*The faculty and students of Jesuit High School would like to take this opportunity to thank our many friends for their continued support of Jesuit's athletic programs. One important aspect of the education offered to the students of Jesuit High School throughout the nearly 50 years has been the fine tradition of athletic competition.*

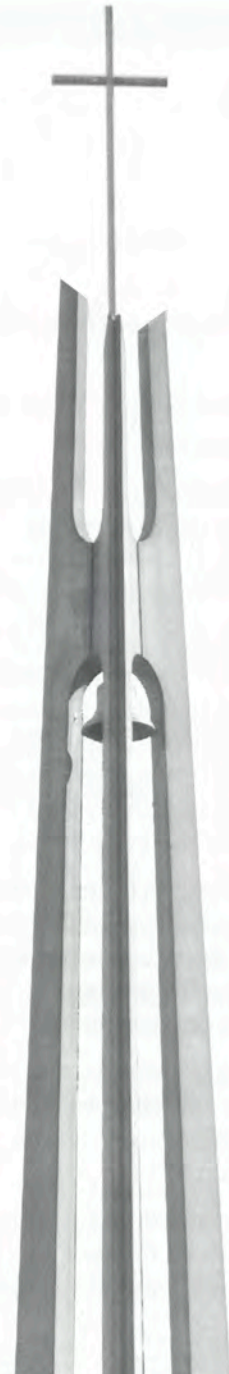

The advertisements in this booklet were sold by the Jesuit Booster Club to help support the students and the programs of the school. Please patronize the businesses who generously chose to advertise in this program; they, together with loyal support of the Jesuit Booster Club are, in a great part, responsible for our school's continued development and success.

## MISSION STATEMENT FOR JESUIT HIGH SCHOOL OF SACRAMENTO

Jesuit High School of Sacramento is a Roman Catholic college preparatory dedicated to forming competent young men into conscientious leaders in compassionate service to others for the greater glory of God.

## POLICY OF NON-DISCRIMINATION

Jesuit High School admits students of any race, color, national and ethnic origin to the rights, privileges, programs and activities accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin, in the administration of its educational policies, scholarship and loan programs and other school administered programs.

## FROM THE PRINCIPAL & PRESIDENT

### **Dear Fans and Friends of CB and Jesuit High,**

Welcome to Holy Bowl 2011, one of the most exciting Catholic prep school athletic traditions in the country.

Today more than 15,000 fans will gather to support our exceptional student athletes and the schools they represent. All of us are family and friends, alumni/ae and classmates who know that what we will witness exemplifies the best of us. Together, we can be justifiably proud of the accomplishments of our teams and their coaches and, regardless of the outcome of today's game, the joy of competition and accomplishment will be shared by all.

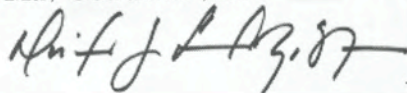

Ours is a complex world and we know that learning must be discovered in every endeavor, not limited only to a particular novel or theorem. Our athletic programs are integral components of the mission of our schools. Our athletes learn to work with others, to dedicate their time and talent for a greater good, to listen to wise counsel, and to be gracious when successful as well as mature in defeat. And they do all that before us, who will cheer and support everyone who competes in the Holy Bowl.

For it really comes to this: what brings us together today is the proper expectation that all of these young people around us will once again remind us of the wonders we can accomplish when we undertake any one thing as a community. And we are a community—a learning community and a community of faith, united in our intention to move heaven and earth if necessary so that our young people may find their place in a world made all the better because they are in it.

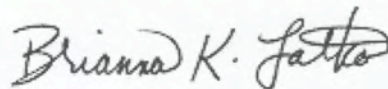

We are grateful to our student-athletes, coaches, parents, athletic department personnel, volunteers and Boosters for their dedication to Jesuit athletics. It is always gratifying to witness the growth of our students as they develop intellectually, spiritually and through their co-curricular endeavors.

Let us continue to commit ourselves to good and healthy choices and to maintain a healthy perspective of the true meaning of athletic competition. For in the end, Holy Bowl is a celebration of the Lord's abundant blessings today showered upon our CB and Jesuit High school communities.

May God bless you.

Dear Parents, Students, Alumni and Fans:

Welcome to Holy Bowl XLI - a Sacramento tradition since 1969!

