

Nathan Browne '00 graduated from the U.S. Naval Academy in May, 2004, with a degree in Systems Engineering and was commissioned an Ensign in the Navy. He earned his Master's Degree in Command and Control Systems Engineering at the Naval Postgraduate School in Monterey, California, in September, 2005. Browne then entered API (Aviation Primary Instruction) at Pensacola Naval Air Station, Florida in October 2005, and was transferred to Corpus Christi Naval Air Station, Texas in November 2006 for primary flight training in the T-34 turboprop aircraft. He completed primary training in September, 2006 and was then assigned to helicopter training at Whiting Naval Air Station, Florida. Nate completed advanced flight training in the TH-57 Jet Ranger and received his Wings of Gold as a Naval Aviator on June 8, 2007. Now a Lieutenant (junior grade) on active duty, Nathan has been assigned to HSL-West in San Diego, California, where he will fly the SH-60 Seahawk helicopter.
