THE CHRISTIAN BROTHERS TRADITION

The Institute of the Brothers of the Christian Schools, commonly called the Christian Brothers, was founded in 1680 in the city of Reims in France by St. John Baptist de La Salle. All of the members of the congregation are Brothers devoted exclusively to the work of Christian education. As Brothers, these men are not priests and do not engage in the ministries proper to the ordained clergy. The Brothers do take vows and try in every way to keep alive the spirit of brotherhood among themselves and in relationships with their students.

At the time of their foundation, the Brothers devoted themselves in a special way to the task of providing a sound education for the children of the artisans and the poor who otherwise would have been left without any formal education at all. De La Salle and the early Brothers pioneered many educational practices that are taken for granted today: simultaneous instruction, instruction given in the vernacular rather than Latin, special attention to the skills of reading and writing, insistence on regular attendance, classroom discipline and sound habits of mental and physical hygiene.

Today the Brothers conduct secondary schools and universities in most of the major American cities and in over 80 countries around the world. They are still involved, as they always have been, in parish schools and welfare institutions, and they have associated themselves more and more with devoted and talented lay teachers who share their sense of mission and the Lasallian spirit. Christian Brothers High School has been operated by the Brothers in Sacramento since 1876. The present location on Martin Luther King, Jr. Boulevard is its third site in the city. Today marks the one hundred and forty-eighth commencement for the school.

The variety of educational enterprises conducted by the Brothers, as well as the uniformity of standards and structures that characterizes American educational institutions, makes it difficult to isolate whatever it is that is distinctive about a school conducted by the Brothers. Nevertheless, it is possible to suggest six elements which, if taken together, constitute the concrete reality of a Brothers' school.

The first of these is sensitivity to social issues. That is the reason that brought the Institute of the Brothers into being in the first place. A second but not a secondary quality of the Brothers' school is the importance given to religious education that takes into account the varying needs and experiences of the student. Thirdly, the Brothers' school is committed in a special way to excellence in teaching. The Brothers bring to a school a sense of permanence, commitment, and professional competence in the entire teaching staff. A fourth characteristic is an accent on quality education. As a fifth element, the education given in the Brothers' school emphasizes the practice of including religious values in education. The sixth characteristic is the most subtle of all, but something quite distinctive and very real. The Institute is a Papal congregation and is instinctively loyal to the Roman Catholic Church. The Brothers manage their schools with a certain independence but respect the jurisdiction of the local Church authority. Thus, they can identify with their lay colleagues, students and parents and so understand better and support movements to give laymen and laywomen a greater role in the life of the Church.

The Brothers are well aware that many other schools manifest certain of the same characteristics listed above, but these six taken together seem to be the best way to describe the identity that the community recognizes as the Brothers' school.

CLASS OF 2024 SCHOLARSHIPS/AWARDS/GRANTS/HONORS

Congratulations to the Class of 2024. Our students have earned recognition for a variety of honors, awards, and scholarships. Many students have earned recognition in one or more of the following categories or organizations.

National Merit Scholarship Award - Each year, Christian Brothers' eleventh graders take the Preliminary SAT or PSAT exam, along with 1.5 million high school juniors nationwide. Of these, the 50,000 students with the highest PSAT Selection Index scores qualify for recognition in the National Merit Scholarship Program as seniors. More than two-thirds or about 35,000 of the approximately 50,000 high scorers on the PSAT receive Letters of Commendation in recognition of their outstanding academic promise and are deemed National Merit Commended Students. Of the 50,000 high scorers, approximately 15,000 National Merit Semi-Finalists are selected, representing the top 1% of high school students nationwide. The Class of 2024 has 5 Commended Scholars and 1 finalist.

Christian Brothers Academic Achievement Awards - Christian Brothers Academic Achievement Awards are given to select seniors who excel in major curricular areas.

Departmental Honors - Departmental Honors are given to the students who are most outstanding in their fields of study. Criteria include students who earn high grades, have chosen to take the most rigorous courses in a department, are active participants in class discussions, have a passion for the subject matter, and who exemplify Lasallian values.

Department Certificates - Department Certificates are given to students who have completed superior work in their fields of study.

CSF - The California Scholarship Federation exists to promote and recognize high standards of scholarship, service, and citizenship on the part of students in California schools. Membership is based on scholarship, including grade point average, rigor of courses completed, and citizenship. Life Membership is achieved by qualifying for chapter membership for four or more semesters in the last three years of high school.

NHS - The National Honor Society is a national organization which recognizes students who possess the following characteristics: leadership, service, character, and academic achievement. Students must be nominated by faculty for membership in the National Honor Society.

CAL Scholar - The athletic teams of Christian Brothers belong to the Capital Athletic League which recognizes scholar-athletes who possess a 3.5 or better grade point average during their sport season, as well as a cumulative grade point average of 3.5 or better and have competed in good standing in a varsity sport. The Capital Athletic league does not recognize lacrosse. CBHS recognizes lacrosse athletes meeting the same criteria with the Falcon Academic Athletic Award.

Campus Ministry Award - The Campus Ministry Award is given to those seniors who have taken on leadership roles in the faith formation of their peers. These students have stepped out to share their faith with others as Eucharistic ministers and altar servers at our liturgies; as students who plan and present our liturgies; as members of the Senior Retreat Leadership Team who lead all the Freshman, Sophomore, and Junior retreats; and as student leaders on the Senior Kairos Retreat. Their witness to their faith is an inspiration for the entire CB community.

Christian Service Award - The motto on our cross tower states, "Enter to Learn, Leave to Serve." Students who receive Christian Service Awards have taken those words to heart and have completed an outstanding number of Christian Service hours during their years at Christian Brothers. The Christian Service Award goes to students who have completed between 50 and 99 service hours; the Brother Edward Service Award to students completing up to 499 service hours; and the Brother James Miller Service Award to students completing 500 or more service hours.

Br. George Van Grieken, FSC MVPA Award - The Media Visual and Performing Art (MVPA) department awards students who demonstrate a commitment to the Arts while attending CB. The recognition is achievable in several disciplines, and pathways can be individualized for all students. The MVPA department encourages students to follow their artistic interests by offering many art courses and subjects. The Br. George Van Grieken MVPA Award is awarded to students that complete eight semesters of MVPA courses or make a significant contribution to the arts program while attending Christian Brothers High School.

St. Patrick Engineering Award - The St. Patrick Engineering Award is given to graduating seniors that have completed six or more semesters of Engineering courses while attending Christian Brothers High School.

Seal of Biliteracy Award - Christian Brothers High School has awards a Seal of Biliteracy to encourage the study of world languages and to recognize the significant accomplishment of gaining fluency in a language within four years of high school education. According to our mission and core principles, the Seal of Biliteracy affirms our commitment to language diversity in our World Language Department and further inspires and empowers students toward global citizenship and better prepares students for college and life. Students who earn this award finish the fourth level of a language with an average GPA of 3.0 or better in all World Language courses taken at CB.

Pictured above and represented onstage is a portion of the "Senior Wall" near the Main Lawn at Christian Brothers. This year's class motto, "Living in Color" was selected by the Senior Class Council as an homage to the Class of 2024's unique experience as the last CBHS class to be impacted by Covid-related online learning. "Living in Color" represents the richness of the in-person experience at CBHS, reflected in coming to campus from behind screens. Special thanks to Aidan Abansado for designing, and the Senior Honors Art Class for their collaboration on helping bring the design to life.
