THIRTY-THREE KEATINGS ATTENDED CBS

In the first generation of the Keatings, 3 of them were in attendance at Christian Brothers High School. The number increased to 6 with the second generation and to 16 in the third generation. The fourth generation had 8. THAT'S A TOTAL OF THIRTY-THREE. Perhaps the most in the history of Christian Brothers High School.

The business successes of the Keating family were varied and numerous. **John W.** was a grocery store owner in Sacramento and **William C.** was a general contractor who built CBS, Mercy Hospital, St. Francis High School, and the Tower Theater, all in existence today. **James P.** founded Keating's Candy Company and **Jack** managed Hales Department Store. **James M.** became a dentist and **Dr. William, Jr.** was the Superintendent of Vacaville Prison. **Jerome** was the President of Aerojet, was affiliated into the CB Order, owned 3 companies, 2 of which were in China. **James P.** was selected as Sacramento's "Young Man of the Year" for his involvement in Civic Charitable activities. Quite an impressive list. A real tribute to Christian Brothers High School.
