COMPANY "E" ATHLETICS

BASEBALL

Immediately after the official start of camp, Company "E" commenced the organization of a championship baseball team. Prospective stars of balldom thronged the field, some good, some bad and others indifferent. Under the able management of Captain Schuster the applicants were soon segregated and the team that was to later represent the camp was picked. Our formation for battle was as follows: Scheiber, catcher; Kimble and Bello, pitchers; French, first base; Archer, second base; Corbett, third base; and Kaufman, shortstop. Our outfield was composed of Prentice, left field; Turner, centerfield; and Woods, right field.

When the above combination was deployed for action it was hard to beat. This was shown to Company "C", much to their sorrow when our first game was played. Kimble pitched a no-hit, no-run game, and the support fairly gobbled up the few bingles that were scraped off of Company "C's" bats. At the bat our men also showed that they could hold their own. The final score was 9-0.

Our next scheduled game was with Company "G". Company "G" came on to the field expecting an easy victory, but had to polish up their alibis on their way to mess. Kimble again pitched a shut-out game and the game ended 4-0.

Company "A" was our next victim. As "A" was reputed to have a very choice collection of stars we expected to have a little competition, but as on many other occasions Dame Rumor proved false and we easily trounced them to the tune of 10-1. We were a little put out because they scored on us, due to a couple of untimely errors. Company "A" can pat itself on the back as being the only one to score against Company "E".

After the first three games Companies "E" and "F" were tied for first place in the camp. The game for the championship was played on July 23 and was witnessed by nearly all of the camp. The outcome of the game was never in doubt for a moment. "E" took the lead at the start and kept it throughout. The outcome of the game was a very sad one for "F" Company. The score was 12-0. Company "E" has established a record in baseball that any organization might well be proud of. In 28 innings of playing our team scored 35 runs to its opponents 1. Each member of the team received a handsome silver baseball and a baseball suit. In addition to these awards the Company was given a beautiful silver loving cup, proclaiming them the "Champions". Kimble, our pitcher, received a baseball autographed by "Babe" Ruth himself for having pitched the best games with the best record.

BOXING

Company "E", after having mopped up everything else of importance in camp, set out to monopolize the medals awarded for boxing, and from all indications, she made a very good job of it. In the preliminaries Company "E" was represented by French and Murie, 125 lbs.; English and Joseph, 140 lbs.; and Smith and Wilson, unlimited men. Three of these men entered the finals and each of them came home with medals for having won the championship. French took the 125-lb championship, English the 140-lb. title and Wilson the unlimited.
