillan

Bob was my Dentist for several years. When he died he knew of my interest in CB and left these items to me.

He graduated from CB in 1941. He went to Sacramento Junior College for two years, like most students, for economic reasons. He played Varsity Baseball in his second year. I'm not sure he went to California Berkley where he would be a member of the Junior Class.

Upon graduation from Dental school he was drafted into the Army as a Captain and he served as a Dentist stationed In Anchorage, Alaska.

Upon serving his tour of duty, he set up practice in Sacramento.
