AUCTION 2007
SET SAIL FOR ITALY ABOARD THE S.S. FALCON
MARCH 10, 2007

March 10, 2007

Dear Family and Friends of Christian Brothers High School,

Welcome to our exciting tour of Italy! Thanks go to our many volunteers who have done a remarkable job searching out wonderful gifts, dinners, trips and food for your enjoyment. And a big *Grazie Infinite* to our Sponsors, Advertisers and donors for your very generous support of the Auction and CB. With clever slight of hand, our gym has been transformed into a reminder of a visit to Tuscany, along with the Italian fare to accompany it. If you listen closely, you may hear the happy lilt of an accordion.

Enjoy yourself tonight in our Christian Brothers community with fellow parents, grandparents, alumni, faculty and others who support our efforts to raise and educate our children in the Lasallian tradition. Everyone is here tonight because they all share your commitment to helping our kids be their best. So have fun bidding high and often on the items of your choice, knowing that your generosity enables us to continue the important work of Catholic education in our community.

AWARD-WINNING LANGUAGE SOFTWARE TELL ME MORE®

Ami

At tonight's auction, you will have the opportunity to fund an important addition to our Foreign Language Program.

Christian Brothers High School offers French, German and Spanish classes from beginner through the Advanced Placement level. All students are required to fulfill a foreign language requirement and currently 758 students are enrolled in foreign language courses. With colleges and universities strongly recommending that students enroll in a minimum of two years, preferably three, of foreign language study, helping students succeed is vital.

To enhance language learning through the use of technology, we would like to purchase the award-winning language software Tell Me More® to support all three of the languages taught at Christian Brothers. The program centers on developing the specific skills needed to succeed in learning a language including: reading, writing, listening, speaking, vocabulary, grammar and culture. This software offers more hours of content, in a wider variety of activities and skill levels, than any other program available. It will be available to all students before and after school and to individual classes on a rotating basis.

During the live auction, Jack, our auctioneer, will ask for those of you who will pay \$25 toward the purchase of the new software to hold up your bid card. Jack will then ask those willing to pay \$50, \$100, and \$250 or above. All you have to do is hold your bid card in the air at the amount you wish to pledge until your bid number is read by Jack. The amount you indicate will be charged to your auction account and you may pay that amount along with your auction purchases. You may hold your bid card up at more than one amount if you wish.

We appreciate all of you who come to our auction and are so generous in your bidding.

Cost of this award-winning software to support three languages at all learning levels:

Step Into a Healthier Lifestyle at the Go Red For Women Luncheon

We cordially invite you to attend the Go Red for Women Luncheon on May 18, 2007. This popular event inspires women of all ages to become champions of health. The half-day program features speakers, workshops, and activities designed to help women understand and take charge of their risks for cardiovascular disease, the leading cause of death in women over the age of 25.

This informative and fun-filled day will feature passionate speakers, a heart-healthy lunch, health screenings, educational seminars, a health and beauty boutique, a fashion show, and a fabulous prize drawing. Funds raised will support medical research and education for women's heart health.

Keynote Speaker: Dr. Maxine Barish-Wreden, Medical Co-Director, Sutter Women's Health Program

Mistress of Ceremonies: Jennifer Smith, News 10

Event Chair: Jane Einhorn, Senior Vice President, Runyon Saltzman & Einhorn

By raising awareness of women's heart health, we're saving lives. To reserve your table or to purchase individual tickets, please contact Miriam Bernstein, Corporate Events Director, at miriam.bernstein@heart.org or (916) 446-6505.

Do it for your heart, or the heart of someone you love!
