# Classes of 1970

## 20 - Year Reunion 1970 - 1990

For us, the reunion was the success we had hoped it would be. We have been left with even more wonderful memories. It was great seeing everyone again and reminiscing our past years. We hope that you have been left with these same feelings. The fun and excitement of our party atmosphere was well worth the twelve months of planning and attempts to track down our classmates.

We'd like to thank you for being there and making the evening so tremendous. We hope you will keep in touch and let us know if you move or what you'd like for the next reunion! Yes, we're already thinking of the next reunion!

**Back L - R:** Michael Parilo, Al Franzoia, Terrance Flynn, Michael Hardin and Richard Cabral.  
**Front L - R:** Peggy (O'Connell) Beveridge, Steve Flannery, John Caselli, Inez Guzman and Beth Leonard.
