From

To Bill

Enclosed are copies of
materials we have in the
Archives on La Salle Club
from early days to 1987.
(There are others after 1977,
but for this time I limited it
1987)

We also have minutes from
1944, but I did not include
them. — perhaps on another
aspect of the LSC for later
editions.

I included a short history
of the Club + list of photos
available
