The 1957-58 Sports year found CBS with average teams in football and basketball, having moments of brilliance, a strong Jayvee baseball team and a promising Freshmen team. Track has not proven to be a major sport in the school as yet.

A big line and a hard rushing backfield ended what ordinarily would have been considered a mediocre season winning their last three games to give the Christian Brothers eleven, a four win, five loss record. Early season injuries hurt the team's chances of improving on this record.

The big game of the season came in the finale as a spirited Gael team outfought and outplayed city champion, Sacramento High School. It was a game of grit and determination and our team looked like champs all the way.

Gael Hoopsters, under the inspiring leadership of Jim De Roos, came close to breaking even in the won-lost column. Inexperience seemed to hurt the Gaels frequently. De Roos was the only player with any experience to return from the previous year's team.

Despite the inexperience, the Brothers five managed to defeat Sacramento and Mc Clatchy teams in return matches. De Roos' 35 points against Mc Clatchy was only nine points less than the opponents whole team managed to score.

Baseball season has barely gotten under way at the writing of this article, but the future looks bright for the rawhiders. Rain caused four of the first eight games to be canceled. Of the four games played by the Jayvee team, two were against last year's city champions, C. K. Mc Clatchy, and virtually their same team is back this year. The Gaels won both contests from the Cubs: 2-0 and 3-2. Frank Stewart hurled the first game, striking out fifteen of the twenty-one men that faced him. Freshman, Vic Cima, spotted the opposition two runs and then played cat and mouse with the Mc Clatchy batsmen, finally knocking in the third run for the Gaels to win his own ball game.

THE GAEL STAFF, AS WELL AS THE ENTIRE STUDENT BODY OF CHRISTIAN BROTHERS HIGH SCHOOL, WOULD LIKE TO EXTEND OUR GRATITUDE TO THE PARENTS WHOSE GENEROSITY HELPED MAKE THIS ANNUAL POSSIBLE.