With the start of every football season comes the anticipation of this storied competition. As our athletes prepare to face off on the gridiron, we are mindful of the fact that these young men represent two phenomenal Catholic high schools and have earned the right to compete through hard work on the playing field and in the classroom. We celebrate the common bond which links our school communities – our Catholic faith -- and rejoice in the fact that it is far stronger than any athletic competition and far outweighs any athletic rivalry on the field.

We are grateful to all of our student-athletes, teachers, coaches, student-athletic trainers, alumni, athletic administrators, the La Salle Club and the Falcon Athletic Volunteers for their continued dedication to Christian Brothers High School athletics. Your steadfast efforts foster our 135-year tradition of excellence in academics and enable us to live the ideal that education extends beyond the classroom into the athletic arena.

Please join us in praying for a safe and spirited contest. We thank you for being here and for making Holy Bowl XLI Sacramento's most anticipated high school sports competition!

Live Jesus in our hearts!

God Bless,

## FROM THE BOOSTER CLUB PRESIDENT...

**BOOST:** verb /boōst/

boosted, past participle; boosted, past tense; boosting present participle;  
 boosts, 3rd person singular present

1. Help or encourage (something) to increase or improve;
2. Push from below, assist;
3. Amplify (an electrical signal);

Welcome to all of the new members of the Jesuit family, and welcome back to all our returning Marauders, young and old. It is my great honor and pleasure to greet you as we begin yet another wonderful year in the history of Jesuit High School and in the Marauder community and spirit.

The core purpose of the Jesuit Booster Club is to support the entire student body of J-High through the promotion of athletics, the arts and scholarship across the entire campus. While we may be most visible at sporting events, don't mistake that for a lack of support for the other aspects of student life.

Each year, the Boosters host a number of events that are designed to encourage, assist and promote the endeavors and achievements of our young men. These range from high profile events - like the Spirit of Jesuit (co-hosted by the Loyola Guild) in the beginning of the year, an ever-growing and improving tailgate party at the Holy Bowl, and the best crab feed in the region - to lower profile but equally important activities like snack bar and bar-b-q service, awards banquets, an auto donation program that supports student scholarships and a list of programs too long to list here.

All of these activities, however, are impossible to accomplish without the dedication and active participation of hundreds of volunteers from among the Marauder community. Without your time and talent (and, yes, a little treasure too), we would be unable to do the things that we do each year. With this in mind, I invite all of you who have not yet joined us to consider doing so. Help us to make this the best year yet for our students - scholars, artists and athletes alike - as they grow and transform from wonderful boys to quality young men.

May God bless us all, and GO BIG RED!

# ATHLETICS MISSION STATEMENT

## FOR A JESUIT HIGH SCHOOL

An interscholastic athletic program as a co-curricular activity is an integral part of the total education and growth experience at a Jesuit high school. Athletics is designed to affirm and promote the Ignatian values as stated in the Profile of the Graduate at Graduation and engage student-athletes fully in mind, body and spirit.

Student-athletes, coaches and parents are called upon to work together in a true spirit of sportsmanship to assist in creating an environment in which those Ignatian values can be revealed, tested and proven relevant both to participants and the entire school community.

Through participation in athletics at a Jesuit high school, students will mature physically, emotionally, socially and spiritually. They will learn to take responsibility for personal growth by developing loyalty, pride, integrity and commitment. Athletics provides the opportunity for the student-athlete to exhibit a progression of physical skills and knowledge of a particular sport, enabling him/her to apply these skills and knowledge to new situations and a variety of learning formats.

Through participation in athletics, the student-athlete learns that God is active in all things and that individual and liturgical prayer will bring him/her closer to God. The student-athlete comes to trust that he/she is known and loved by God: that love invites a personal response, which is an expression of movement within the human heart beyond self-interest or self-centeredness.

The student-athlete is called to be conscious of the call to be a leader in service and to acknowledge his/her active commitment toward fostering a just society. Every member of a Jesuit high school community must seek to encourage, instill and foster such growth and development in all student-athletes.

# HOLY BOWL HISTORY

## SERIES OVERALL RECORD

*Jesuit: 23*

*Christian Brothers: 14*

*Tie: 2*

1969

**CHRISTIAN BROTHERS 20**

**JESUIT 13**

Jesuit came into the game as the underdog, but had the city's second leading rusher in Joe Mangiaracina (5.8 yds. avg. carry) and the number one defense in the city (101 yds./game and 8 pts./game). The CBS victory was sparked by Dennis Bertacchi and Danny Galvez. Jesuit was led by offensive captain Joe Mangiaracina and defensive captains Marshall Alameida and Tim Warren at American River College (ARC).

