A Christian
Brothers
Ambassadors

*"You are Ambassadors and Ministers
of Jesus Christ."*

- De La Salle

Dear Friends,

“You are Ambassadors of Jesus Christ...”

St. John Baptist de La Salle

The mission of the Christian Brothers is distinguished by the call of the Spirit and the charism of our Founder, Saint John Baptist de La Salle. The excellence of the Brothers' schools is based upon the academic achievement, spiritual development and personal growth of every student.

Christian Brothers High School offers a challenging curriculum with a college preparatory emphasis. The School is coeducational and provides opportunities to all students, respecting their individual dignity and human advancement. All professionals affiliated with the School, Christian Brothers, Mercy Sisters, and the Lay Personnel who form the Lasallian community minister to each student with special concern for those most in need. Through our commitment to Christian Education of the highest quality, we seek to teach students to develop as persons called to a life of love and responsibility to God and his people.

We acknowledge you as an AMBASSADOR in our ministry to young men and women. Our tradition of excellence is strengthened by your support of Christian Brothers High School. You make possible educational opportunities for many who may lack the financial abilities, and who, without your assistance and concern, would be unable to receive a Christian education. Your generous gifts support us in providing a quality education for the students entrusted to our care.

As members of the Lasallian community, we truly appreciate your loyal support and know that you stand with us as a partner in our mission. We value your special friendship and your belief in us. We are proud to honor each of you as our AMBASSADOR.

The Ambassadors Club of Christian Brothers High School recognizes members of the Christian Brothers family who have demonstrated their devotion to continued excellence and the maintenance of high standards at Christian Brothers.

Membership in the Ambassadors Club is awarded each year to those who contribute \$1,000 or more annually.

Christian Brothers High School gratefully thanks every donor listed for their continued support.

Brother Bertram Society

The Brother Bertram Society is made up of persons and couples who have mentioned Christian Brothers High School in their estate planning programs. Some have done this through bequests and some through trusts, but all have remembered Christian Brothers in their plans.

Brother Bertram Coleman was one of the most well known and respected religious leaders in Northern California. In addition to being the Principal and Director of Development at CBHS, Bertram was the Provincial – Brother Visitor – of the District of San Francisco, De La Salle Institute. We named this bequest program in Bertram's honor.
