Shaky Finances Reported By Yearbook Head

The report on the yearbook, as given by Leo May, Business Manager, is as follows:

"On October 20, the yearbook drive closed and I am sorry to report the drive did not stand up to expectations.

"Here is a new plan for those who haven't already made their down payments. As of next Monday, a \$2.00 subscription drive will open. In this drive the students will be required to come to the Yearbook staff with their payments. Here is how it will work: if we can get enough subscriptions the final payment for those who had to make a down payment of \$2.00 will only be \$1.00 in June when the book is published. The success of this drive will be announced at a later date. We are hoping for the student body's full cooperation. I am sure that Brother Eric has explained the consequences to you the class of '55', so get on the bandwagon NOW.

For your information and to let you know the situation of the Yearbook, here are some statis-

"With a smile and a song," the lovely Miss Lawson will vocalize many old favorites and provide an interesting afternoon of entertainment.

On November 23, Paul Leonard will stage his production before the student body. Well known for his natural reproduction of bird calls and his proficiency of the Theremin, Mr. Leonard should provide an interesting and unique show.

January 2 is the date set for the appearance of Donn Wood and Erna. Featuring a famous Houdini escape trick, this talented mystery team will stage many

Dramatic And Ski Clubs Hold First Meetings

The combined dramatic group of St. Francis, Christian Brothers and St. Joseph's High School are making preparations for their first meeting of the school year. This meeting will be held at St. Francis in the social room this Sunday, Dec. 13th, at 1:15 P.M.

They also presented "The American Living Room" at St. Francis High School.

The Interscholastic Ski-Club met yesterday with the purpose of electing officers for the coming year and for discussing the possibility of a ski trip in the near future.

Students Make (And Break) New Year Resolutions

The old year brought many happenings into the spotlight and the new year started out with many sincere (Ha!) resolutions. Heard around the campus: "I hereby resolve to start doing my homework when the Brother's stop giving it."

Mercy Hospital reports: Brother Frederick's getting along fine

(with the nurses included). He's collected so much candy he's ready to compete with every candy store in town. However Ed Weber, Buddy O'Keefe, Charles Kidder, Larry Hannon and Dell Primasing manage to keep the candy supply down by their frequent visits. Of course the faculty doesn't go out to visit Brother Frederick just for the "goodies" nope! They like television.
