Journalism Drama Clubs Are Active

With organization completed, the Inter-School Journalism and Dramatic Clubs are now scheduling activities.

Last weekend the Dramatics Club held tryouts at St. Francis to select the cast for "American Living Room," a four act play which will be held early in March. The organization will also sponsor a one act play, "The Ugly Duckling" to be given in competition at a San Francisco art festival early in the spring. At the opening meeting Don Hawke was elected president, Mary Schnetz, vice president, Kathy Anderson, secretary, and Ray Earle treasurer.

The Inter-School Journalism Club met at St. Joseph last Sunday with the editor of The Catholic Herald, Father Dwyer, as its guest speaker. Father Dwyer spoke on the purpose of the Catholic press and stressed the need of Catholic lay writers in this Journalistic field. Members of the club are planning to write another teen column in the Herald at the suggestion of Father Dwyer. The officers of this group, elected at its first meeting include Jim Brennan, president, Fortunato Algozo, recording secretary, Pat Merz, corresponding secretary, and Tom Burke, treasurer.

New Administration

Shown planning for the next semester are the newly-elected student body officers, left to right, Bob Ferry, treasurer; Ron Limeburger, president; Jerry Kirrene, vice-president and Dick Kirk, secretary. Ralph Livingstone, sergeant at arms is not pictured.

Poetry Contest Offers Strong Inducement... CASH

Now that the Christmas holidays have come and gone many of us find out that we're a little short of cash. Here's a simple but effective way to make some extra money. A substantial sum of \$5.00 is offered as first prize too the best recitation of narrative poetry in the upper division and another \$5.00 is to be awarded to the best in the lower division. The two second prize winners will each receive \$2.50.

Two finalists will be chosen from each English class. One will compete in the contest while the other finalist will act as a standby. These contestants will present their recitations to the student body, during the activity period, in the first week of February.

For those interested in the poetry contest a few of the more popular poems open for recitation are: "The Cremation of Sam McGee," "The Fighting Race," "Father William," "My Last Duchess," "The Highwayman,"

Limeberger, Kirrene, Receive Popular Vote, Win Student Election

Ray Alves and Ed Berry were turned down in their bid for election, being defeated by Ron Limeberger and Jerry Kirrene in the presidential and vice-presidential contests.

Limeberger headed the race for president carrying the school with 221 votes, followed by Alves who polled 162. Jack Colbert the third man in the race racked up 33 counters.

"Zeke" Del Curto, CBS humorist, trailed Kirrene by 55 votes. Berry picked up 93 markers and Kirrene followed his running mate Limeberger to victory by snatching the "Veep" spot.

Treasurer was taken by Bob Ferry in a decided victory over Pat Willard with a wide count of 280-75.

In a close secretarial contest Dick Kirk squeezed out a seven vote victory over Gomez Delgado. Mel Bolen ran third behind Delgado and Kirk, being on the short end of the counting which ran Kirk 162, Delgado 155, Bolen 93.

Another close race was seen in the Sergeant-at-Arms contest. Ralph Livingstone, although unable to give a campaign speech took the post, slipping through a 194-187 vote over Terry Dorsey. The third man in the field was Richard Hannaford who trailed Livingstone and Dorsey with 29 tallies.

Limeberger was president of the senior class before stepping up to the student body position. Kirrene picked up his experience by serving as secretary, treasurer of the senior class before running on the Limeberger-Kirrene ticket.

Kirk has served as student body secretary for the past semester. Bob Ferry steps up to treasurer from his junior class sergeant-at-arms slot.

ISC Ski Group Shows Activity

The Inter-school Ski Club got off to a cold start by holding the first snow trip of the year on January 11th. Many students of the three high schools attended this outing to Soda Springs and the president of the organization, Gavin Carr, announced that the trip was a big success.

The main purpose of this tri-school group is to sponsor trips to the snow line and future activities are now being planned, including a dance to be held tonight in our gym after the Folsom game.

At the initial meeting members selected Gavin Carr, president

speaking, a speech contest will be held in March. Start looking for some famous historical or literary speech now.

Drive Results

The total amount sold by the student body in the recent Curtis subscription drive was \$1,014. This amount fell short of the intended goal. Don Dittmer, Frosh 113, was the top salesman in the drive with \$61.00 in subscriptions to his credit.

Frosh 109 led the school in
