## Women's Soccer Wins Back-to-Back League Titles

CB's women's soccer team won its second consecutive league title going 7-2-1 in Capital Valley Conference play. Mari Cuevas '13, Ashlee Difuntorum '11, Haley Hatfield '11, Ellisa Munoz '11 and Jessica Small '11 were named to the CVC's 1st team. Shelby Stewart '11 and Maddy Walsh '12 received honorable mention.

"I've been lucky to have some really talented players these past few years," says Jacob Hunley '96, varsity coach. "Haley and Jessica will be playing in college (CSU Bakersfield and CSU Northridge) and the rest of the team just fought hard for every win. Maddy Walsh, a 2010 1st team selection, battled back after a pretty serious ankle injury and a concussion to earn an honorable mention this season. Even more impressive is the fact that these girls worked just as hard in the classroom with a collective GPA above 3.1"

## Men's Tennis Captures 1<sup>st</sup> League Title in 24 Years

For the first time since 1987, CB's men's tennis team won a league title going 10-0 in Capital Valley Conference play. Jonathan Limhengco '12 was named the CVC Most Valuable Player. Winston Limhengco '14 and Ryan Peabody '12 were named to the CVC 1st team. Connor Santana '11 kept his winning streak alive with a full three years of undefeated play in league matches. He will be putting down his racquet in the fall, though, as he heads off to the U.S. Military Academy at West Point.
