Centennial '76

The Christian Brothers school year was officially opened with the celebration of the Liturgy of the Holy Spirit, signifying, as the Centennial Mass, 100 years of tradition. A century of service, incorporating religious and academic education, has benefited the Sacramento community as the school hopes to continue in its efforts to produce young Christian citizens.

The special significance of the 1976 School Year is an occasion which calls for celebration. Perhaps more important than anything else, those who are living elements of Christian Brothers High School, both past and present, can stop and reflect upon the past.

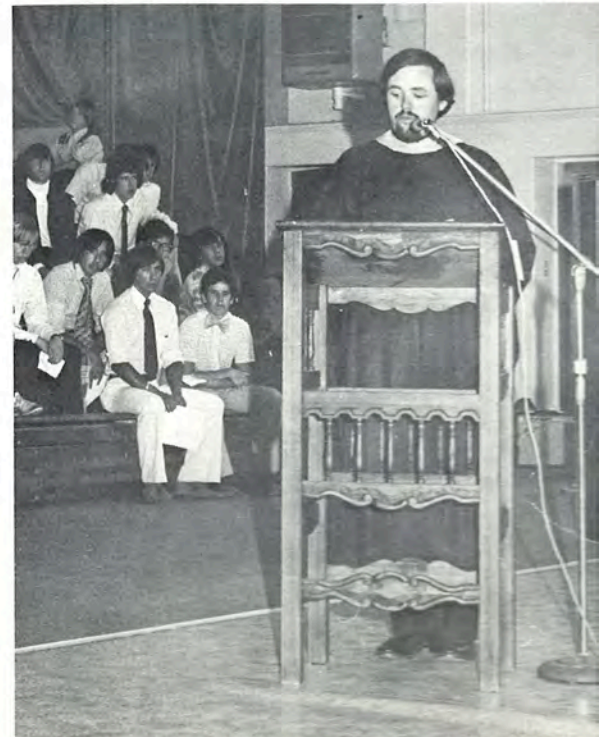

At this point, one expresses joyful recognition that an institution promoting a special philosophy in education has withstood the test of time. This type of private establishment is indeed a witness to its supporters, without whom it would cease to exist.

It necessarily follows that we as students should pay homage to the productive efforts of the Christian Brothers, teachers, administration and parents. Throughout the year, a series of successful events have painstakingly been planned, prepared, and successfully carried out.

Thanks to the talent and skills of the hardworking and caring individuals, Christian Brothers High School can look forward to a fruitful existence in the future. Needed support which has been fulfilled reaps its reward in a twofold manner.

Sacramento Community recognize Christian Brothers as an institution of distinction in the educational endeavor. As we, the students, have received this school's many benefits, so let us devote ourselves to like endeavors.

Financially, the school is allowed to continue, but more important, a spiritual support is present, without which the school would never have been formed.

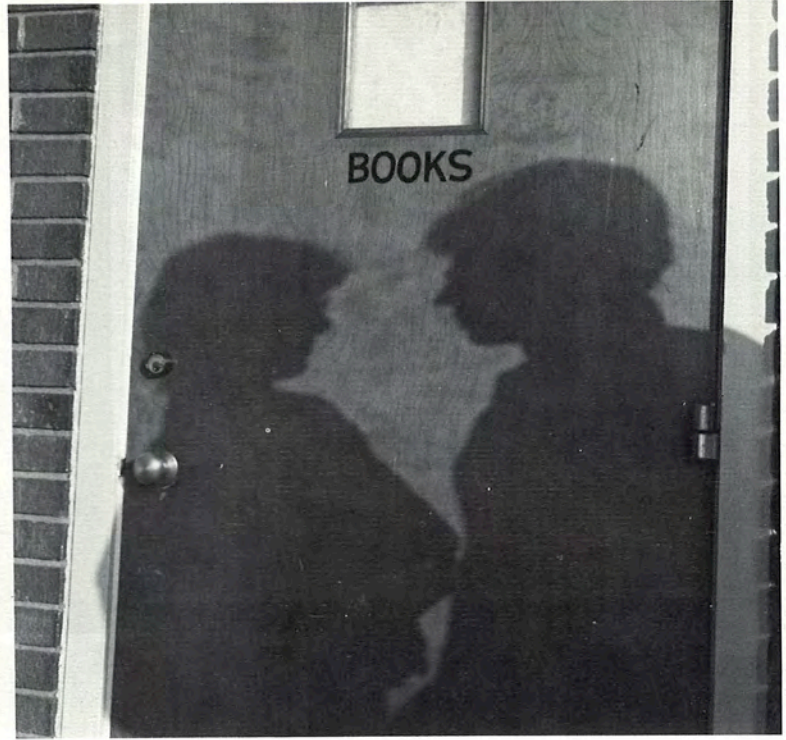

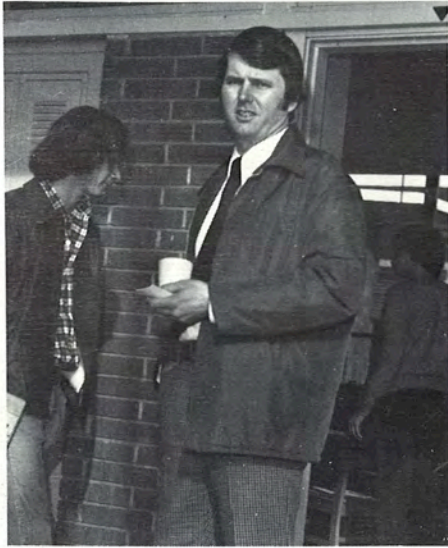

Centennial celebration included such events as the Centennial Ball, Alumni Dinner, Civic Liturgy, and Banquet at the Sacramento Community Center, and various other functions — culminating with the 100th Annual Baccalaureate and Commencement ceremonies.

Dear Students and Friends:

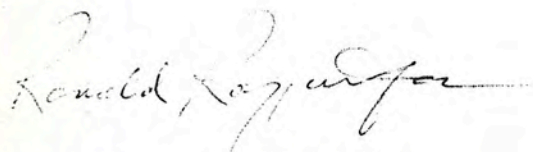

This is an opportunity to welcome you to the Centennial celebration of Christian Brothers High School. As the United States celebrates its Bicentennial, Christian Brothers celebrates its Centennial celebration of service to the people of the Metropolitan Sacramento Community. This generous service has been possible through the many lay teachers and people of Sacramento who have helped and supported the school from its inception.