1970

**JESUIT 8**

**CHRISTIAN BROTHERS 7**

The second Holy Bowl (at ARC) may have been the most thrilling ever played. Both teams were league champion, CBS rated fourth in the city and Jesuit fifth. Brothers was fielding its first undefeated team since 1936. Playing before 8,000 plus fans at a soggy American River College stadium Jesuit scored with seconds left in the game to pull within a point of CBS, 7-6. On the last play of the game, sophomore quarterback Dan McGinn, in for his only play of the game, scrambled for a two point conversion to give the Marauders the victory. Brothers was led by future U.C. Davis star Dan Carmazzi and some of the best linemen to ever play for the Falcons - Jim Sarti, Stan Olsufka, and John Blanchard. Jesuit was led by future Columbia star Joe Ratterman and Fritz Hoffman, Paul Schaffer and Tim Coyle.

1971

**CHRISTIAN BROTHERS 40**

**JESUIT 7**

Again at ARC, Holy Bowl III once again brought league champions together, but this time CBS running back Mark Gabrielli (his cousins later played football at Jesuit), recently out of a hospital bed, was the difference as he gained 202 yards to lead the Falcons to the convincing victory.

1972

**JESUIT 21**

**CHRISTIAN BROTHERS 0**

This year's contest was a virtual replay of the previous season, but with the roles reversed. Before a crowd of 7,900 at Sac State's Hornet Stadium, Jesuit QB Larry McGovern hooked up with his favorite receiver, Marty Kloser, often enough to give the Marauders the big win. CBS was anchored by three-time All-Metro League lineman John Cartwright.

1973

**CHRISTIAN BROTHERS 0**

**JESUIT 0**

Holy Bowl V saw one of the finest CBS teams ever assembled. Led by QB Jeff Tisdell and tight end Eason Ramson, the Falcons were rated No. 1 in the city, with a record of 8-1. The Marauders were 5-4. Despite the strength of CBS, a driving rain at the CSUS stadium slowed both teams in a scoreless tie and dubbed the game the "Mud Bowl".

1974

**CHRISTIAN BROTHERS 53**

**JESUIT 28**

Passing became a factor in the game for the first time since 1972. The Falcons rode ten brilliant catches by All-American end Dan Farrell in the rout. CBS scored on every possession, preventing Jesuit quarterback Matt Bouza from closing the gap in the second half. Brothers accumulated 450 yards of total offense, 309 in the air.

1975

**JESUIT 7**

**CHRISTIAN BROTHERS 6**

Holy Bowl VII featured another match-up between league champions. Jesuit voted to forego a first-ever playoff berth in favor of a season-ending match-up with CBS. Defenses dominated as the game was played in a steady rain from start to finish - the Marauders yielding 128 total yards to the Falcons equally impressive 147. Led by running backs Tim Lee, Joe Riehl and Pat Barclay, Jesuit scored before the half on a 14-play, 99-yard drive. Brothers countered late in the contest on a five yard run by Steve Sules. CBS elected to go for two points and the win, but was denied on the ensuing attempt by the "Red Brick Wall."

1976

**JESUIT 13**

**CHRISTIAN BROTHERS 6**

In another "Mud Bowl", Jesuit jumped to an early 13-point lead behind the running and passing of Phil Cantelme, and the defense of Randy O'Rourke and Guy Coe. The Falcons were led by super-backs Jeff Muljat and Richie Simms.

**1977-1978: CANCELLED:**

This was due to the conflicts with City playoffs. Both teams continued to dominate their respective leagues this year.

1979

**CHRISTIAN BROTHERS 53**

**JESUIT 14**

The Holy Bowl was back, and CBS returned in a big way. Mark Murphy passed for three touchdowns and Dave Perreira carried the ball eight times for 108 yards and three TD's to lead the Falcons. Jesuit was led by All-League lineman Dan Reilly, Mark Hilder and Dave Alameida.

1980

**CHRISTIAN BROTHERS 40**

**JESUIT 7**

In a replay of the previous game, CBS ran over the Marauders behind Greg Murphy, Bob Crump and Charlie Hoffman. Jesuit's lone score came on a Jeff Sperbeck to Steve Halvorson pass.

