Dear Friend and Supporter,

We wanted to let you know that, after careful consideration, the Extravaganza will not take place as scheduled this September.

Your safety, and that of our partner vendors, staff, and all our guests, is of utmost importance. As much as we would love to come together for another epic party, it has become clear that there is no way we can responsibly conduct an event of that magnitude during our current community health crisis.

As you know, the Wine Beer and Food Extravaganza is indeed an epic party – and so much more. It's a party with a purpose! Each year, your ticket purchase helps provide close to \$200,000 for need-based tuition assistance at Christian Brothers.

That's 35 young men and women who were able to attend CB because our community came together (and had a great time!) at this event.

The need for tuition assistance has certainly not gone away! In fact, it has increased as more and more families are feeling the economic strains of layoffs, furloughs and income reductions. CB is even more dedicated to providing much-needed tuition assistance to our students and families.

We ask you to consider two actions:

1. *Please consider donating what you might have previously spent on tickets and event transportation to CB's tuition assistance fund.* Please give generously to help students stay at CB. [Click here to make a gift today.](#)
2. *Please support our partner vendors in the coming weeks and months by patronizing their establishments for take-out, curbside pickup, or outdoor dining.* They have supported CB for many years, it is our turn to support them. [Click here for a link to a list of our vendors.](#)

We look forward to the day when we can all gather again for a huge Wine Beer & Food Extravaganza celebration. And we hope you will be there with us!!

Until then, thank you for being a part of our CB community and thank you for your generous support. Thank you for taking care of our students.