Today, CBS continues an educational program that is based on the message of Christ, the inherent dignity of the individual as brothers in Christ, and the need for a thorough liberal education to form the Christian political man of tomorrow.

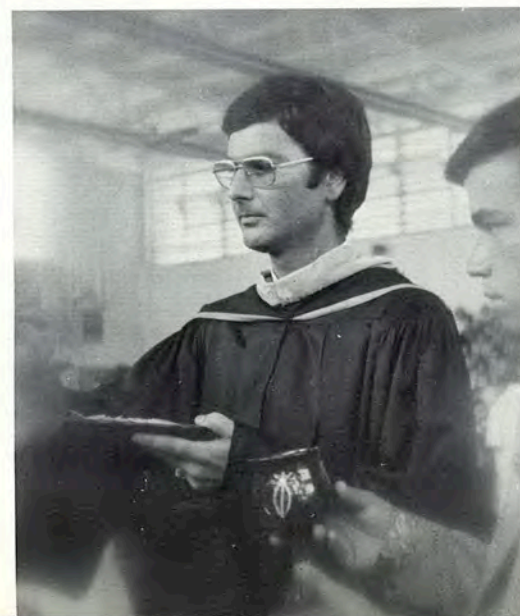

As has been true in the past 100 years, in the present, Christian Brothers is looking forward and planning how better to serve the Church, people and students of the future, while maintaining those principles that have been at the heart of Christian Brothers' education for a century.

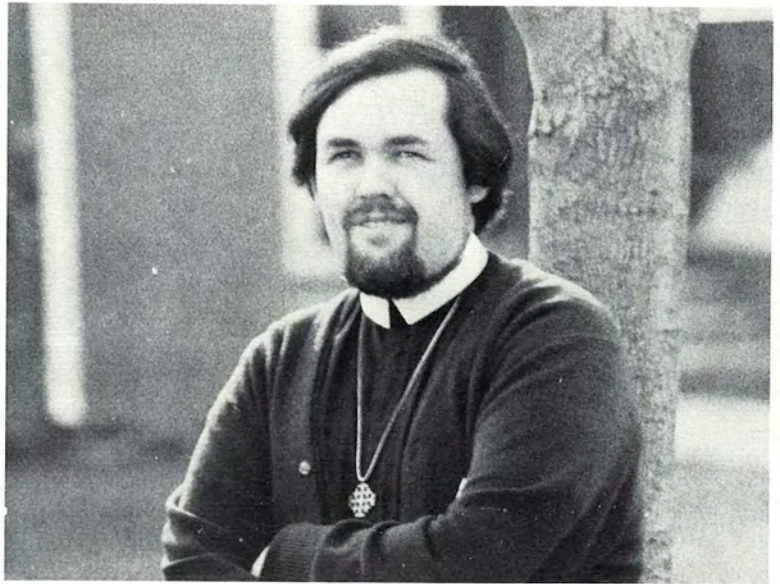

As CBS moves into the second century of service it looks forward to the alumni, graduates and students for continued support and backing. Know that our gift to you has been one of love given freely. May you share and prosper in the spirit of this love.

Yours,

CIRCLE GAME - - Joni Mitchell

Yesterday a child came out to wonder
Caught a dragonfly inside a jar;
Fearful as the sky was filled with thunder
And tearful at the falling of a star.

And the seasons, they go round and round,
And the painted ponies go up and down.
We're captive on a carousel of time;
We can't return, we can only look
Behind from where we stand
And go round and round and round
In a circle game.

Sixteen springs and sixteen summers gone now,
Cartwheels turn to car wheels through the town;
and they tell, take your time - - it won't be long now,
'til you drag your feet to slow the circles down.

Years have passed and now the boy is twenty.
His dreams have lost some grandeur and some fame.
But there will be new dreams
Maybe better dreams and plenty
Before the last revolving year is through.

Command Performance

A lone spotlight hit Stuart Gilliam, Master of Ceremonies for the Homecoming Night Rally, as he introduced such acts as: the Varsity and J.V. Cheerleaders, the Bishop Manogue Drill Team, Joe Ferreira's award-winning skit, and the Band. He also presented the Princesses. Afterward, the Senior Pizza Feed.

