MONTH OF MAY

Again we breathe the odors of sweet May, loveliest of months. The wandering swallow has returned to its haunts of last year; the birds are twittering in the trees. Leaf and flower, meadow and woodland have conspired in the rejuvenation of old Mother Earth. In this land of sunshine, where the days glide on like a perennial summer,

School Notes

HENRY J. DEVINE

This is May, and the school calendar for the month indicates that we are to have a very busy time of it. Of course June, the last month of the scholastic year, is always a rushing one. Already the younger ones are beginning to count the days, and it will not be very long now before the young men of the graduating class will have to step up and show what manner of men they are. Some of them who intend to follow professions are, we understand, to continue their studies in degree-conferring institutions, such as St. Mary's or Santa Clara, while others have positions waiting for them in the mercantile world. From the records the members of the present class have thus far made for themselves, we may safely conclude that those who are in any way interested in their future welfare need have no fear that any one of them will ever fail to live up to the principles of faith, integrity and honor.

Some few days ago we enjoyed a visit from Rev. Brother Xenophon, the recently appointed Provincial visitor of the Brothers of the Christian schools for the Pacific Coast District.

Brother Xenophon is one of the earlier teachers of this institution, having been associated with its faculty in the early '80s. Many of the older boys, who were attending here at that time, well remember him.

He is well known as an educator throughout this land and in Europe, and is an administrator of great executive ability. At various times he has been the head of several of the best known institutions of learning in this state. For six years previous to his recent appointment, he held the position of Superintendent of St. Vincent's Asylum at San Rafael—an institution where over five hundred orphan boys are being constantly cared for.

Rev. Brother Theodorus, his predecessor in the important office which Bro. Xenophon now holds, has been transferred to New York and appointed to the position of Procurator-General of the Brothers in the United States.

Brother Theodorus made many visits to our blessed Sacramento during the ten or eleven years he was Provincial-Visitor of this district, and it is needless to say that they were visits we always greatly

HOW DID YOU DIE?

Did you tackle the trouble that came your way
 With a resolute heart and cheerful
 Or hide your face from the light of day
 With a craven soul and fearful?
 Oh, a trouble's a ton, or a trouble's an ounce,
 Or a trouble is what you make it,
 And it isn't the fact that you're hurt that counts—
 But only, how did you take it?

You are beaten to earth: Well, well, what's that?
 Come up with a smiling face.
 It's nothing against you to fall down flat,
 But to lie there—that's disgrace.
 The harder you're thrown, why the higher you bounce;
 Be proud of your blackened eye—
 It isn't the fact that your licked that counts—
 It's how did you fight—and why?

And though you be done to the death, what then?
 If you battled the best you could,
 If you played your part in the world of men,
 Why, the Critic will call it good.
 Death comes with a crawl, or comes with a pounce,
 And whether he's slow or spry,
 It isn't the fact that you're dead that counts,
 But only, how did you die?

NEW BASEBALL DIAMOND

Well, we have our own baseball diamond at last, and it's up to us to make good use of it. The Capitol Park baseball diamond is rather small, and too much encompassed by trees to be of much service for the larger boys' teams, but we have had some good old games there and considerable practice. We can leave that now exclusively for the Juveniles and Midgets. Our new diamond at Ninth and T is considered to be the best amateur diamond in Sacramento. No danger of any one of our players ever knocking the ball over the fence.

The practice hours for the members of the first team have been set for Mondays and Wednesdays from 3 to 5 p. m.; Tuesdays, Thursdays and Fridays, from 6 to 7:30 p. m., and on Saturdays and Sundays at the hours assigned by the manager.

COLLEGIANS, 7; CASCADE LAUNDRY, 4.

The Collegians opened the month of May by defeating the Cascade Laundry team on the Rookery grounds. The game went ten innings before the Collegians could get a safe lead. This was done by Farrell's double, J. D. Covle's walk, and J. R. Coyle's triple. But three hits were gleaned off Hill, while the college boys made seven, six of them being for extra bases. J. R. Coyle carried off batting honors, getting a triple, a double and a single out of four times up.

The Collegians, in a previous game, defeated the Cascade Laundry by a score of 8 to 5.

MULLIGAN'S OUTLAWS, 9; VICTORS, 4.

Fred Mulligan's Outlaws defeated our second team, the Victors, to a frazzle last Thursday. Polk was a perfect enigma to the Victors, holding them down to four scratchy hits, and fanning nine. Manager West of the Victors lost his own game by making five costly errors at critical times. Coughlin, who plays the keystone sack for the Outlaws, played a sensational game, as did Devine and Young of the Victors. By this defeat the Victors take a step back to third place among the college teams, and the Outlaws advance to that of second place.

JUVENILES, 11; BOYS' BROTHERHOOD, 8.

The Juveniles on last Saturday put the third team of the Boys' Brotherhood down to defeat on the latter's grounds, by a score of 11 to 8. T. Connelly of the Juveniles allowed but three hits, while Dennis of the Brotherhood was hammered for twelve.

MIDGETS, 7; CASEY AND KAVANAUGH'S 6

After struggling for fourteen innings, the Midgets finally succeeded in defeating a crack little team known as the Casey and Kavanaugh's. The C. and K's. started things in the first inning by making five runs on seven hits and two errors, but after that the little fellows from the college settled down and allowed but one more run during the remainder of the game. The Midgets scored one in the first, four in the fifth, one in the ninth, and one in the fourteenth, making the final score 7 to 6, in favor of the Midgets.

The C. B. C. Midgets opened their regular schedule last month for the 1910 season by winning a double-header. In the morning the Casey and Kavanaugh's team were defeated by a score of 7 to 6 in a fourteen-inning game, and in the afternoon the Highland Park team went down to defeat to the tune of 4 to 2.

Since then the Midgets have come out victorious over the following teams:

Midgets, 8; Rocklands, 2. Midgets, 5; Milos, 4. Midgets, 18; McKenzies, 3. Midgets, 9; Fulton Stars, 8. Midgets, 6; Spartans, 1.

The only teams that have the honor of defeating these champs are the Spartans and the team from St. Francis School.

The following are the line-ups for the first, second and third teams:

Collegians—Farrell and Silva, catcher and second base; Hill and Kryger, pitchers; O'Neil, first base; J. R. Coyle, short stop; Harrison, third base; J. D. Coyle, left field; Haggerty, center field; Azavedo, right field; McCarthy, substitute.

Second Team—Horton, catcher; Carroll, pitcher; J. McCarthy, first base; West, second base; Kulper, short stop; Polk, third base; Mosher, left field; Mahle, center field; Cecil, right field; Lynch, right field; G. Desmond, substitute.

Victors—Young, catcher; Connelly, pitcher; De Rosa, first base; Vogeli, second base; Devine, short stop; Flanagan, third base; Frazer, left field; E. Desmond, center field; Chinn, right field; G. Desmond, substitute.
