In 1876 Archbishop Alemany of San Francisco dedicated St. Patrick's Institute at 12th & K Streets in Sacramento. The new school, later to be called Sacramento Institute, was the result of five years of hard work by Miss Maggie Cunningham and Father Scanlan. Miss Cunningham, the most energetic benefactor of the time, raised the \$24,000 needed to establish the school by going door to door in an effort to bring the Christian Brothers to Sacramento. She was later rewarded for this tremendous accomplishment by receiving Letters of Affiliation with the Institute. The original school had four classrooms with seats for 260 pupils. Br. Cianin, one of the original Christian Brother pioneers to California, opened the doors as first Director-Principal along with his original staff of six Brothers. The first graduating class received their diplomas, 10 months later, in the Assembly chamber of the Capitol with Governor Irwin presiding. Brother Cianin was succeeded by members of his Institute whose names; Sabinian, Genebren, Walter Erminold, and Victor Ambrose... are now footnotes in history. In 1896, at the urging of Bishop Grace of Sacramento, the name of the school was changed to Christian Brothers College.

## Christian Brothers In Sacramento Since 1876

On July 15, 1876, seven Christian Brothers arrived in Sacramento for the purpose of taking charge of a new school, erected at 12th and K Streets by Father Patrick Scanlan, for the Catholic boys of the city. The following day the institution was solemnly dedicated under the name of Saint Patrick's Institute by the Most Rev. Joseph Sadleir Alemany, Archbishop of San Francisco.

ON MONDAY, July 17, 1876, the Brothers began to receive students whose numbers soon reached the 250 mark. A boarding department with an initial population of 10 boys was also maintained.

THE NEW school at that time was regarded as the finest building in the city. The seven Brothers who comprised the original faculty were Brothers Cianin, the principal, Alexander, Samuel, Patrick, Finton, William and Wenceslas.

In 1903, a new wing was added to the main building at an expense of nearly five thousand (5000) dollars. This addition was a generous gift of Mrs. Bethel of Sacramento, who must be regarded as a benefactress of the Community. She also furnished means to decorate the chapel and donated two beautiful statues, one of the Sacred Heart and the other of the Holy Founder.

BROTHER V. LEO, President

I cannot write in terms too lofty of the Christian Brothers, and the good they have done and are doing with the young of our country. The good they do by the excellent education they impart is not confined to the youth themselves but leaves the whole community and contributes in the most effective manner to uphold order, patriotism and virtue. Generations of young men now in responsible positions all over the land, and illustrating in their lives the grandeur of Christian principles, may call their teachers . . . The Christian Brothers . . . blessed, for them they owe their success.

Joseph, Provincial of the Christian Brothers, and The Honorable Thomas J. Lennon, Class of 1881 and Associate Justice of the California Supreme Court. The ceremonies drew a large crowd including such early pioneers as Maggie Cunningham who remembered well another dedication held 48 years prior. The cornerstone ceremonies were preceded with a parade that began on twentieth and T Streets and included a division of "Old Boys" as well as all of the Catholic organizations of Sacramento.

# Golden Jubilee 1876-1926

On the 15th of July, 1876, seven Christian Brothers arrived in Sacramento for the purpose of taking charge of the school, built by the Rev. Father Patrick Scanlon and his parishioners, at the corner of Twelfth and K Streets.

Only one of these Brothers is now alive. Brother William, located at the Brothers' Normal School at Martinez, is the surviving pioneer. He is still hale, hearty and in active service.

Chief among the active workers who aided in the erection of the school was Miss Maggie Cunningham, then an alert, active, dashing young woman. Though an invalid for several years, she is still alive and is as keenly interested in the new school today as she was in the success of the new one established forty-nine years ago. She is now under the constant care of her devoted niece, Miss Mary Doyle, at the Mater Misericordiae Hospital. Ever since the arrival of the Brothers Miss Cunningham has been their good Angel and constant benefactor.

If Providence spares her another year she will witness the golden glory of her early endeavors, as the Golden Jubilee celebration will recall in a vivid manner the courage, endurance and self-sacrifice of the pioneers to whom the present generation owes so much. They sowed the seed; we are reaping the harvest. They worked under disadvantages that we of today can hardly conceive; but we appreciate their heroic deeds, their pluck, their spirit of fearless adventure, their wonderful foresight and their generous sacrifices. The chief purpose of a golden jubilee is to commemorate these things, and we will not fail to celebrate the Golden Jubilee of the Christian Brothers, in Sacramento, during the Year of Our Lord, 1926.

### Double the Capacity, Virtually Giving Sacramento Another Large School

For 50 years the Christian Brothers School has served the cause of education in Northern California. For a half century it has developed character in the youth of all creeds, distinguishing itself as a "Builder of Boys" and a "Maker of Men."

Now this splendid Sacramento institution observes its Golden Jubilee and turns for help in its Golden Jubilee Expansion Program to the residents of the great area which it has served for a half century. It proposes enlisting their help with subscriptions—

To construct an auditorium-gymnasium and swimming pool at an aggregate cost of \$60,000, thereby doubling the capacity of the school for an enrollment of 600 boys.

The Brothers School—the only day and boarding school for boys in the Sacramento Valley—increased 100 per cent in enrollment in the

### FLYNN SEES VICTORY FOR BROTHERS

Puts Out Chin

Rival Football Coaches Give Starting Lineups For Friday Night's Game

By WILBUR ADAMS.