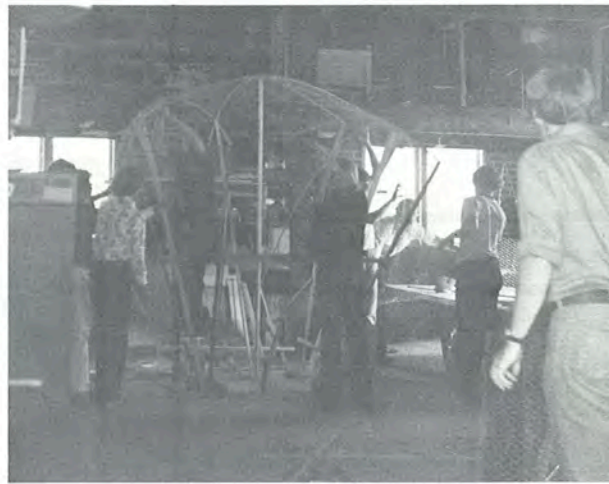

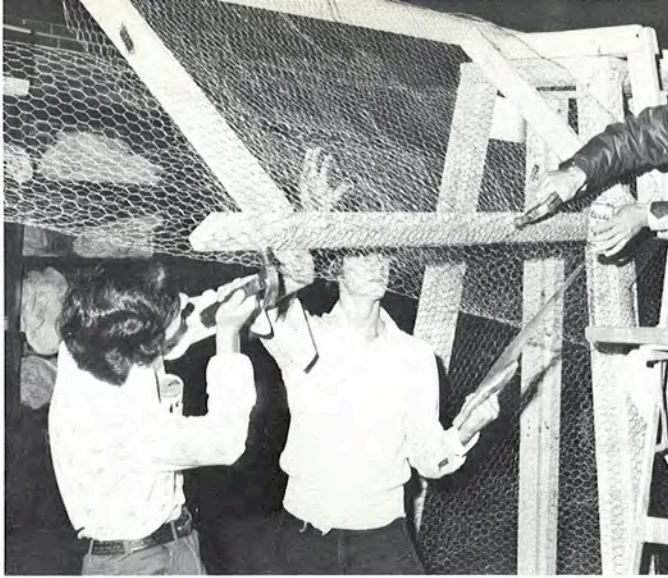

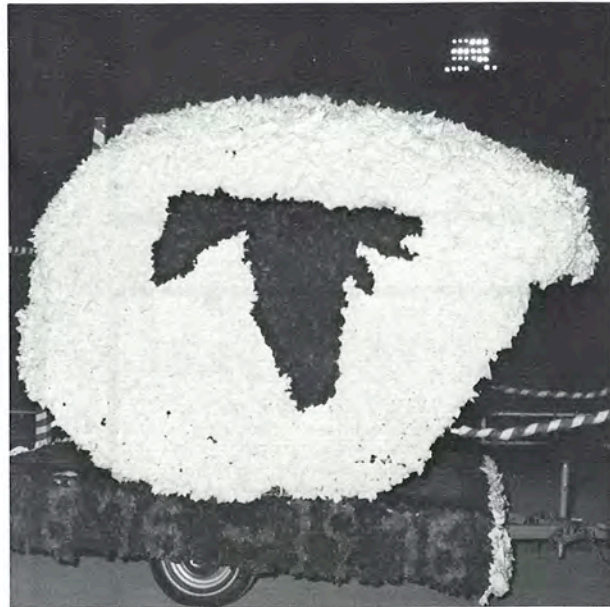

For the first time in many years, floats dominated the Homecoming Game's halftime. The Frosh float displayed the three C.B. schools, and won the "Best Use of Centennial Theme" award. The Soph float depicted the inevitable victory of the C.B. Falcons over the Hiram Johnson Warriors.

Showcasing 100 Years

The "Best Construction" award went to the Junior's for their colossal football helmet. The Senior float, known affectionately as "Hoy's Big Bird," was the Grand Prize Winner.

Messages from

Mr. Papin
Science Club

"This year the motto for the Science Club was "Science is Fun". This was proven to be true when the club had its largest membership ever."

Mrs. Meuser
Talon Newspaper

"Under the leadership of three Senior editors, the Talon has this year gained stature as a monthly, eight-page paper with reader interest. The Talon should continue to be the "Voice of the Students", expressing clearly and critically ideas and opinions of the students on issues of importance to them and our community."

Mr. Corrigan
Band

"I am quite satisfied with the improvement and accomplishment the Band has attained this year. But, I am conscious of how much more could have been accomplished and can be accomplished in the future. If the students ever become aware of the correlation between effort and achievement, my dreams will be realized."

Br. George
Chess Club

"Long lunches have frequently been made a little better by the opportunity for students to do a little "mind playing" with others in a game of chess. Room 103 has had anywhere from 8 to 50 people playing chess. All seem to have enjoyed themselves and so did I."

Mr. Auman
C.S.F.

"During the 1975-76 school year, the C.S.F. did not choose to undertake any major activities. As individuals, however, the members carried much of the burden in an eventful Centennial. Thus the purpose of the organization has been fulfilled through recognition of the achievements, both scholastic and co-curricular, of many deserving students."

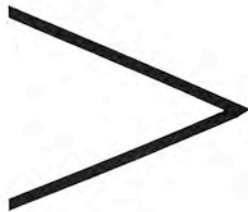

Mr. Quontamatteo
Pep Club

"Being the Moderator of the Pep Club has been a new experience for me. I have to prompt students to do things for the school and to allow them freedom to do the activities themselves. Achievement of this balance is often difficult but is worth striving for."

Moderators

Mr. Fletcher
Block C.B.

Br. Terryl Jones
Yearbook

"I would like to acknowledge the many good things that can and do happen among a community in a year's time. I am proud to have participated in the Yearbook endeavor, a genuine service."

Mrs. Montgomery
Maya Club

"I would like to congratulate and to recognize the organization for its productiveness which made this a successful year. I found it most rewarding coming together to promote interest and pride in the cultural heritage of the Mexican-American. I look to the future of the club with promise."

Fr. O'Kelly
Folk Mass Group

"This voluntary organization has taken on the responsibility of providing music at Student Body masses. Unfortunately, the group will lose its Senior musicians, but I am confident that new members will step forward for the 1976-1977 school year."

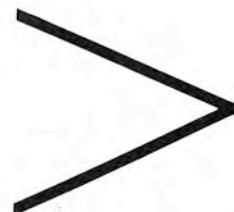

Br. Tom Westberg
Student Council

"The Centennial Year has been most gratifying for me, having been able to work with a congruous student council and in particular a strong team of executive officers who I have seen grow into responsible leaders able to accept setbacks and most important possess the ability and talent to direct a school into ACTION."

He was born in an obscure village, the child of peasant parents. He grew up in another obscure village. He worked in a carpenter shop until He was thirty, and for three years He was an itinerant preacher. He never wrote a book. He never held

an office. He never owned a home. He never had a family. He never went to college. He never travelled 200 miles from the place where He was born. He never did one of the things that accompany man's idea of greatness. He had no credentials but Himself. While still a young man the tide of popular opinion turned against Him. His friends ran away. Some of them denied Him. He was turned over to His enemies. He went through the mockery of a trial. He was nailed to a cross between two thieves. While He was dying His executioners gambled for the only piece of property He had on earth—His coat. When He was dead He was taken down and laid in a borrowed grave. Nineteen centuries have come and gone and today He is the centerpiece of the human race and the Leader of the

column of progress. All the armies that ever marched and all the navies that were ever built, and all the parliaments that ever sat, and all the kings that ever reigned, put together have never affected the Life of man upon earth as powerfully as has that

Take It To The Limit

You can spend
All your time making money
You can spend
All your love making time
If it all fell to pieces tomorrow
Would you still be mine?
You know I've always been a dreamer
Spent my life running 'round
And it's so hard to change
Can't seem to settle down
But the dreams I've seen lately
Keep on turning out
And burning out
And turning out the same
So put me on a highway
Show me a sign
And take it to the limit
One more time.

Athletics played an important part in the sophomore activities. Intramurals were successful because even if you played on a team with a losing record you still had fun. In the league sports athletes were treated like celebrities. Even the people on the lesser known team sports.

The state of being one's self is rare in young adults. Yet as classes resumed, young men began to find their behavior affecting their outcome in life. A person in control of the soon to be man is one who is aware of what goals lie behind the door of Mystery, and who finds that the key is the understanding of the Humanities.

