# ARMSTRONG

*Dear Students:*

You are sharing the fine traditions and training of Bishop Armstrong High School. Four communities of religious, augmented by a lay faculty, have worked together to share with you a heritage of Faith and knowledge, to which they have dedicated their lives.

In the years to come, the program of Bishop Armstrong High School will change in order to serve an ever increasing number of Catholic young men in the Sacramento area. We will hasten to provide new facilities for the girls. This will be accomplished only with sacrifice in order that our Catholic young people may have the best we can provide for them.

My blessing and best wishes to the Senior Class who are completing their years at Bishop Armstrong High School. May God be with you in the years ahead and Our Blessed Mother protect you always.

Devotedly in Christ,

*+ Alden J. Bell*

# ADMINISTRATION

Brother Eugene, FSC  
Boys' Principal

*Dear Graduates:*

It is the sincere prayer of the administration and faculty that your two years at Bishop Armstrong High School will mean more to you than a pleasant memory and that your diploma will be of greater significance than a mere certificate of graduation.

We pray that you leave Bishop Armstrong High School imbued with its philosophy — with a hierarchy of values, religious and moral, intellectual, esthetic and civic.

We pray that these will be real values, values that will guide your every action as Christian citizens of your communities.

*Brother Eugene*

Brother Eugene

*Dear Graduates:*

Upon graduation not only do the senior girls leave Bishop Armstrong High School campus, but members of the entire girls' department join the senior exodus. In the school year of 1964-65 the girls and their faculty will be located on a new campus. During the past eight years we have shared with the boys' department valuable experiences, profitable curricular planning, and rewarding extra-curricular activities. We take with us happy and cherished memories of Bishop Armstrong High School.

Graduates of 1964, your teachers and fellow students congratulate you and pray for you. May your lives reflect the aspirations and ideals imparted to you. May you have the courage of your convictions.

Alberta -

Knowing you this year has  
made school much more  
enjoyable. I really hope that  
we can do things together this  
summer. I'll come see you and  
you can come visit me while you're  
summer shopping at McClatchy.

- Maybe someday you'll get some  
passes like me ---! I'm  
glad you like them though.  
I hope you'll always  
be happy - never be lonely and  
that you (and Rick) get to heaven  
let's keep in contact though  
the years cause I like you! :)

Sincerely

Your mentally distraught  
chemist & historian,

Harold

Alberta,  
 I hope that the future will be as bright for you as your present is. You always manage to have a smile on your face and in the strain of this school that's a real good kid and deserving whatever you get. (I mean of course the best). Good luck in the future and may God always bless you. Love,

