Dear Principal Hesser,

On behalf of the NFL, I would like to congratulate Christian Brothers High School and welcome you to the **Super Bowl High School Honor Roll** community.

As we mark our 50th Super Bowl this season, we are celebrating the players and coaches of the past 49 Super Bowls and their high schools and communities that have positively impacted our great game. Nearly 3,000 players and head coaches, and more than 2,000 high schools, will be recognized this season.

As a member of this special group, a commemorative Golden Football produced by Wilson is being sent to the high school of every player or head coach who was on an active roster in a Super Bowl. The enclosed Golden Football is in honor of Eason Ramson, a graduate of your school.

As a member of the Super Bowl High School Honor Roll, your school will also receive an NFL Character Education Curriculum and is eligible to apply for a grant from the NFL Foundation to help support your school's football program. Additional information is available at www.NFLfoundation.org.

Football has always been about more than wins and losses. The game teaches lessons that last a lifetime. High school football programs from coast to coast have consistently developed citizens of high character by instilling the values of football in their student athletes. The NFL is grateful to you and your community, and honored to team with you in developing champions on and off the field.

Congratulations and welcome to the Super Bowl High School Honor Roll community.

Sincerely,

ROGER GOODELL
Commissioner
