Campaign Celebration

May 10, 2002

7:00 p.m.

Christian Brothers High School
4315 Martin Luther King, Jr. Blvd.
Sacramento, CA 95820

Dear Friend,

The completion of the SMAT building with its updated state-of-the-art equipment is a great tribute to you who have contributed to the cost of its construction and furnishings.

The faculty and students now have the opportunity of preparing for the advances in science, mathematics and technology that will be a part of the 21st century.

As Honorary Chair for Building on the Tradition Campaign, I wish to thank you for the response you have so generously made to our request for the funds to make this new addition to Christian Brothers High School a possibility.

May God Bless You and may Jesus Live in Your Hearts,
Forever.

Brother Bertram

Brother Bertram Coleman, F.S.C.

Dear Christian Brothers' Alumni Families and Friends,

Thank you for your willingness and generosity in supporting the Capital Campaign for the new Science, Math and Technology Wing. Your contribution is deeply appreciated by the staff, the Board of Trustees, and most of all by the students.

For 125 years, Christian Brothers has provided an outstanding, Catholic educational experience. Upgrading programs and facilities is imperative if the school is to continue to uphold the Lasallian standards established by our founder, St. John Baptist de la Salle. Your commitment enables the teachers and staff to carry forward the goals and plans, and most importantly, the Founder's vision for this school.

We are pleased to have been able to participate with you in helping provide the students with this state-of-the-art facility and preparing them for college and career.

Sincerely,

Chuck Sylva, '65
Campaign Co-Chair