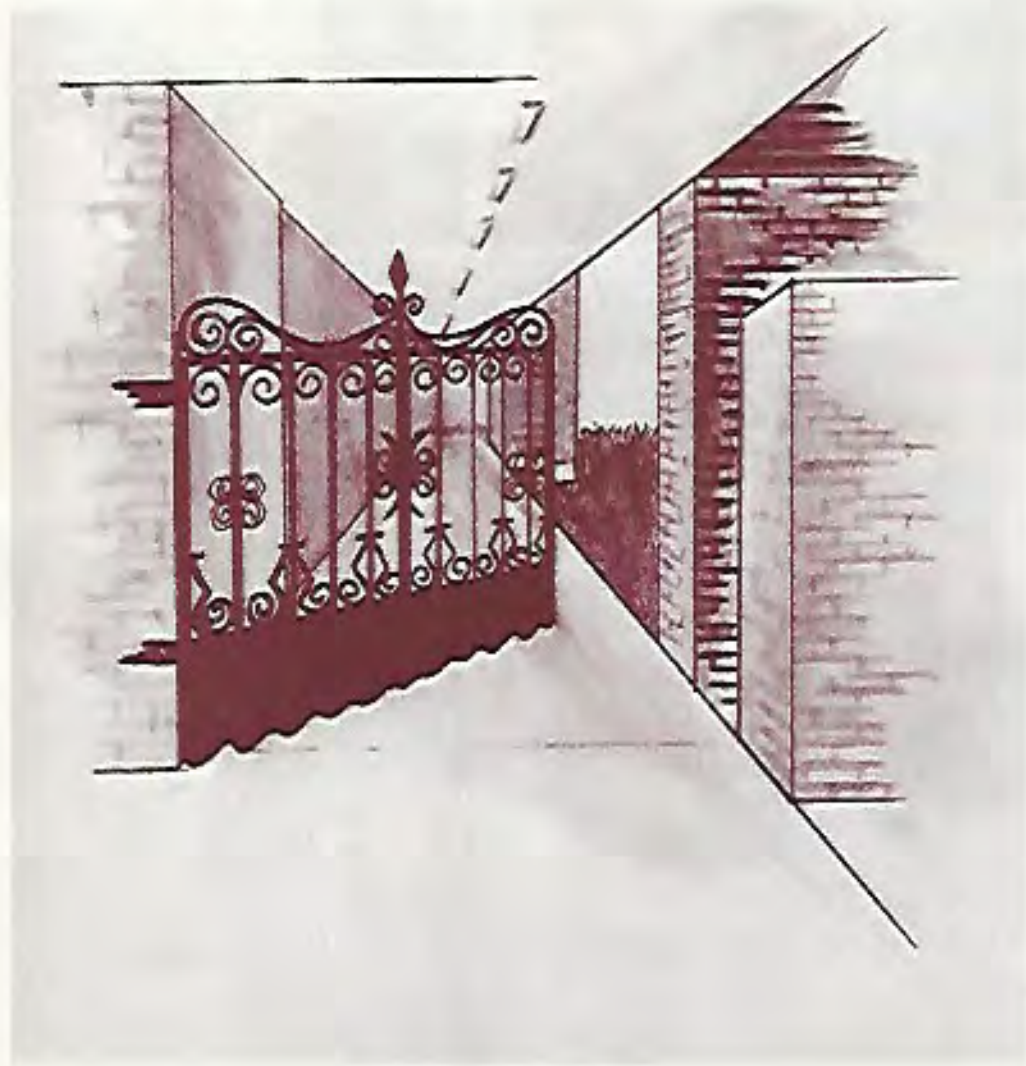

Don Peterachmitt

P.S.

Don't let your Dad cut your hair again until he sticks to me.

First semester Student Body officers are left to right: President Mike Laurendeau, Secretary Joan James, Treasurer Dave Tafoya and, seated, Vice-president Maurcen Fox.

## First Semester

Our student government forms an important relationship between students and faculty. It gives valuable assistance to both groups and creates greater harmony throughout the school. One of the principal aims of our student council is to foster an increased interest and participation of the students in the different phases of school life—study government, sports, and social activities. Through this varied participation comes a deeper spirit, the moving force of a school.

LILLIEANNE GEMIGNANI

We stood on the green wet grass before the statue of Our Lady. The sun shone down and the scent of clover filled the air. Mike bowed his head, we prayed, and we were one . . .  
PATTY DAVALOS

I'll miss the kindness and the friendly attitude of the students and faculty . . .  
MARRYAN ZUPAN

I'm thankful for my opportunity of attending Bishop Armstrong where I have  
learned many things, thereby preparing me for the future . . . JULIE JOYER

Newspapers and news programs were dull for me until I came to Armstrong; but  
here, especially through Sister Monica, Miss Simpson, and Pat Esgro, current affairs  
were given a spirit that draws my wide-awake interest . . . ROSE LUTHER

I know I can say Bishop Armstrong has made me a better person; it would be  
wonderful if I could say Bishop Armstrong is better because of me . . . PAT

Appreciating the faculty isn't hard when we see how they're always willing to go

seem elementary to her . . . KATHY SELENSKI

There is only one consolation in leaving Armstrong: we have the privilege of being

## Falcons ambush Apaches, 13-6

THE SATURDAY AFTERNOON SUN smiled on Armstrong's first football victory of the year. Encina held a big edge in statistics but BA had the most points.

Encina scored early in the third quarter. Falcon Mike Monroe took the ensuing kickoff, started up the middle, cut to his right, got two key blocks, and sped all the way—85 yards—for a touchdown. In the fourth quarter, halfback John Garcia scored from the one-yard line for Armstrong. The Falcon defense shot down the Apaches for the rest of the game, and the team carried a victory off the field.

Monroe (21) tries to wriggle free from Encina defender.

Unidentified Falcon lowers the boom on Apache runner.

Captains Ward (30) and Angell (27) look on as Armstrong loses its fourth consecutive pre-game coin toss.

## Norte "nullifies" Falcons, 13-7

MORE THAN ONE-HUNDRED YARDS in penalties spoiled the efforts of a hungry and upset-minded Armstrong team. Norte's offense was slowed to a walk and their defense could not stop Mike Monroe, who gained over 100 yards rushing for the night. Armstrong's only touchdown came on a sustained drive in the third quarter. It was set up by the running of Monroe and Dave Corral. Monroe carried the last four yards into the end zone and Corral converted. Two promising Falcon drives which penetrated Norte's twenty-yard line were squelched by penalties. Two defensive lapses gave the Dons their two touchdowns and victory.

