Welcome from the President

Dear Family and Friends of Christian Brothers High School,

Welcome to ***A Night to Remember!*** We are thrilled you are here as we celebrate an extraordinary milestone, 150 years of Christian Brothers High School, and the 150 years of stories, memories, and milestones, that truly make tonight worthy of its name.

A celebration this spectacular does not just happen. We are here thanks to a brilliant group of energetic, creative, and wonderfully organized Lasallian hearts. Our deepest gratitude goes to our fabulous auction chairs, Judy Bernacchi and Samantha Ansted, whose enthusiasm could power the lights! We are equally grateful for our amazing auction committee, whose hard work, imagination, and dedication have transformed countless ideas into this unforgettable evening.

A very special thankyou goes to Legacy Sponsor, Capital Pediatrics – the Khaira Family, and Pillar Sponsors, Greg '65 and Carole Kassis - Country Club Lanes, and Medic Ambulance – the Pierson, McBride and Whaley Families, along with all of our generous sponsors, advertisers, and donors. Your generosity sets the stage, cues the spotlight, and keeps the magic of this evening shining bright.

And here is where you come in: every bid you place tonight helps open doors for students who rely on CB's region-leading, needbased tuition assistance program. You are also uplifting the programs, activities, and experiences that shape our exceptional young men and women into the leaders, thinkers, dreamers, and doers our world needs. Every time you raise your paddle, you help make memories that live on far beyond tonight.

So relax, enjoy, and, most importantly, bid high and bid often! Your generosity keeps our mission of Lasallian Catholic education thriving in Sacramento, and we are deeply grateful for your partnership. Cheers to another 150 years of stories, memories, and milestones.

Live Jesus in our hearts!

Dave Perry, Ed.D.

AUCTIONEER
Jake Parnell

Following in the footsteps of his Grandfather and Father, Jake Parnell is a third generation auctioneer. A graduate of the World Champion School of

Auctioneering, Jake's passion for the auction business is what drives him. Whether selling livestock, charity or fundraising events, Jake thrives off interacting with people committed to a cause or an industry.

Jake believes in understanding the cause for which he is working, so that he can fully connect and relate with his audience. "Making a difference in life is important to me. I feel the best about myself and my profession, as I am leaving a charity event, knowing that I have just helped make a difference to someone somewhere."

Jake is a graduate of Cal Poly, San Luis Obispo. When not working he enjoys golfing, wakeboarding and snowboarding. He also maintains a small herd of Registered Angus Cattle and is very involved in the California Angus Association and the Yolo County Fair Foundation, two groups that raise funds to help support youth involved in agriculture.

MASTER OF CEREMONIES
Scott Moak

Scott Moak serves as Vice President of Sacramento Republic FC and is in his seventh season with the Club. He brings nearly 30 years of experience in nonprofit leadership and corporate social responsibility,

including time leading the Sacramento Kings Foundation.

Since 2002, he has also been the voice of the Sacramento Kings as their Public Address Announcer.

Most importantly tonight, Scott is a proud dad. He lives in West Sacramento with his wife, Mackenzie, and their two children, Asher (12) and Evan '29 who is a proud student at Christian Brothers High School - and she is loving her experience so far. He's grateful to support the school community in any way he can.

A Heartfelt Thank You to...

The background of the entire image is a complex, abstract geometric pattern. It consists of numerous overlapping polygons in various shades of blue (from deep navy to light sky blue) and gold (from bright yellow to muted olive). The shapes are irregular and interlocking, creating a sense of depth and movement. In the center of the image, there is a rectangular gold-colored label with rounded corners. On this label, the words "Live Auction" are written in a white, elegant, cursive script font. The word "Live" is on the top line and "Auction" is on the bottom line, both centered horizontally.

