

CHRISTIAN
BROTHERS
AMBASSADORS

CHRISTIAN BROTHERS HIGH SCHOOL
welcomes you to
the
Ninth Annual
AMBASSADORS DINNER
the third of February
Nineteen Hundred Ninety-four

Dear Friends,

"You are Ambassadors of Jesus Christ..."

St. John Baptist de La Salle

The mission of the Christian Brothers is distinguished by the call of the Spirit and the charisma of our Founder, Saint John Baptist de La Salle. The excellence of the Brothers' schools is based upon the academic achievement, spiritual development and personal growth of every student.

Christian Brothers High School offers a challenging curriculum with a college preparatory emphasis. The School is coeducational and provides opportunities to all students, respecting their individual dignity and human advancement. All professionals affiliated with the School, Christian Brothers, Mercy Sisters, and the Lay Personnel who form the Lasallian community minister to each student with special concern for those most in need. Through our commitment to Christian Education of the highest quality, we seek to teach students to develop as persons called to a life of love and responsibility to God and his people.

We acknowledge you as an AMBASSADOR in our ministry to young men and women. Our tradition of excellence is strengthened by your support of Christian Brothers High School. You make possible educational opportunities for many who may lack the financial abilities, and who, without your assistance and concern, would be unable to receive a Christian education. Your generous gifts support us in providing a quality education for the students entrusted to our care.

As Members of the Lasallian community, we truly appreciate your loyal support and know that you stand with us as a partner in our mission. We value your special friendship and your belief in us. We are proud to honor each of you as our AMBASSADOR.
