Dear Family and Friends of Christian Brothers High School,

After attending 16 Christian Brothers High School auctions, the creativity to execute the theme of the auction each year always amazes me. This year, a "Golden State of Mind" will celebrate all things California: iconic landmarks; our rich farmlands and markets; California poppies, of course; and even a bit of California Dreamin'!

While you are strolling through the abundant Napa vineyards or entering the Golden Gate Bridge to get your city fix, please know that every dollar spent tonight at the auction goes directly to support our academic programs and tuition assistance which benefits all Christian Brothers students.

Celebrating California's diversity – which has attracted people from all over the world and is the most diverse state in the country – is so reflective of Christian Brothers High School where we welcome students of all languages, faith traditions, backgrounds and cultures.

We are so proud that California is home to our great school. Our climate of sunshine affords our students and student athletes many hours of practice time on our fabulous new, Bollinger Stadium. We recently celebrated the successful completion of our Securing the Future Campaign-Phase 1 with \$12.5 million committed, exceeding the ambitious \$11.8 million goal.

I want to sincerely thank Director of Parent Engagement Joanne McShane, and our esteemed Auction Co-Chairs Gina Ketcher (Clayton '21 and Sam '22) and Colleen Curtin (Tom '22) who lead a team of inspired and energetic parent volunteers who have presented the best of our Golden State.

I most heartfully appreciate you, parents, friends, alumni, sponsors, and donors for your participation and presence tonight. We are honored and grateful to have your support and generosity. Here's to always being in a Golden State of Mind!

St. John Baptist de La Salle, Pray for us.
Live Jesus in our hearts, forever!

Auctioneer

JAKE PARNELL

Following in the footsteps of his grandfather and father, Jake Parnell is a third-generation auctioneer. A graduate of the World Champion School of Auctioneering, Jake's passion for the auction business is what drives him. Whether selling livestock, charity or fundraising events, Jake thrives off of interacting with people committed to a cause or an industry.

Jake believes in understanding the cause for which he is working, so that he can fully connect and relate with his audience. "Making a difference in life is important to me. I feel the best about myself and my profession, as I am leaving a charity event, knowing that I have just helped make a difference to someone somewhere."

Jake is a graduate of Cal Poly, San Luis Obispo. When not working he enjoys golfing, wakeboarding and snowboarding. He also maintains a small herd of Registered Angus Cattle and is very involved in the California Angus Association and the Yolo County Fair Foundation, two groups that raise funds to help support youth involved in agriculture.

Master of Ceremonies

NICOLAS DUCHESNE

Nicolas Duchesne was born in Paris, France of a French father and American mother. He has worked in the hospitality business in the Bay Area, Monterey Peninsula, and in Sacramento. He has been the Membership Director for Del Paso Country Club for the past 10 years. Nick has been lucky enough to find a wonderful partnership in his wife, Katie Vogeli Rojas.

Katie is a Sacramento native and a St. Francis alum. They have two children: 10 year old Max and 12 year old Lola. They are blessed to share in the Christian Brothers history with Katie's brother, cousins, and her uncle Pat Vogeli all graduates of CB here in Sacramento. Not to be outdone, Nick has his own CB lineage with his father graduating from Christian Brothers in Belgium. They are proud to call East Sacramento their home and Nicolas is thankful to be welcomed to our Golden State of Mind Auction.

29. TUITION ASSISTANCE FUND A NEED

*I Can Tell That We are Going to Be Friends
Tonight I'll dream while in my bed
When silly thoughts go through my head
About the bugs and alphabet*

Tonight our students are sharing with you a "Day in the Life of CB." You'll see it's filled with simple things like friendships and laughter. It's also filled with an incredible richness of experience.

Every day our students engage in service, prayer, study, athletics, and artistic pursuits. Every day they experience the richness in the community that comes from students of every socio-economic background working and playing together.

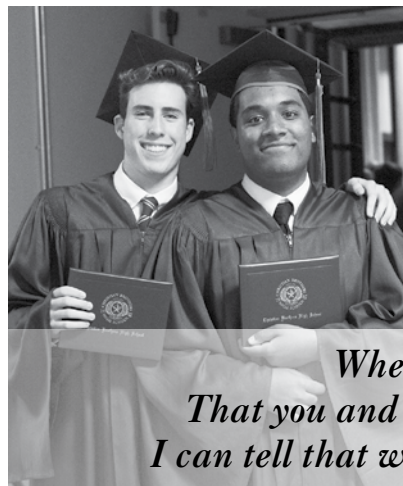

There's magic in the relationships our students create. The transformative lessons of a Christian Brothers education happen outside the classroom as often at the moments inside the classroom.

You make this magic happen when you support CB's tuition assistance program.

All students benefit from tuition assistance at Christian Brothers High School. There are not many places where low, modest, middle income and wealthy kids come together and form genuine community. And we have that here at Christian Brothers.

When you raise your paddle tonight, do not underestimate the impact you are having. You are transforming young lives.

Raise your paddle high!

*When I wake tomorrow I'll bet
That you and I will walk together again
I can tell that we are going to be friends...*

It is with sincere gratitude that we thank the faculty and administration for providing an exceptional academic and spiritual education to our daughter in the Lasallian tradition. For providing her with a campus and class settings where she feels safe and comfortable to learn. Where she can express her opinions while hearing and exploring the opinions and perspectives of others, without judgement. Thank you for your deliberate mission to create a community of diversity and inclusivity- a community that continues to foster her appreciation for the blessings in her own life, while strengthening her compassion and support of others.

Thank you to the devoted auction chairs, committee members and all those who have tirelessly given of themselves to make this event possible and successful. You are amazing! Thank you to our fellow sponsors, donors and others who have contributed to this event of giving to the Christian Brothers community in support of its educational and spiritual mission.

To Lorcan Barnes, it is with great appreciation of your 16 years of service at Christian Brothers High School that we thank you for your guidance and leadership and wish you well in the next chapter of your life of service. God bless.