As we depart upon a new journey this fall, we can now look back at our accomplishments. The Sophomore section has tried to show a progression of the mind through its content. The Sophomore experience is one of attempting to organize the knowledge gained from our experiences, and using this knowledge to come to a new understanding. We must now consider the future and build upon the skill we have acquired.

Top Row, left to right: Rich Henning, John Goff, Robert Valdez, Br. James Urhausen, Steve Bruce, Steve Alves, Ted Kagianas, Walter Lott, Derek Monteiro, Robert Ruble.
Bottom Row, left to right: Tom McNamara, Mike Cook, Marty Crandall, Fran Hatch, Frank Felix.

Comprised of many unique and unbending personalities, the Sophomore Council is to be credited with initiating and maintaining a practical approach to governing the many Soph activities throughout the year. Inspired by the genuine enthusiasm of their moderator, Br. James Urhausen, co-Presidents Frank Felix, John Goff, and staff successfully fulfilled their purpose of representing all Sophomores on the Student Body Council, and skillfully executed the all-too-soon forgotten detailed management of their class contribution to that kind of spirit for which Brothers is famed.

In 1876 Archbishop Alemany of San Francisco dedicated St. Patrick's Institute at 12th & K Streets in Sacramento. The new school, later to be called Sacramento Institute, was the result of five years of hard work by Miss Maggie Cunningham and Father Scanlan. Miss Cunningham, the most energetic benefactor of the time, raised the \$24,000 needed to establish the school by going door to door in an effort to bring the Christian Brothers to Sacramento. She was later rewarded for this tremendous accomplishment by receiving Letters of Affiliation with the Institute. The original school had four classrooms with seats for 260 pupils. Br. Cianin, one of the original Christian Brother pioneers to California, opened the doors as first Director-Principal along with his original staff of six Brothers. The first graduating class received their diplomas, 10 months later, in the Assembly chamber of the Capitol with Governor Irwin presiding. Brother Cianin was succeeded by members of his Institute whose names; Sabinian, Genebren, Walter Erminold, and Victor Ambrose . . . are now footnotes in history. In 1896, at the urging of Bishop Grace of Sacramento, the name of the school was changed to Christian Brothers College.

Christian Brothers In Sacramento Since 1876

On July 15, 1876, seven Christian Brothers arrived in Sacramento for the purpose of taking charge of a new school, erected at 12th and K Streets by Father Patrick Scanlan, for the Catholic boys of the city. The following day the institution was solemnly dedicated under the name of Saint Patrick's Institute by the Most Rev. Joseph Sadler Alemany, Archbishop of San Francisco.

ON MONDAY, July 17, 1876, the Brothers began to receive students whose numbers soon reached the 250 mark. A boarding department with an initial population of 10 boys was also maintained.

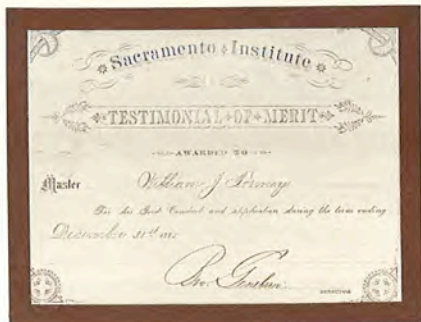

THE NEW school at that time was regarded as the finest building in the city. The seven Brothers who comprised the original faculty were Brothers Cianin, the principal, Alexander, Samand, Patrick, Finton, William and Wendell.

The Brothers dormitory had seven beds with spring mattresses, a bolster and pillow, two pairs of sheets & pillow slips, one blanket & two spreads for each, to which the community had to add a pair of blankets for each brother in the course of a week.

The only classroom apparatus procured were two Franklin globes, a terrestrial and celestial, two dozen blackboard brushes, and two dozen pointers.

Community Record.

In 1903, a new wing was added to the main building at an expense of nearly five thousand (5000) dollars. This addition was a generous gift of Mrs. Bethel of Sacramento, who must be regarded as a benefactress of the Community. She also furnished means to decorate the chapel and donated two beautiful statues, one of the Sacred Heart and the other of the Holy Founder.

BROTHER V. LEO, President

I cannot write in terms too lofty of the Christian Brothers, and the good they have done and are doing with the young of our country. The good they do by the excellent education they impart is not confined to the youth themselves but leavens the whole community and contributes in the most effective manner to uphold order, patriotism and virtue. Generations of young men now in responsible positions all over the land, and illustrating in their lives the grandeur of Christian principles, may call their teachers . . . The Christian Brothers . . . blessed, for them they owe their success.

The years 1920-1929 were one of the more active decades for Christian Brothers in Sacramento. The early part of the twenties were difficult years for the school itself. The old building at 12th & K Streets was in a sad state of disrepair, the property itself had high commercial value and was sold in 1923 to the Weinstock - Lubin Company.

A one year interim period at 39th & J Streets provided classrooms for the pupils while the new CBS was being built at 21st & Broadway. During this one year period teachers and thirty boarding students rode on two buses twice a day from their temporary quarters at 20th & T Streets. The new school at 21st & Broadway saw groundbreaking on February 11, 1924 . . . the cornerstone laid on May 18th . . . and the students in their classrooms as well as Brothers and boarders in their quarters by September 15th. of 1924.

THE NEW SCHOOL PLANT
Through the generosity of the Right Reverend Bishop Keane, D.D. and the added responsibilities which the Brothers have accepted to assume, the new plant will represent the last word in school structure and equipment.
As the institution is not parochial, but of its very nature intended to serve all the parishes, it is confidently expected by His Lordship the Bishop and by the Brothers that our people generally will accord it the support that it has the right to expect and which it urgently needs at this time.

SPECIAL DEPARTMENTS
Besides the high school, there will be classes for primary, grammar, and commercial pupils. Classes in the new plant will be opened September 10. For catalog apply to the Registrar.

Golden Jubilee 1876 - 1926

:: MAKE SACRAMENTO AN EDUCATIONAL CENTER

A Handsome Structure, but too small to meet the demands--The Christian Brothers School, Y and Twenty-first sts., Sacramento, Calif.

HELP BUILD THE BROTHERS SCHOOL BIGGER

A proposed \$60,000 auditorium-gymnasium will answer the needs of youth, who in ever increasing numbers knock at the doors asking admittance, and will—

Double the Capacity, Virtually Giving Sacramento Another Large School

For 50 years the Christian Brothers School has served the cause of education in Northern California. For a half century it has developed character in the youth of all creeds, distinguishing itself as a "Builder of Boys" and a "Maker of Men."