1981

**CHRISTIAN BROTHERS 17**

**JESUIT 10**

In a defensive standoff, the game was determined by the special teams. Played at Woodland High School, the margin of victory was 60-yard punt return by Rob Delgado. CBS, the eventual city champion, was led by Dave Jablonsky, John Arbuckle and Bill Callaghan. Jesuit was paced by running back Scott Lippi and receiver Jeff Thomas, and anchored by John Gedney and Pat Dentinger.

1982

**CHRISTIAN BROTHERS 21**

**JESUIT 0**

The reigning city champions, CBS looked to repeat their 1981 performance. Behind super-back Vince Delgado, the Falcons looked invincible. Delgado carried the ball 15 times for 169 yds. and one TD. The Marauders played CBS to a scoreless first half. Three quick scoring drives by the Falcons in the second half sealed the fate of Holy Bowl XII. Jesuit was braced by the play of Greg Chelini and linemen Ted Hornback and Joe Schaeffer.

**2011 HOLY BOWL**

# HOLY BOWL HISTORY (CON'T)

1998

**JESUIT 56****CHRISTIAN BROTHERS 6**

On the opening kickoff, Charles Bell's explosive 96 yd. return set the stage for the Marauders' 6th straight Holy Bowl win. In a pivotal step toward a 3rd Metro League championship and a 12-1 season, Jesuit relied on K.C. Maxwell, Metro League Defensive MVP Jeff Reiman, and Bell for all the scoring in racing to a 42-0 halftime lead. With 126 yards rushing, Mark Gayton turned in an outstanding performance for the Falcons, who reached the playoffs for the first time under Coach Greg Meegan.

1999

**JESUIT 63****CHRISTIAN BROTHERS 14**

Duplicating the 1998 contest, Jesuit stormed out to a 49-7 halftime lead behind the combined 5 rushing touchdowns of Metro League MVPs Charles Bell and Jeff Reiman. Bell led the Jesuit offense with 4 TDs and 137 yards rushing, including a 71 yard jaunt, while Reiman had 7 carries for 75 yards. Quarterback Joe Elftmann was on target with 10-15 passing for 142 yards. Reiman, Mike Luca and Billy Bunfill combined for 30 tackles to spark the Marauder defense, which was the key factor in a 4th Metro League championship and a second consecutive 12-1 season for Jesuit. Bunfill also excelled on special teams with 2 blocked punts, including one returned for a TD to start the scoring. The Falcons were led by All State and Georgia-bound running back Albert Hollis who ran for 163 yards, including a 75 yard scamper down the sideline.

2000

**JESUIT 49****CHRISTIAN BROTHERS 7**

With a combined 13 turnovers for both teams, play on the field often times matched the sloppy field conditions. After a tight first quarter resulting in only one score, a 70 yard fumble return by Marauder Josh Jimenez, Jesuit began to pull away behind the running of Jason Auguste who had 18 carries for 102 yards and a TD. Metro League MVP Blake Mori passed for 155 yards and 2 TDs, including 1 each to Chris Leary and Tony Jenks. The Marauder defense blanked the Falcon offense as Jesuit recorded its 9th straight Holy Bowl victory and 8th consecutive playoff appearance. Danny Glero accounted for the CBS points with an exciting 60-yard pass interception return.

2001

**CHRISTIAN BROTHERS 14****JESUIT 13**

Christian Brothers captured their first Holy Bowl victory since 1992 with this one-point thriller. Lead by seniors Mel Cukovich and Matt Traverso the Falcons stormed out to an early lead. They then held off the Marauders and Quarterback Blake Mori as Jesuit scored a late touchdown but failed on the two point conversion for the win.

2002

**JESUIT 28****CHRISTIAN BROTHERS 10**

Jesuit avenged their 2001 Holy Bowl loss with this victory over the Falcons. Led by Senior all purpose player Chris Buck and Junior Quarterback C. Bacher, the Marauders controlled both sides of the ball. However, Christian Brothers and Senior Quarterback George Smith refused to let this game turn into a one sided affair and kept it close for most of the contest.

2003

**JESUIT 42****CHRISTIAN BROTHERS 7**

Matt Evan's exciting 80TD bomb from C.J. Bacher ignited the Marauders on their way to a convincing victory. Bacher had 3 TD passes, including 2 to Evans. Armond Jackson added 2 more scores while rushing for 127 yards on only 6 carries. Kameron White caught a 52 yard pass from Andrew Bennett to account for the Falcon points.

