Bishop Armstrong High School Reunion

Class of 1961

50-Year Reunion

Saturday, August 26 & 27, 2011

Del Paso Country Club

Fifty years have passed and we have all gone our separate ways. We have had the best of times and the worst of times. We have gone down many different paths. We are married, widowed, divorced, parents, grandparents, still hard at work and retired. We live in Sacramento still and we live in the far corners of the United States. We are in shape, out of shape, or maybe just a different shape. We are diverse. When we come together, as we recently did, it reminds us that we are also the same. For four years, long ago, we shared a place in time together. We were young dreamers then and we still remember the enthusiasm of our youth. We recognize each other's young faces in the ones we wear now. We came together to dance again "like we did last summer". We came together so as not to forget those times and to remember also our forty-five classmates who are no longer with us. What a gift it was to be able to have this opportunity to reacquaint, celebrate, and remember who we are-- Bishop Armstrong's class of 1961.

We hope this reunion booklet brings back great memories, not only of the wonderful two day celebration, but also of the high school years that we spent together. We appreciate the effort that each and every one of you made to attend and make our gathering so successful. For the committee, it was a culmination of many enjoyable planning meetings that we held leading up to the event. We are grateful to Christian Brothers for all of their help and for welcoming us back to CBS for our Friday night gathering. The spirit of our class was alive and tangible at our reunion festivities! Thank you classmates!

Sincerely,
The Reunion Committee