Now this splendid Sacramento institution observes its Golden Jubilee and turns for help in its Golden Jubilee Expansion Program to residents of the great area which it has served for a half century. It proposes enlisting their help with subscriptions—

To construct an auditorium-gymnasium and swimming pool at an aggregate cost of \$60,000, thereby doubling the capacity of the school for an enrollment of 600 boys.

The Brothers School—the only day and boarding school for boys in the Sacramento Valley—increased 100 per cent in enrollment in the past two years. The handsome structure is too small to meet the demands of youth.

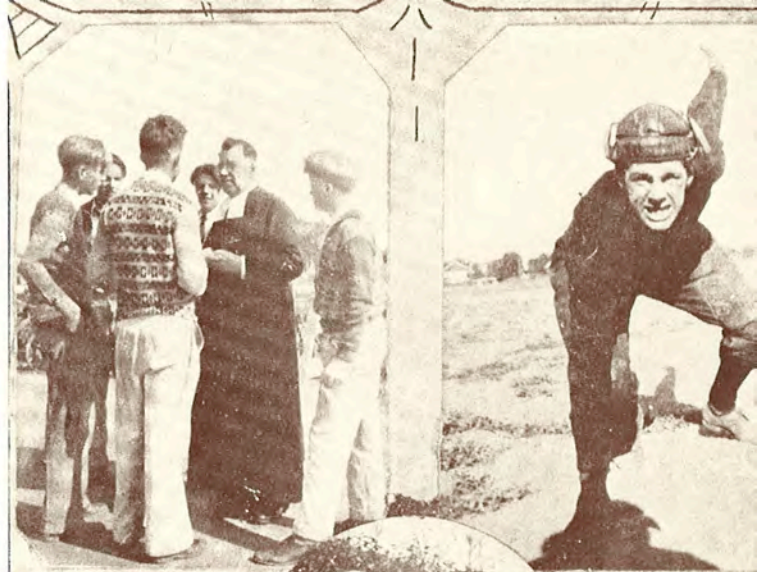

On the 15th of July, 1876, seven Christian Brothers arrived in Sacramento for the purpose of taking charge of the school, built by the Rev. Father Patrick Scanlon and his parishioners, at the corner of Twelfth and K Streets.

Only one of these Brothers is now alive. Brother William, located at the Brothers' Normal School at Martinez, is the surviving pioneer. He is still hale, hearty and in active service.

GOLDEN JUBILEE: Chief among the active workers who aided in the erection of the school was Miss Maggie Cunningham, then an alert, active, dashing young woman. Though an invalid for several years, she is still alive and is as keenly interested in the new school today as she was in the success of the new one established forty-nine years ago. She is now under the constant care of her devoted niece, Miss Mary Doyle, at the Mater Misericordiae Hospital. Ever since the arrival of the Brothers Miss Cunningham has been their good Angel and constant benefactor.

If Providence spares her another year she will witness the golden glory of her early endeavors, as the Golden Jubilee celebration will recall in a vivid manner the courage, endurance and self-sacrifice of the pioneers to whom the present generation owes so much. They sowed the seed; we are reaping the harvest. They worked under disadvantages that we of today can hardly conceive; but we appreciate their heroic deeds, their pluck, their spirit of fearless adventure, their wonderful foresight and their generous sacrifices. The chief purpose of a golden jubilee is to commemorate these things, and we will not fail to celebrate the **Golden Jubilee** of the Christian Brothers, in Sacramento, during the **Year of Our Lord, 1926.**

SENIORS ARE SPONSORS OF NOVEL CARNIVAL

One of the most colorful events since the Ballroom Carnival was presented and sponsored by the Senior Class last Wednesday evening at the Tumbler Club House. This was obtainable only through a Senior class member. This afforded a very select gathering among which were some of Sacramento's most prominent younger set.

Decorations were carried out in yellow and red, with a Duplex as the feature scheme. Huge pictures of "understated" dogs were hung along the walls and each couple present was presented with a small valentine, yet quite comical, rubber board.

During the course of the evening's entertainment, an elimination dance was held whereupon the winning couple were presented with a live

SENIORS COMMENCE WORK ON ANNUAL

Departing from the usual plan of an "elaborate" Annual, the Senior Class of this year will edit two distinct publications. The first, and probably the most popular as far as the school is concerned, is a Real, twenty-page edition of "The Sarrifornian," summarizing the events of the year and giving equal space to each of the high school classes. This paper, the staff of which has not yet been chosen, will carry the usual features of "Graduates," "Literary," "Class" and "Sports," which will make it a small annual in newspaper form.

However,

The second and more elaborate publication is that of "Souvenirs," published exclusively for the Senior Class, and containing only those articles which pertain to it. As the

SOPHOMORE CLASS HOLDS CARD PARTY

The Sophomore card party was held on Thursday evening, February 13th. The purpose of the party was to pay for the Varsity's new basketball suits. Needless to say it was accomplished. The remainder of the receipts went to the athletic fund.

Some of the prizes were donated by the business men of Sacramento, while others were brought by members of the Sophomore Class.

The committee was composed of Harold Leonard, chairman; Richard Bishop, James Murphy and Civirot Chipchase, under the direction of Brother Matthews, the class teacher.

The class was pleased with the way the other classes co-operated with them in their undertaking. It also wishes to thank all those who bought tickets or helped them in any other way.

Elaborate Affair Planned on Occasion of Gathering of Body on March 1st

The biggest and probably the most representative gathering of the Alumni of the Christian Brothers' School will be held on March 1st.

The 1930's were mixed years for CBS-Sacramento. The depression was felt hard in the still new school on Twenty-first & Broadway. The well loved Br. Arcadius Patrick was forced to keep the boiler together with bailing wire and magic. It was also Br. Patrick who was responsible for a major curriculum revision of the time that "re-vitalized" the academic program of CBS. By the mid-1930's the sports program under men like Jim Flynn & Bud Hanna put CBS on an even (sometimes better than even) keel with all comers.