2004

**JESUIT 55****CHRISTIAN BROTHERS 7**

After a scoreless 1st period, Jesuit erupted for 55 points in the next 2 quarters to pull away from the scrappy Falcons. Marauder running back Tim Doyle started the scoring with a 4 yard run and later added a 32 yard TD reception. QB Evan Boylan threw 3 TD passes, including 2 to TE Joe Rost. Brian Devlin added a 65 yard punt return for a touchdown.

2005

**JESUIT 19****CHRISTIAN BROTHERS 19**

After Jesuit jumped out to a 13-0 lead, Christian Brothers battled back to tie the score midway through the fourth quarter. Neither team could capitalize on turnovers throughout the rest of the game and the contest ended in only the second tie in the series. Evan Reuter led the Marauders on offense with 7 catches for 90 yards and 1 TD while Kevin Novick sparked the Jesuit defense with 11 tackles and 1 sack. Falcon QB Curtis Raulinaitis led the Falcons with 183 yards in total offense and had a hand in all 3 Christian Brothers touchdowns as he threw for two and rushed for one. Defensive stalwarts David Bonomi and Mike Macaluso had 25 tackles between them to hold the Jesuit offense in check.

- 2006** **JESUIT 21** **CHRISTIAN BROTHERS 6**  
 Jesuit's Marquese Smith electrified the crowd with a 99 yard return on the opening kickoff. The Marauder running back trio of Jordan Haynes, Anthony Wright and Isaiah Frey led the Jesuit offense with 192 yards rushing among them. Dominic Carmazzi threw 2 touchdown passes, to Justin Parker and Isaac Serwanga. Pat Gormley accounted for the lone Falcon touchdown with an 85 yard fumble return. Jake Schuering, Leo Vellutini, Asa Jackson and Danny Bird led a swarming Falcon defense that stopped a number of Jesuit drives in the red zone.
- 2007** **JESUIT 32** **CHRISTIAN BROTHERS 29**  
 In a back and forth contest, the Marauders opened the scoring with the first of 4 touchdowns by Isaiah Frey but Christian Brothers stormed back behind an Asa Jackson rushing TD and a fumble return for six. A Jesuit drive just before halftime was capped by a strike from Dominic Carmazzi to Isaiah Frey in the back of the end zone to close the gap to 14-12. Marcus McDaniel returned the second half kickoff 90 yards for a touchdown, giving CB a 21-12 lead. Jesuit responded with a 24 yard run by Jordan Haynes, who finished with 108 yards on the ground and then took a 25-21 lead on another Carmazzi to Frey touchdown pass. After Josh Tucker's 14 yard TD run and a 2 point conversion by Jackson, the Falcons had a 29-25 midway through the 4th quarter. It all came down to Jesuit's last possession. The Marauders responded twice on 4th down, first with a fake punt run for a first down and then a 20 yard touchdown run by Frey to put an exclamation mark on one of the most exciting Holy Bowls ever.
- 2008** **JESUIT 20** **CHRISTIAN BROTHERS 19**  
 After Jesuit scored on its opening drive on Tom Blocker's 10 yard run, the Falcons dominated the game for the next 3 1/2 quarters behind the rushing of Marcus McDaniel and Josh Tucker, who combined for 205 yards rushing and 2 touchdowns. After Michael Lahey's TD pass to Cory Crowder put CB comfortably ahead in the 4th quarter, the Marauders started a remarkable comeback by scoring 2 touchdowns on two 1-play drives in the last 4 minutes of the game. Blocker scored his second touchdown on a leaping pass reception in the corner of the end zone and Travis Snider raced down the sideline for a 45 yard score after catching a short pass from Chris Piwinski. Dan Toro-Lira sealed the victory with an interception in the red zone that stopped a valiant, last gasp drive by the Falcons.
- 2009** **CHRISTIAN BROTHERS 21** **JESUIT 6**  
 CBS scored on its first possession of the game, a 56-yard, 10-play drive, capped by quarterback Mike Lahey's four-yard touchdown run. The Falcons went ahead 14 - 0 on the opening series of the third quarter, driving 70 yards in 13 plays, concluded by Lahey's 11-yard touchdown pass to tight end Asante Cleveland. Christian Brothers made it 21 - 0 early in the fourth quarter on Julian Winter's 13-yard scoring run. Jesuit's R.J. Frasier scored on a two-yard run with 4:56 to play, but the Marauders didn't get the ball back until there as two seconds on the clock.
- 2010** **JESUIT 18** **CHRISTIAN BROTHERS 15**  
 Dan Hrin ran for 3 touchdowns and Ryan Shuler added 92 yards on the ground as the Marauders prevailed in a hard fought game that went down to the wire. In another low scoring affair dominated by stellar defensive play by both teams, Mike Bush led Jesuit in tackles while Chris Fry and Cameron Todd pressured the Falcon passing game with sacks and batted passes. Ryan Peabody scored on a quarterback sneak and threw a touchdown pass to Bryan Lane to lead Christian Brothers on offense.

