The Honkers and The Gaels

Welcome to the first grid "double-header" to be played in this area. This is the first time in local football history that four individual schools have participated in games on the same field the same night. This is also the first time that the Yuba City Honkers have played the Christian Brothers Gaels.

The Christian Brothers school is located in Sacramento, and the Gaels are a strong team. In this game tonight, local fans will have a chance to see some of these boys from Sacramento, who played Marysville October 13, and were beaten by a close score of 13 to 6.

It is hoped that the Honkers-Gaels game can be made an annual home game. As was the case this year, the Yuba City football schedule left an opening over the weekend before the Yuba City-Marysville game. If this opening is placed in the right spot in future schedules, the Yuba City-Christian Brothers game could easily become an annual grid feature.

Next week in this stadium, local fans will be able to witness the Big-Little game—the high-point of local football playing. The big game, a traditional one as well as a scheduled Sierra Foothill League contest, promises to be a thriller when our two local high schools clash on the gridiron.
