

Registration Exceeds Expectations at Christian Brothers; Groux, New Coach, On Job

9/1937

With registrations thus far this week exceeding expectations, Brother Patrick, principal of the Christian Brothers School at Sacramento last night announced his decision to equip another classroom to accommodate students in the senior year courses.

New Lounge-Study Room

Enlarged quarters to be used as lounge and study rooms by boarding students were arranged last week when students of this class began arriving from varied points in northern California. Dormitory accommodations likewise have undergone changes and renovation to handle the influx.

Improved Gridiron

Improvements to the football field during vacation took the form of a complete sprinkling system to facilitate the maintaining of a sod on the gridiron on which it is announced some fifty prospective defenders of the Brothers reputation on the field are daily working out under their new Coach, Les Groux.

He comes from St. Marys, where he was an outstanding backfield man on the Gale's eleven, to replace Jimmy Flynn who this season moves over to Sacramento High.

New Teachers Here

Brothers Vincent, Martin and Charles from St. Mary's High School, Berkeley, and Brother Harold from Los Angeles, will replace Brothers Lambert and Wilford who go to St. Marys, and Brothers James and David to Lospectively, in the new teacher lineup for the coming semester.

According to Brother Patrick, North Sacramento and Hagginwood are well represented at the 21st and Y Street educational institution.