FLYNN SEES VICTORY FOR BROTHERS

Puts Out Chin

Jimmy Flynn, Christian Brothers School's new football coach, today predicted his boys will defeat the Sacramento High School at the local stadium Friday night. *Bee Photo*

Rival Football Coaches Give Starting Lineups For Friday Night's Game

By WILBUR ADAMS.
Jimmy Flynn, new coach of the Christian Brothers School football team, has stuck his chin out. "I think we can beat the Sacramento High School Friday night at the Sacramento Stadium," said the former Gael to-day.

Has Fast Line.
"We have an experienced backfield and faster boys in the line than the Dragons. I think our grid-ders will outfight the high school team," Flynn continued.

Watch us go Friday night.
Coach Laurence Janssen of the Sacramento High School is inclined to agree with Flynn about the situation.

"While our line is made up mostly of veterans they have taken on fifteen pounds of weight to a man since last year and they are pitifully slow," said the Dragon mentor. "Our backs are untried."

Sees Little Scoring.
"I look for a good, close battle with little scoring," said Janssen. "We don't expect to get beat, but it will be a tough assignment for us so early in the season."

So the local season will open with the traditional big game between the Sacramento rivals. A defeat will not break the losing team, but it will badly bend it.

The rival coaches announced their starting lineups to-day. Bobby Williams will be the sparkplug for the Twenty-first and Y Street aggregation and will bark the signals from the quarterback post. The half-backs will be Adrian Bennett and Bill Diage, with Leo Bennett holding down the fullback job.

Dragons Team Listed.
Captain Manuel Soares and Dave Simmons will be the Brothers guards. Victor Martinelli and Bob Gillette will be at ends. Jack Coughlin and Eddie Katsulis will open at tackles, with Bill Palm at center.

Janssen will use Bill Greer at left end; Harold McKerran at left tackle; Bob Mumfry at left guard; Ernie Richardson at center; Jim Nelson at right guard; Bob Ferguson at right tackle; Reynold Gualco at right end; Duke Garabedian at quarterback; Joe Verdina and Ralph Dieder at halfbacks and Bob Roof at fullback.

The game is scheduled to start at 7:30 o'clock. Band music will be held before the game and between halves. The admission price is 50 cents.

Many Changes Are Made At Christian Brothers' School

Brother Patrick Succeeds Brother Lewis, As Principal

Changes In Faculty And Methods, Many Improvements In School Plant, And Reduction In Tuition Fees Announced

Sacramento.—With the reopening of school on August 26th, the Christian Brothers' Primary, Grammar and High School, 21st and Y Streets, faces its high purpose as the only Catholic High School for boys in the diocese, with a reorganized staff, new methods of administration, and changes in procedure which those responsible for the school feel will be to the best advantage of the boys entrusted to their care.

NEW PRINCIPAL.
Brother Lewis, M. A., former principal of the school, has been promoted to the teaching staff of famed St. Mary's College, and has been replaced by a veteran educator and a master in boy psychology, Brother Patrick, M. A. Brother Patrick is a former member of the staff at the school, having taught the senior class in 1923 and 1924. He is a member of the New York Province of the Brothers of the Christian Schools, and taught in the schools of his congregation in New Hampshire before coming to California. The new principal held the important post of assistant director of the Novitiate of the Brothers at Mount La Salle, Calif., last year. While there he was mainly responsible for the training of the future teachers of Catholic youth in this state.

Changes In Faculty.
Brother Joseph, A. B., will continue as vice-principal, the work done so ably in former years by Brother Charles, who goes to Los Angeles. Brothers Leonard, Mark, and Odran have also been transferred. Brother Philip, A. B., remains as director of Resident Students at the school. Other new members of the faculty are Brothers Kevin, A. B.; James, A. B.; Benedict, A. B.; and Robert, A. B., all of St. Mary's College and Brother Agathe, A. B., until recently dean of the Commercial Department at Cathedral High School, Los Angeles.

Resident Students Welcomed.
The school has a splendid group of buildings, fully and thoroughly equipped for its purpose. Commodious quarters are provided for resident students. Board and tuition fees are moderate and Catholic

Many changes greeted the students who returned to the Brothers School on September 12. Not only had Y Street become Broadway, the sandlot a beautiful campus, but even the faculty had lost some members gained others.

At the departure of Father James O'Shea, chaplain and professor of Latin, Father Maurice Connor, J. C. D., took over the double duties of the position. Annual Retreat Pronounced Huge Success

Rooney Regular Fellow Says News Reporter In Snappy Interview

It all came about just because the American Legion and the Scouts had to be charitable, and they figured some outside light would help a heavy.

This reporter, hailed before the editorial cubicle on that glorious Friday morning, given the order to interview Mickey Rooney and instructions as to details, with a further editorial threat against an empty-handed return, felt about as flustered as an Easter bonnet on a stormy spring day. This reporter was, as they say in the best circles, perplexed. He'd seen Mickey Rooney time after time, but only on the screen; and liked him, but only with an affection trimmed with awe. He'd

swell town, swell people. I'm coming again sometime, stay longer—I hope.

"And as for the American Legion and the Scouts, the fellows that sponsored this affair?"

"Quote me as saying the American Legion and Scouts are swell scouts—the whole bunch of them. It's keen to be able to help them here."

This reporter, having duly registered these pearls, with pen in hand, plunged again into the fray: "How about a few statistics, Mickey? When you were born, etc."

"Sure, pal. Born September 22, 1920, about eighteen years ago. Must be about your age; pretty

Sh Backs Rate Edge on Experience in Big Scrap

By KIBT MacBRIDE

Interest has soared so that the vast crowd in the stadium tomorrow night to watch Christian Brothers school take a determined look at 20 years of Sacramento school superiority.

They don't think the light Gaels turn the trick—they haven't time to move the big Ferguson, Ferreras, Richardsons and Nelson that stud the Dragon front at Jimmy Flynn's backs, who more mature and experienced than those of Lourance Janssen at high school, are likely to throw a scare into the Purple before the night's over.

Bennett Gael Passer Brian Bennett is quite a passer, well as Jim McPartland. They admit they haven't an "80-punter," although that's what of their players told Janssen, they have some boys who can that ball, especially Charlie, a tackle from San Juan.

Brothers claim to have a ease worked out to stop Jan-Warner reverses. They point to success of St. Mary's team topping all Warner reverses against them, and they may can emulate their Moraga

FOOTBALL BROTHERS UNDER THE MOLESKINS

Sacramento's football opener at the stadium tomorrow night promises to be a hot one with the Christian Brothers school given the finest chance in years to beat their bigger rivals, Sacramento High, for the mythical prep championship of the city. Here are three C. B. S. players who figure to play a big part in the contest: Upper left, Manuel Soares, captain and veteran guard; upper right, Bobby Williams, tow-headed halfback who is the chief running threat on the Brothers team; and lower, Adrian Bennett, veteran left half who will do most of the passing.

