

Some things live in
our hearts forever.

Community • Friendship
Growth • Connection • Tradition
Faith • Values • Pride
Gratitude • Service

You are part of the heartbeat of CB.

You feel it when the drum line leads a team onto the field on a crisp autumn night.

When the choir sings in uplifting harmony at a Christmas concert.

When a sea of graduates in blue robes raise their hands for the Lord's Prayer at Baccalaureate Mass.

When you exchange "Go Brothers!" with a stranger in the grocery store.

That's CB Pride. It runs deep.

TUITION ASSISTANCE

CB leads the region in tuition assistance, distributing over \$3.7 million in need-based assistance this year alone. More than a third of CB students receive need-based scholarships. 7% of our students are from families below the poverty level. Our commitment to tuition assistance defines this remarkable community.

FORMING TOMORROW'S LEADERS

Enter to Learn, Leave to Serve. It is more than a slogan. Virtually 100% of CB students participate in service to the community. An impressive 82% report continuing their service to the world in college. Their hours of service represent lessons learned in commitment, leadership, and dedication. Tomorrow's leaders are being formed today as young men and women of character and empathy.

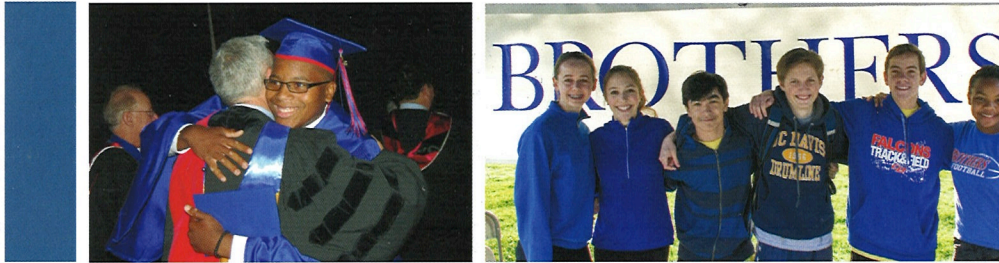

SUPPORTING STUDENT SUCCESS

99% of our graduates go on to attend college, equipped with the tools they need to succeed. CB offers educational supports for students of a broad range of academic abilities and learning styles. For low income students, CB offers unmatched educational opportunity that can break the cycle of poverty. Our graduates are changing the world as doctors, researchers, educators, social workers, and ethical, moral people in every profession.

INCLUSIVE COMMUNITY

One of our core Lasallian pillars, diversity is our strength. Our hope is not to be a reflection of the world, but rather a leader to the world. Several years ago, CB launched an ongoing Diversity and Inclusion Initiative to face issues, and seek healing. We strive to grow as a community, to live more fully the values to which we aspire.

CARING AND DEDICATED FACULTY

CB faculty and staff view their work as a vocation, not just a job. They are outstanding educators who form lasting and caring relationships with students, living the Lasallian call to touch the hearts and minds of students entrusted to our care. The caring and authentic relationships between teachers and students is the hallmark of Lasallian education.

TRADITION AND HERITAGE

CB was founded in 1876, by a group of dedicated and visionary Brothers. Our Lasallian heritage links current students and generations of alumni, all the way back to the founding of the *Institute of the Brothers of the Christian Schools*, 300 years ago in France.

We are united in the prayer that rings out many times on campus daily.
**St. John Baptist de La Salle, pray for us. Live Jesus in our hearts,
Forever.**