Jimmy Flynn, new coach of the Christian Brothers School football team, has stuck his chin out.

"I think we can beat the Sacramento High School Friday night at the Sacramento Stadium," said the former Gael to-day.

**Has Fast Line.**  
"We have an experienced backfield and faster boys in the line than the Dragons. I think our grid-iron will outfight the high school team," Flynn continued.

**"Watch us go Friday night."**  
Coach Laurence Janssen of the Sacramento High School is inclined to agree with Flynn about the situation.

**"While our line is made up mostly of veterans they have taken on fifteen pounds of weight in a month since last year and they are pitifully slow,"** said the Dragon mentor. "Our backs are untried."

**Sees Little Scoring.**  
"I look for a good, close battle with little scoring," said Janssen. "We don't expect to get beat, but it will be a tough assignment for us so early in the season."

So the local season will open with the traditional big game between the Sacramento rivals. A defeat will not break the losing team, but it will badly bend it.

The rival coaches announced their starting lineups to-day. Bobby Williams will be the sparkplug for the Twenty-first and Y Street aggregation and will mark the signals from the quarterback post. The halfbacks will be Adrian Bennett and Bill Diage, with Leo Bennett holding down the fullback job.

**Dragons Team Listed.**  
Captain Manuel Soares and Dave Simmons will be the Brothers guards. Victor Martinelli and Bob Gillette will be at ends. Jack Coughlin and Eddie Katsulis will open at tackles, with Bill Palm at center.

Janssen will use Bill Greer at left end; Harold McKerras at left tackle; Bob Mumfrey at left guard; Ernie Richardson at center; Jim Nelson at right guard; Bob Ferguson at right tackle; Reynolds Gualon at right end; Duke Garabedian at quarterback; Joe Verdina and Ralph Drexler at halfbacks and Bob Roof at fullback.

The game is scheduled to start at 7:30 o'clock. Band drills will be held before the game and between halves. The admission price is 50 cents.

Jimmy Flynn, Christian Brothers School's new football coach, today predicted his boys will defeat the Sacramento High School at the local stadium Friday night.

## Many Changes Are Made At Christian Brothers' School

Brother Patrick Succeeds Brother Lewis, As Principal

Changes In Faculty And Methods, Many Improvements In School Plant, And Reduction In Tuition Fees Announced

Sacramento.—With the reopening of school on August 26th, the Christian Brothers' Primary, Grammar and High School, 21st and Y Streets, faces its high purpose as the only Catholic High School for boys in the diocese, with a reorganized staff, new methods of administration, and changes in procedure which those responsible for the school feel will be to the best advantage of the boys entrusted to their care.

**NEW PRINCIPAL.**  
Brother Patrick, former principal of the school, has been promoted to the teaching staff of Mount St. Mary's College, and has been replaced by a veteran educator and a master in boy psychology, Brother Patrick, M. A. Brother Patrick is a former member of the staff at the school, having taught the senior class in 1922 and 1924. He is a member of the New York Province of the Brothers of the Christian Schools, and taught in the schools of his congregation in New Hampshire before coming to California. The new principal held the important post of assistant director of the Novitiate of the Brothers at Mount La Salle, Calif., last year. While there he was mainly responsible for the training of the future teachers of Catholic youth in this state.

**Changes In Faculty.**  
Brother Joseph A. B. will continue, as vice-principal, the work done so ably in former years by Brother Charles, who goes to Los Angeles. Brothers Leonard, Mark and Odian have also been transferred. Brother Phillip, A. B., remains as director of Resident Students at the school. Other new members of the faculty are Brothers Kevin, A. B.; James, A. B.; Benedict, A. B.; and Robert, A. B., all of St. Mary's College and Brother Agathe, A. B., until recently dean of the Commercial Department at Calaveras High School, Los Angeles.

**Resident Students Welcomed.**  
The school has a splendid group of buildings, fully and thoroughly equipped for its purpose. Commensurate quarters are provided for resident students. Board and tuition fees are moderate and Catholic.

The 1930's were mixed years for CBS-Sacramento. The depression was felt hard in the still new school on Twenty-first & Broadway. The well loved Br. Arcadius Patrick was forced to keep the boiler together with bailing wire and magic. It was also Br. Patrick who was responsible for a major curriculum revision of the time that "re-vitalized" the academic program of CBS. By the mid-1930's the sports program under men like Jim Flynn & Bud Hanna put CBS on an even (sometimes better than even) keel with all comers.

**SENIORS ARE SPONSORS OF NOVEL CARNIVAL**  
One of the most colorful events since the Ballroom Carnival was presented and sponsored by the Senior Class last Wednesday evening at the Tuesday Club House. Bids were obtainable only through a Senior class member. This afforded a very select gathering among which were some of Sacramento's most prominent young men.

**SENIORS COMMENCE WORK ON ANNUAL**  
Departing from the usual plan of an elaborate Annual, the Senior Class of this year will edit two distinct publications. The first, and probably the most popular as far as the school is concerned, is a final, twenty-page edition of "The Sacramento," summarizing the events of the year and giving special space to each of the high school classes. This labor, the start of which has not yet been shown, will carry the usual features of "Graduates," "Literary," "Class," and "Sports," which will make it a small annual in newspaper form.

**SOPHOMORE CLASS HOLDS CARD PARTY**  
The Sophomore card party was held on Thursday evening, February 12th. The purpose of the party was to pay for the Year's new basketball suits. Needless to say it was successful. The remainder of the receipts went to the athletic fund.
