DICK SPERBECK, head football coach at Christian Brothers High, has guided the Falcons to a 46-10-3 overall mark in the last six football seasons. Last year, he directed them to a 9-2-1 finish, the Metropolitan League crown, the runner-up spot in the Capital City Championship Playoffs, and No. 5 ranking in the Sac-Joaquin Section. His grid teams have finished first three other years in the Metropolitan League in the last six seasons, having only lost two league games since 1969. Christian Brothers have not been rated any lower than sixth in Sacramento County during that period.