Let's Back The Brothers' Boys. Brother Hilbermann, the football season will soon be with us. Let give the new coach and team of the Brothers school our united support this year. Attend every game. Remember the boys from 21st and Y

Dragons Shift
Sacramento High will blossom with a shift Friday for the first since Janssen took over the reins. It's just a simple affair, says the Purple coach, primarily designed to keep own linemen on the alert—although he hopes, too, the opposing may be caught asleep maybe during the night.

Ferguson and McKerran, near-sund tackles, haven't been so lightly in recent scrums. They've gained so much in the last year they've been down. Janssen hopes they not too slow Friday.

Club Plan

Capital School And Principal

The Christian Brothers' School in Sacramento is built in the mission style. It is the only Catholic high school for boys in Superior California and it provides comfortable quarters for resident students. Pictured at the left is Brother Cyril, F.S.C., the principal. The school, which is under the patronage of The Most Rev. Robert Armstrong, Bishop of Sacramento, will reopen for the fall term this year on Wednesday, September 10. The Brothers of the Christian Schools are famed as teachers throughout the world. The Order, devoted to the Christian education of boys, was founded by St. John Baptiste de la Salle in the City of Rheims, France, 250 years ago. The first members came to Sacramento sixty five years ago. Eighteen Brothers now teach at the school.

BROTHERS' SCORE FOURTH SHUTOUT WIN

C. B. S. Beats St. Vincent's By 12-0 Score
Archerda, Lewis, Martinelli Are Stars in Victory at Stadium

By KEVIN McBRIDE
The only setback faced last season by Sacramento was another such as in the final game of the stadium play-off.

Chris Archerda, Francis' Christian Brother school coach, whipped a team of St. Vincent's, 12 to 0, before a crowd of 100 who got their view- ing from every angle and to watch a steady non-stop game.

It was the fourth straight shutout victory for the Brothers, who have not been beaten or scored upon since they won 10 to 0 over Clark on three days' notice and scored 2-7 in the final game on the first game of the year.

St. Mary's Next
Scheduled in the stadium game is the St. Mary's High of Chico. Both teams have had a successful season in several years.

The Brothers scored twice in the first quarter and played well. It was the first game. They had the ball in the second quarter and were unable to gain any ground as it applied to the first quarter, which played straight ball.

The breakthrough was scored by Archerda, Lewis, and Martinelli. Archerda, Lewis, and Martinelli scored 12 points for the Brothers. Archerda scored 6 points, Lewis scored 4 points, and Martinelli scored 2 points.

Brother Knevezovich, who had been out for several days, returned to the field for the first time in several days. He scored 4 points for the Brothers.

Lewis, who scored 4 points, was the star of the game. He scored 4 points in the first quarter and 4 points in the second quarter.

Archerda, who scored 6 points, was the star of the game. He scored 6 points in the first quarter and 6 points in the second quarter.

Martinelli, who scored 2 points, was the star of the game. He scored 2 points in the first quarter and 2 points in the second quarter.

The game was a shutout for the Brothers, who have not been beaten or scored upon since they won 10 to 0 over Clark on three days' notice and scored 2-7 in the final game on the first game of the year.

Frank Barberia, Tackle, Returns to Brothers Team

Frank Barberia, veteran tackle, returned this week to the Christian Brothers' basketball team and once again became a valuable member of the team.

Barberia was called for a final game last week and he has been back for a week and will play for the team.

Barberia is a tackle and he has been playing for the team for several years.

'Legion Of Mary' Is Formed On Campus

A junior praesidium of the "Legion of Mary" has recently been organized under the leadership of Brother Andrew. Meetings are held on campus every Sunday evening from 8 to 9 p.m. The purpose of the Legion of Mary is to foster the spirit of Our Blessed Lady.

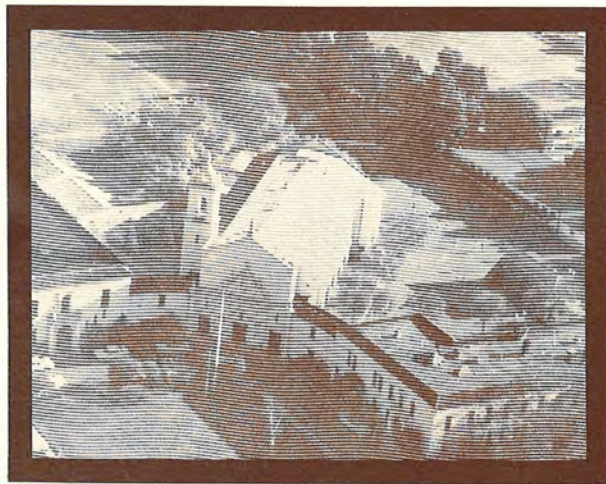

At each meeting, the members are appointed to do some Apostolic work for Mary. During the week they fulfill this duty, and, at the next meeting, they report on how they have succeeded. Prayers are said for the guidance of its members.

Ten Outstanding Youths Named

A joint student council-administration committee last week reported its selection of the ten outstanding students of Bishop Armstrong High School for entry in the county-wide Ten Outstanding Youths of Sacramento program, sponsored by the Sacramento Junior Chamber of Commerce.

The students are: Ed Arcevedo, Jack Praxel, Damien Ford, Mike Magaletti, Doug Carson, Carl Panatelli, Art Hebscher, Bob Franken, John Britton and Tom Cobb. All are seniors except Magaletti and Cobb.

The standing Youth Banquet will be held April 24 at 7 p.m. at the El Camino High School Cafeteria. The purpose of the TOY program is to give recognition to Sacramento County youths between the ages of 15 and 18 who have demonstrated all-around excel-

Los Angeles Post For Br. Eugene

Brother T. Ronald, F.S.C., will be Bishop Armstrong's principal next fall, succeeding Brother Eugene, who is being transferred to Los Angeles.

Brother Ronald was vice-principal at Bishop Armstrong from 1958 to 1963. During the 1963-64 school year he studied in Rome and this year was director of student brothers at St. Mary's College.

