Capital Region Scrimmage

On December 14th, 2019, students from the Sacramento region and beyond gathered for a scholarly scrimmage. Armed with pencils, calculators, and a great deal of knowledge, they gathered at CSU Sacramento for the Capital Region Academic Decathlon Scrimmage. The practice competition helped decathletes prepare for this year's competition.

Students from 39 high schools participated in the December scrimmage, some from counties as far away as Los Angeles, Kern, and Contra Costa. The scrimmage tested students on subjects including math, science, economics, language/literature, art, social science, and music.