FUND-A-NEED: TUITION ASSISTANCE

This evening, you have the power to open doors for our Falcons and keep the promise of a CB education within reach. Right now, 500 talented and determined students rely on need-based tuition assistance to walk our halls, discover their passions, and grow into compassionate leaders. Each one carries unique gifts—and with the right support, those gifts will shape a brighter tomorrow for us all. Your generosity does more than cover tuition. It fuels confidence, nurtures potential, and ensures that financial circumstances never stand in the way of opportunity. When you give, you strengthen our entire community and invest in futures filled with purpose, service, and impact. Tonight, we invite you to lift your paddle and stand with our students. Together, we can remove barriers, create possibilities, and empower the next generation of Falcons to soar.

PLEASE RAISE YOUR PADDLE HIGH!

AUCTION RULES

LIVE AUCTION RULES

The live auction will begin at approximately 7:30 p.m. It will consist of the live auctioning of items in the order they appear in this program. All bidding at the auction will require a bid number. Your personal bid number is located on your bidder paddle/sheet. Since this number is required for all bidding and purchase of items, please remember your number.

During the live auction, when you want to bid on an item, raise your bidder paddle/sheet to attract the auctioneer's attention. The highest bidder acknowledged by the auctioneer shall be the purchaser. In the event of a dispute between bidders, the auctioneer shall have sole and final discretion to determine the successful bidder or to re-offer and re-sell the item in dispute. When the auctioneer calls "SOLD," title to the item passes to the highest bidder who thereupon assumes full risk and responsibility for the item.

GENERAL AUCTION RULES

- All sales are final. No exchanges or refunds are possible. All persons engaged in bidding for any item in the Live or Silent Auctions agree by so bidding to pay the amount of his or her bid for said item if determined to be the successful bidder. The top bid recognized by the live auctioneer is a legal contract to purchase the item.
- All purchases shall be paid in full prior to leaving the auction. Settling payment can be made through the auction mobile site or through a check-out person. Payment may be made in cash, personal check (made payable to Christian Brothers High School), AMEX, Discover, Mastercard or Visa. At the closing of the live auction, should a winning bidder leave prior to checking out, any unsettled balance will be automatically charged to a bidder's bank/credit card on file.
- After payment is received, buyers can collect their purchases from the checkout area. Christian Brothers High School is not responsible for items purchased and not picked up by the buyer the evening of the auction. Any arrangements and expenses for delivery are the sole responsibility of the purchaser, unless indicated in the program.
- Items may be removed only by exhibiting a paid receipt at the door at the time of departure. Proof of receipt can be found through the mobile auction site and a bidder may present their mobile device displaying their receipt to illustrate payment.
- Unless otherwise specified, all auction items and services must be used within one year after March 14, 2026. Unless otherwise specified, dates and times are to be arranged between buyer and donor at their mutual convenience. Purchasers of vacation homes, condominium or travel packages should contact the donor within one month following the auction to arrange a time of use. Buyers are responsible for complying with the expiration date of their purchase.
- Christian Brothers High School has done its best to catalog and describe the property correctly, but all property is sold "as is" and Christian Brothers High School neither warrants nor represents and shall in no event be responsible for the correctness of description, genuineness, authorship, or condition of the property. No statement contained in the program or made orally at the sale or elsewhere shall be deemed to be such a warranty, representation, or assumption of liability. Value set forth opposite some items being auctioned are estimates only and are not warranted by Christian Brothers High School for tax purposes or for general sale.
- Christian Brothers High School reserves the right to add or withdraw from, without notice, items listed in the auction program. If the auctioneer determines that any winning bid is not commensurate with the value of the item offered, he may reject the bid and withdraw the article from sale. Please note: In deference to some of our donors, there is a minimum opening bid on some items.
- Activities sold at the auction are to be undertaken at the sole risk of the purchaser. Christian Brothers High School shall not be or become liable or responsible in any way for loss, injury or damage to or in respect of any person or property howsoever caused or arising from such activities.

All announcements made from the stage by the auctioneer take precedent over printed material.
