Reflection

Song of Reflection "Go the Distance"

*I have often dreamed, of a far off place
Where a hero's welcome, would be waiting for me
Where the crowds will cheer, when they see my face
And a voice keeps saying, this is where I'm meant to be*

*I'll be there someday, I can go the distance
I will find my way, if I can be strong
I know ev'ry mile, will be worth my while
When I go the distance, I'll be right where I belong*

*Down an unknown road, to embrace my fate
Though that road may wander, it will lead me to you
And a thousand years, would be worth the wait
It might take a lifetime, but somehow I'll see it through*

*And I won't look back, I can go the distance
And I'll stay on track, no, I won't accept defeat
It's an uphill slope, but I won't lose hope
Till I go the distance, and my journey is complete*

*But to look beyond the glory is the hardest part
For a hero's strength is measured by his heart*

*Like a shooting star, I will go the distance
I will search the world, I will face its' harms
I don't care how far, I can go the distance
Till I find my hero's welcome, waiting in your arms*

*I will search the world, I will face its' harms
Till I find my hero's welcome, waiting in your arms*

*May the road rise up to meet you,
May the wind be always at your back,
May the sun shine warm upon your face,
the rain fall soft upon your fields,
and until we meet again someday,
May God hold you in the palm of God's hand.
May the memories that we have shared
linger on and on.*
