

The GAEL SPECIAL

1958-1959

CHRISTIAN BROTHERS SCHOOL
SACRAMENTO, CALIFORNIA

From the Principal . . .

BROTHER PIUS, F.S.C.

Principal

Brother Pius

Last September you came to Christian Brothers for the first time as a freshman, or you returned as sophomores. You came with the sincere intentions, for the most part, of doing as well as you were able, the only thing that is expected of you at school, and that is becoming a good student.

Being a good student has basically nothing to do with report cards, these are secondary. Being a good student means, first of all, being good—as an individual. Though your marks may have been excellent, if you have not made some progress in spiritual growth, and spiritual maturity, you are still only half formed. Secondly, being a good student means trying to acquire a desire for learning and intellectual improvement. This demands from any student deserving of the name a constant effort to increase his storehouse of knowledge; it demands constant good will so that this information can be presented, and last but not least a receptive mind.

For all the sophomores who are leaving Christian Brothers this June, we say a prayer that their future at Bishop Armstrong be a most successful one; and to all the students we extend our best wishes for a holy and most enjoyable vacation period.

BROTHER PIUS, F.S.C.

Our Vice Principal . . .

As the school year 1958-1959 draws to a close, we pause to remember all of our good and bad experiences at C.B.S. We pause to consider our duties to our school and to God. With the passing of each class it brings forth many happy memories and some sad ones. Let us hope that each of you as you depart Christian Brothers will retain only the happiest and most satisfactory of these. Our sincere good wishes and prayers go with you as you move on to higher educational levels. May you have good fortune and vocational satisfaction as you move forward. God Bless You.

Summary of School Year 1958-59

Well, here it is again. The end of another school year at Christian Brothers School. Many of the sophomores will be saying goodbye to the hallowed halls of good old C.B.S. We are sure though that many of us will remember some of the outstanding events of this well worn school year. Let's all travel back into the past just a little and try to remember some of the fine actions and gloomy happenings around C.B.S. during the past two years. Although a lot of the graduating sophomores will be passing on to Bishop Armstrong, there will be many of us who will not and so as we break apart and travel in different directions to complete our final two years of high school we should remember . . . Brother Pius and his fine example of patience and fortitude that assisted us throughout the school year; Mr. Anacich and his soft melancholy voice that echoed through the hall so profusely during the past year; Mr. Babeyco and his English classes; Mr. Maguire and his theorems, axioms, and World War I; Brother Gordon and Religion class; Brother Arnold and his quote-meeting rascals; Brother Albert and his beautiful office shrines; Brother Hugh and the jug; Brother Avila and his Spanish classes; Brother Richard and the tremendous rallies he has put on this year; Mr. Limeberger and his dog paddle; Mr. Mazona and anatomy; Brother Maris and his Speech and Debate Club; and Mrs. Crawford and her patience. . . . Of course there are many other facts too numerous to mention here but a few remembrances for the sports-minded might be our well versed and well trained footballers; our award winning basketball demons; the fine showing of our bruising baseball team and their freshman counterpart . . . the speech meets with all those fancy words floating around . . . the Soph Hop . . . the Billion Dollar Saint directed by the C. B. DeMille of C.B.S., Brother Laurian . . . the Masses on First Friday . . . report cards . . . talking about grades . . . report cards . . . complaining to Brother Pius . . . report cards. . . .

Seriously though, it has been a truly eventful year for all of us and we, the departing sophomores of C.B.S. hope that many boys in the years to come will be as fortunate as us in securing a Catholic education at this school. Memories will come and memories will go but a small part of each of us will be left on June 12th when this school year comes to an end and we finally depart to continue our high school education. . . . We, the Sophomore Class of C.B.S., 1959, hereby will to our successors our school spirit, a top-notch school paper and a sincere faculty to guarantee them the education we needed and THEY need in order to better prepare them for their adult life. . . . With respect, we, the Sophomore Class of 1959 take our leave of C.B.S., the strains of Auld Lang Syne in our hearts and on our lips. . . .

Summary of School Year

1913-14

The school year 1913-14 was a very successful one for the school. The pupils have shown a marked improvement in their work and have been very obedient and well behaved. The teachers have been very diligent in their work and have done their best to give the pupils the best of instruction. The school has been very fortunate in having such good teachers and pupils. The school has been very successful in all its work and has given the pupils a very good education. The school has been very successful in all its work and has given the pupils a very good education. The school has been very successful in all its work and has given the pupils a very good education.

Autographs . . .

A Girl

I think that I shall never see
A girl refuse a meal that's free,
A girl whose hungry eyes aren't fixed
Upon a treat that's being mixed.
A girl who won't forever wear
A bunch of junk to match her hair.
A girl who looks at boys all day,
While figuring ways to make him pay.
Girls are loved by fools like me,
'Cause who would want to kiss a tree?
