Christian Brothers High School Announces New Principal

Sacramento, CA: Christian Brothers High School is pleased to announce the appointment of Annemarie Bacich, M.Ed. as Principal, effective July 1, 2020. This announcement marks the culmination of a nationwide search and four rounds of comprehensive interviews during which it became apparent that she is the ideal individual to lead the academic and faith life of our Lasallian Catholic community.

Ms. Bacich comes to Christian Brothers with extensive experience as a classroom teacher and administrator in Catholic schools in various cities on both the East and West Coasts. She holds a bachelor's degree from University of San Francisco, a master's degree from UC Berkeley, a teaching credential from The Catholic University of America, and an M.Ed. in Educational Leadership from Columbia University. In addition to her notable educational and occupational background, Ms. Bacich also looks forward to sharing her love of travel (she speaks Spanish, Italian and French) and her passion for English literature.

"I hold a deep esteem for the educational approach of the Christian Brothers and five Lasallian Core Principles," says Bacich. "I feel blessed to join this incredible community and am excited to share my passion for Catholic education with the faculty, staff and students."

"I am grateful to Lorcan Barnes for his partnership in launching and participating in the search process, and thankful to the members of the Principal Search Committee for their time, dedication and expertise," says Incoming President Dr. Crystal LeRoy. "I look forward to working with Ms. Bacich, and our phenomenal faculty and staff, as we continue the 144-year legacy of this wonderful school."