# JESUIT VARSITY FOOTBALL 2011 PREVIEW

Head Coach, Dan Carmazzi

Mike Catapano

Ron Kerekes

Greg Meegan

Doug Warner

Paul Willover

With only 16 returning seniors, the 2011 Jesuit football team needs its large contingent of juniors to develop rapidly in the preseason if the Marauders are to return to the playoffs and battle for a league championship. After a successful offseason in the weight room and its first spring practice in over twenty years, the Marauders have laid a solid foundation for the coming season, where they will compete in one of the toughest leagues in the section.

Seniors Parker Abercrombie, J.T. Frank, Pat Barrientes, Steve Tavenner and Nate Zielke provide solid leadership in the secondary and at linebacker for new defensive coordinator Mike Catapano. Likewise, new offensive line coach Doug Warner will rely on George Vrame, Blake Rogers, A.J. Calnero and Jared Elenberger for stability up front. Returning receivers Mason Pigman and Scott Rogers along with running back Cameron Todd give receivers coach Ron Kerekes and running backs Coach Greg Meegan needed experience from last year.

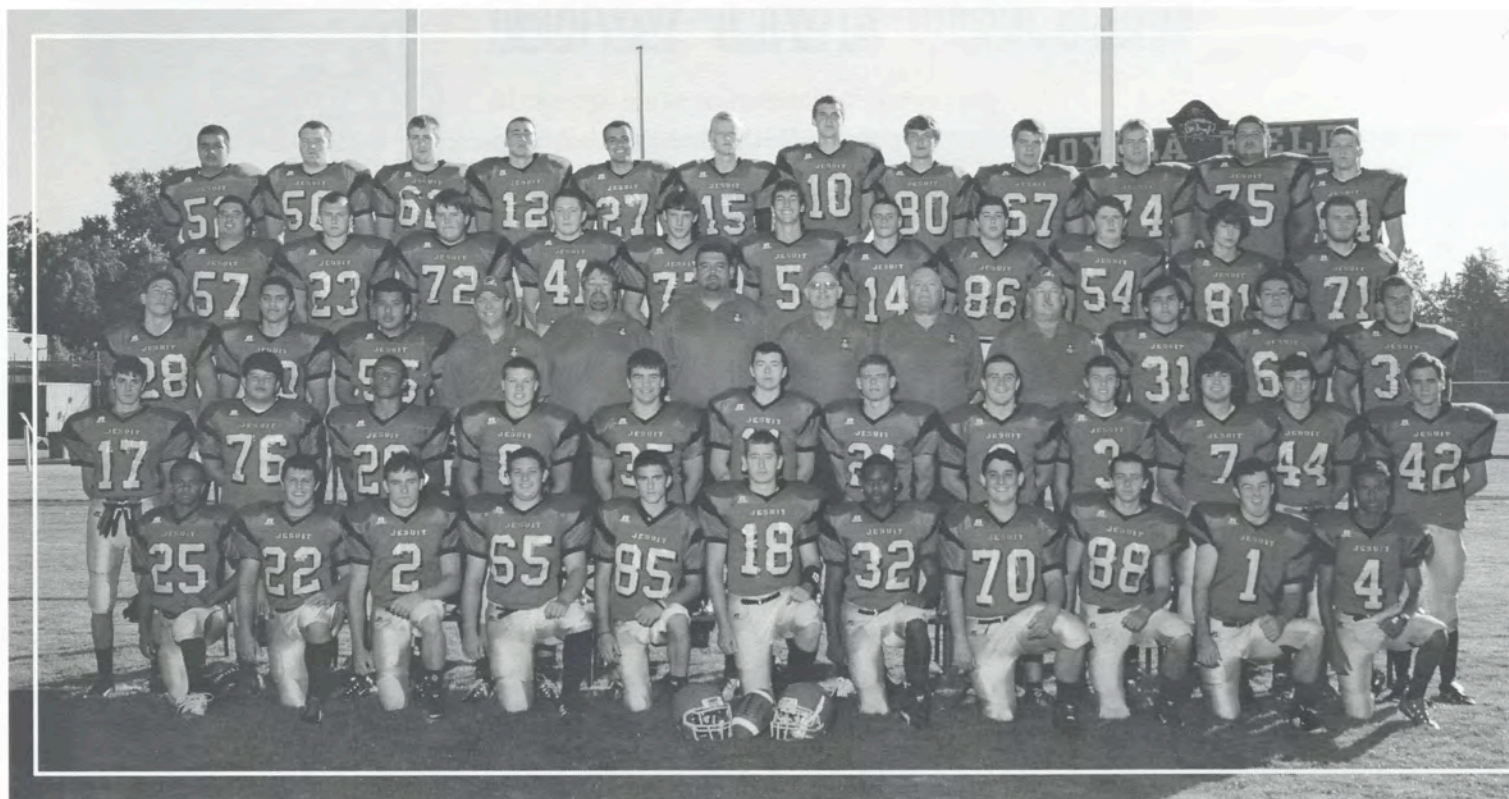