Brother Eugene has been named to a post in the office of the Superintendent of Schools of the Archdiocese of Los Angeles.

The new principal has a M.A. in education and has done graduate work at Forham University in New York.

Continuing as vice-principals next year will be Brother Claude, upper division, and Brother Paul, lower division.

Announcement of the administrative changeover was made Tuesday.

Each decade provides new students soon to be the citizens of tomorrows society. The Sixties and Seventies saw many changes in all aspects of our lives. The Church and education were not left untouched by the changing values in society. At Christian Brothers, three principals: Br. Haig, Br. Martin, and Br. Ronald laid the foundation for significant curriculum changes stressing an integration of the disciplines and a strength in the basic skills. The "old boys" of Sacramento Institute are long gone . . . now replaced by a long line of CBS graduates . . . they number in thousands.

Cross Country

No. 1 man: Joe Ferreira

This year's Christian Brothers Centennial Cross Country team was the finest team I have ever coached. I don't say this only because the Varsity won the Metro League with a 6-0 record and the District II title, but mostly on the fact that we all had a very good time. To the team's surprise, I even ran many miles with them, and experienced the pain and aloneness of distance running, a very self-fulfilling activity. Thanks to the La Salle Club and School's donation of a new van, we were able to run the steep hills of Brown's Ravine, enjoy the beauty of Ancil Hoffman Park and Arcade Creek, and run along the scenic American River regularly. I believe this change of terrain was instrumental to the success of this year's accomplishments. To seniors Dave Zielke, Joe Ferreira, Joe Domek, Darrell Sarmiento, Mark Limeberger, and Mark Ortiz, who accumulated over 30 trophies and 250 medals in their running careers, I want to wish the best in the coming years. Special recognition goes to Marcel Fortier, a Sophomore who ran on the Varsity squad. To all others I extend a warm invitation to participate next year and to everyone else interested in coming as physically close to their spiritual nature as possible.

Sincerely,

Michael E. Mahlman

This Year The

The Centennial of our school is not only a time to reflect the past, but also a time to envision the future. If the Class of "79" continues to develop as it has this past freshman year, it will set precedent among other classes to come. As a Christian school with Saint John Baptist De La Salle as our preceptor, it is dedicated to the development of the Christian spirit and the growth of the individual. To this end I believe the frosh class has been very successful. Not only have the freshmen developed through the Humanities program, but reflected their abilities in the frosh council.

The council has organized many activities in which responsibility has been distributed to the student. Such activities and achievements include: an organized council, weekly council minutes, decorating the class for Christmas, the "Goodies Bazaar", P. A. L. sales and hot chocolate sales, a snow trip, and a Reno trip for parents.

Awards to those freshmen who have participated in these activities were given out at the end of the year. I believe it is important to formally recognize those people who have made the freshmen class what it is.

I hope that the freshmen as individuals continue to grow in the Christian spirit, not only through their senior year, but as a way of living.

Reserve your job for fall now.

With the Army's Delayed Entry Program, you can come down now and pick the job you want. And if you qualify, we'll hold it for you—for up to six months, depending on the job you choose.

Then you can relax and enjoy the summer without worrying about what you'll be doing when it's over.

When you do come in the Army, you'll also have a salary of \$361 a month before deductions waiting for you. Plus free meals, housing, medical and dental care, and 30 days paid vacation a year. And if you'd like to earn college credits while you're in the Army, we'll pay up to 75% of your tuition for you.

Christian Brothers High School

DEDICATED TO BISHOP ROBERT J. ARMSTRONG

4315 SACRAMENTO BOULEVARD • 452-2876 • SACRAMENTO, CALIFORNIA 95820

To All to Whom these Presents come, Greetings and Blessings:

Whereas, Christian Brothers High School was founded one hundred years ago and dedicated to the education of the youth of Sacramento;

Whereas, Christian Brothers High School invites and encourages members of the community to assist and support the school in its endeavors and desires from time to time to honor those who have served in an outstanding manner;

Whereas, James Michael Mulhern has, in an outstanding manner, encouraged and supported the curricular and co-curricular activities of Christian Brothers, both morally, by his advice, his work, and his concern; and financially;

Whereas, James Mulhern has, in a most praise-worthy manner, assisted Christian Brothers during its Centennial year, and has accepted appointment to the newly formed Board of Regents as a sign of his continuing interest and active support; and,

Whereas, Christian Brothers wishes to publically honor Mr. Mulhern;

Be It Known, that James Michael Mulhern is this day awarded a diploma of graduation from Christian Brothers High School, in the Centennial class, as a sign of our recognition of his outstanding service.

Given this second day of June in the year of Our Lord, one thousand nine hundred, seventy-six; the one hundredth year of the School.

Centennial '76

In many ways, ours is a culture lacking in the deep patterns of action that provide continuity and cohesion among people. Ritual and ceremony are those patterned actions that promote some kind of social sharing and a close individual communication. In performing such practices social separation is often avoided for people enter into communal participation to celebrate a mutual recognition.

Throughout the 1975-1976 school year a number of centennial celebrations served to promote a collective recognition of Christian Brothers High School and its one-hundred years of service to the Sacramento community. It is within the philosophy of this institution to draw Brothers, parents, students, and alumni together for the purpose of acknowledging christian ideals and teachings. Yet as the excitement of the Centennial slowly draws to a close it should be

our utmost desire that we continue in the productive spirit exhibited this past year.

One of the major goals of the Centennial edition of Crest Yearbook has been to record, in words and pictures, some of the most memorable events used in signifying the one-hundredth anniversary of Christian Brothers High School. It

is important to stop, occasionally, and reflect upon the past so that we can evaluate the present and look toward the future. So too, we strove to capture the mood of the faculty and student body incorporated within the atmosphere of the school year.

As editor of the yearbook I would like to take the opportunity to personally express my appreciation to the participating staff on Crest '76. Commitment in the form of time, hard work, and effort was continually given by the faculty advisors, section editors, photographers, and members. In years to come I hope that fond

memories will emerge from the contents of this lasting tribute to the Christian Brothers Spirit.

As the school year has ended it is necessary that gratitude be expressed to the many individuals who made possible the completion of the yearbook. Inevitably, thanks is due to the Christian Brothers, school administration, and faculty for providing the basis for a private, christian education. Students, friends, former graduates, and parents deserve credit for their unending support and unyielding assistance in undertaking fund raisers and special events.
