### LaSalle Club Membership

President Don Gillott presided over the reactivation meeting of the 'new' LaSalle Club on July 24, 1995. Don explained that the Club "will not supplant the Boosters, but add another dimension to the support structure of the athletic program at CBS." Members present recalled the early days of the LaSalle Club and what it meant to both the members and the school.

Ray Clemons, President suggested that the annual dues be established at \$20.25, the amount of money collected one evening by the founders of the LaSalle Club in 1939. It was decided that the following memberships would be available:

Single Membership	\$ 20.25
Husband and Wife Memberships	\$ 30.25
Corporate Membership	\$120.25

Memberships will be Charter Memberships until January 1, 1996.