Coach Sperbeck gives QB Laurendeau a skull session on the sidelines.

Corral threads his way through Dons' defense with help from Hood (22) and Laurendeau.

Garcia (14), convoyed by Hood (22), moves upfield against Norte.

Garcia (14) breaks free for a Falcon first down.

Corral (12) gets away for a long gain against McClatchy.

## McClatchy survives, 14-14

THE LIONS HAD THE ROAR scared out of them by an inspired BA team. It was Armstrong's best game of the year and a solid team effort. McClatchy was lucky to get out alive. The Falcons defense shut off the vaunted Lion offense except for two long "bombs" that gave the Lions 14 points. Armstrong pushed six touchdowns across the goal line, but only two counted as penalty flags again marred the scene. Great running by Dave Corral moved the ball to the Lion three in the third period. Mike Laurendeau then carried it over for the score, pitched a 14-yard TD in the fourth period to put BA ahead, but McClatchy scored again. The game ended with the Falcons on the Lion 15-yard line.

Monroe (21) skirts right end for a gain on an Armstrong touchdown drive.

Coach Linton (behind official) and Falcons on the sidelines watch as Armstrong gains a first down.

Noya clamps the lid on a Sacramento Dragon—but good!

## Dragons sing Falcons, 12-0

THE FALCONS SAW THEIR OFFENSE short-circuited by a stubborn Dragon defense, bad breaks, and ever-present penalties. Armstrong found it rough going right from the start. Several potential drives were stopped on account of fumbles and interceptions. The greater firepower of the Dragons prevailed to the bitter end, as they cinched the final victory, 12-0.

Garcia catches aerial despite the protests of two Dragon defenders.

# GASLIGHT REVIEW

Highlighting the first semester of the school year was the *Gaslight Review*, a two-hour production of nostalgic songs and melodies presented by the choral group and other students under the direction of Mr. Anton Dorndorf.

The original handling of lighting and props by Brother Claude added to the atmosphere reminiscent of the Gay 90's.

The *Crest* wishes to extend sincere appreciation to Brother Paul for his diligent direction of the show.

Alberta - I'm signing here, because you didn't leave me  
any room in the back - Not anyway, it seems funny  
that after all the years I've known you and  
everything we've been through together that I should  
write now and tell you how much I've appreciated  
your sweet, kind, nice, beautiful self (don't think you  
need more adjectives). You know as well as I do that I  
would never have made it this far without your  
advice and consolation, etc (run out of adj, again) So  
continue - I don't know what's going to happen  
after next year or when we'll see, but if I ever  
should lose contact (and I mean class contact)  
with you, I think I would die a little. There  
always been a crush for you Alberta, but I've  
been in and out of romance so many times I can't  
keep track and I'm always needed you  
in a sense (know what I mean?) But keep your chin  
up cuz I won't become one of your dependents (Ha-Ha,  
don't ever worry about me, I'm always here that  
way. I may be a little foggy and unresponsive to you,  
but that's just because things aren't clear to  
me right now. But don't ever worry about my  
morals or thinking changing, because they can't.  
Take me or leave me, kid! I don't have to  
tell you about all the fun things we've done  
together, like Sobral, but we also have met  
some wonderful people together, huh Alberta?  
Patty Sera and Sony and Sue Thomas are  
beautiful people, huh? You're awfully lucky to be  
living near school next year, Albie. I envy you  
so-o-o much, but don't worry, you can always

depend on me or Paddy to get you away from me  
all. You know I wish the very best with Rick  
I always will. This thing with Guy won't last  
you know that as well as I  
~~But~~ you'd better be around  
when he drops me so I can cry on your shoulder.  
Get prepared, it's going to be soon! Unless that's  
all about it or not. See you around school or  
home and church and  
play and  
means that

HOW MANY "GOOD-BYS" WILL BECOME PART OF YOUR GRADUATION?

# Weinstock-Lubin

*You might say the whole of Life consists of saying "good-by" . . . but never more so than when we actually finish high school! For this is the time we put away "the things of a child" and choose our place in this constantly changing world! May we offer our wishes for success . . . and may we remind you, here is one "good-by" you need never make . . . for both W-L's will continue to serve you, through the years, in the same fine tradition since 1874!*
