

The image shows the front cover of a book. The cover is a dark brown color with a fine, woven fabric texture. In the upper-middle section, there is a rectangular decorative border. Inside this border, the title "PLANE AND SOLID GEOMETRY" is printed in a dark, serif font, arranged in two lines. The border itself is composed of intricate, repeating floral or geometric patterns. The spine of the book is visible on the left side, showing the same fabric texture and some wear.