Returners Jack Brown, David Beeskau and Loren Pilorin will compete for playing time on both sides of the ball and on special teams.

Numerous juniors are expected to compete with the seniors for playing time and to help fill holes left by graduation. They include: Garrett Strohmaier, Joe Garcia, Holt Johnstone, Mike Odorica, Matt Molitor, Jackson Pinkoski, and Casey Reilly on the line; Thomas Sperbeck, James Avila-Ellington, Lake Lutes, Anthony Smith, John Sierra, and Pat Risley on offense; Connor Frey, Austin Ambrosini, Alec Garofalo, Ian Hause, Steve Heath, Matt Ternan, Adam Vaira, Devin Kelly, and Kristian Williams on defense.

The coaching staff believes Andy Zboralske, Robbie Baggaly, Garrett Holmes, Gilbert Caigoy, Yanik Jain, Dallas Gilbert, Frank Chinn, Dolan Jones, Rafael Aguilar, Drake Deanda, Matt Banicki and Chris Soto provide much needed depth and can be key contributors on special teams. Kicker Andrew Nave leads a strong contingent of kickers that includes Andrew Endicott and Andrew Hoy.

# CIF PURSUING VICTORY WITH HONOR PROGRAM

ALL SCHOOL COMMUNITIES ADOPTING THE PROGRAM MUST ABIDE BY THE FOLLOWING 16 PRINCIPLES:

1. The essential elements of character building and ethics in CIF sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring and good citizenship. The highest potential of sports is achieved when competition reflects these "six pillars of character."
2. It's the duty of School Boards, superintendents, school administrators, parents and school sports leadership - including coaches, athletic administrators, program directors and game officials - to promote sportsmanship and foster good character by teaching, enforcing, advocating and modeling these "six pillars of character."
3. To promote sportsmanship and foster the development of good character, school sports programs must be conducted in a manner that enhances the academic, emotional, social, physical and ethical development of student-athletes and teaches them positive life skills that will help them become personally successful and socially responsible.
4. Participation in school sports programs is a privilege, not a right. To earn that privilege, student-athletes must abide by the rules and they must conduct themselves, on and off the field, as positive role models who exemplify good character.
5. School Boards, superintendents, school administrators, parents and school sports leadership shall establish standards for participation by adopting and enforcing codes of conduct for coaches, athletes, parents and spectators.
6. All participants in high school sports must consistently demonstrate and demand scrupulous integrity and observe and enforce the spirit as well as the letter of the rules.
7. The importance of character, ethics and sportsmanship should be emphasized in all communications directed to student-athletes and their parents.
8. School Boards, superintendents, school administrators, parents and school sports leadership must ensure that the first priority of their student-athletes is a serious commitment to getting an education and developing the academic skills and character to succeed.
9. School Boards, superintendents, principals, school administrators and everyone involved at any level of governance in the CIF must maintain ultimate responsibility for the quality and integrity of CIF programs. Such individuals must assure that education and character development responsibilities are not compromised to achieve sports performance goals and that the academic, social, emotional, physical and ethical well-being of student-athletes is always placed above desires and pressured to win.
10. All employees of member schools must be directly involved and committed to the academic success of student-athletes and the character-building goals of the school.
11. Everyone involved in competition including parents, spectators, associated study body leaders, and all auxiliary groups have a duty to honor the traditions of the sport and to treat other participants with respect. Coaches have a special responsibility to model respectful behavior and the duty to demand that their student-athletes refrain from disrespectful conduct including verbal abuse of opponents and officials, profane or belligerent trash-talking, taunting and inappropriate celebrations.
12. School Boards, superintendents, and school administrators of CIF member schools must ensure that coaches, whether paid or voluntary, are competent to coach. Training or experience may determine minimal competence. These competencies include basic knowledge of: 1) The character building aspects of sports, including techniques and methods of teaching and reinforcing the core values comprising sportsmanship and good character. 2) The physical capabilities and limitations of the age group coached as well as the first aid. 3) Coaching principles and the rules and strategies of the sport.
13. Because of the powerful potential of sports as a vehicle for positive personal growth, a broad spectrum of school sports experiences should be made available to all of our diverse communities.
14. To safeguard the health of athletes and the integrity of the sport, school sports program must actively prohibit the use of alcohol, tobacco, drugs and performance enhancing substances, as well as a demand compliance with all laws and regulations, including those related to gambling and the use of drugs.
15. Schools that offer athletic programs must safeguard the integrity of their programs. Commercial relationships should be continually monitored to ensure against inappropriate exploitation of the school's name or reputation. There should be no undue influence of commercial interests. In addition, sports programs must be prudent, avoiding undue dependency on particular companies or sponsors.
16. The profession of coaching is a profession of teaching. In addition to teaching the mental and physical dimensions of their sport, coaches, through words and example, must also strive to build the character of their athletes by teaching them to be trustworthy, respectful, responsible, fair, caring and good citizens.

## DEAR PARENTS.

The role of the parent in the education of students is vital. The support shown at home is often manifested in the ability of the student to accept the opportunities presented at school and in life.

There is a value system — established in the home, nurtured in the school — that young people are developing. Their involvement in the classroom and other activities contributes to that development. Trustworthiness, citizenship, caring, fairness and respect are lifetime values taught through athletics. These are the principles of good sportsmanship and character. With them, the spirit of competition thrives, fueled by honest rivalry, courteous relations, and graceful acceptance of the results. As a parent of a student-athlete at our school, your goals should include:

- Realizing that athletics are part of the educational experience, and the benefits of involvement go beyond the final score of a game;
- Encouraging our students to perform their best, just as we would urge them on with their class work;
- Participating in positive cheers that encourage our student-athletes, and discouraging any cheers that would redirect that focus - including those that taunt and intimidate opponents, their fans, and officials;
- Learning, understanding, and respecting the rules of the game, the officials who administer them and their decisions;
- Respecting the task our coaches face as teachers, and supporting them as they strive to educate our youth;
- Respecting our opponents as student-athletes, and acknowledging them for striving to do their best; and
- Developing a sense of dignity and civility under all circumstances.

You can have a major influence on your student's attitude about academics and athletics. The leadership role you take will help influence your child, and our community, for years to come.

## WHAT IS PURSUING VICTORY WITH HONOR?

"Pursuing Victory with Honor" came about through the Arizona Accord Conference, where major sports and educational leaders met in Scottsdale, Arizona, to discuss the ethical and character-building aspects of athletic competition, with the hope that the framework of principals and values set forth would be adopted and practiced widely. The Josephson Institute of Ethics, CHARACTER COUNTS! Coalition and the United States Olympic Committee convened the conference on May 12-13, 1999. Invited to attend were 50 major sports leaders, including Jim Naber, coaching legend John Wooden, NBC Commentator Bob Costas, CIF Director Jack Hayes, college and university presidents, collegiate coaches and athletic directors from major universities, Olympic coaches and athletes, representatives of the national sports media and national youth organizations.

The CIF unanimously adopted the principles of "Pursuing Victory With Honor" at its November 5, 1999, Federated Council meeting, consisting of educational leaders representing California's 1263 high schools. The CIF recognizes the impact that high school athletics can play in society and is committed to the character-building goals of the program. In fact, the CIF felt so strongly about the 16 principals of the program that these have been made the operating principals of the organization.

Together, the CIF and its member schools can change the very nature of high school athletics and bring back the character, sportsmanship, ethics and integrity that high school sports can instill.
