For the past 50 years the LaSalle Club (now the CB Boosters) has been furnishing financial assistance for the athletic programs of Christian Brothers High School. The proceeds from the dinner this evening will continue that tradition. Every time you see or hear about the accomplishments of CB athletes, know you had a hand in their success!

organization in Dallas where he will be an engineer in charge of food processing. Damian's brother, Kevin, is a member of the class of '97 at CB.

1991 Other announcements of college graduations reveal that two of our grads are matriculating from the University of Southern California. Mary Bodar Drucker is graduating with a major in chemical engineering with an emphasis in environmental engineering. Mary is the daughter of faculty member Bodil Drucker.

1992 Also getting a USC diploma is Tamara Battle graduating with a degree in biological science with a minor in bioethics. Congratulations to all CB grads and keep us informed about milestones in your life.

1992 Ulysses Navarrete is graduating from College of Notre Dame with a BA in behavioral science. Ulysses was student body president of the college during his senior year.

1995 David Sullivan, a freshman debater on UC Berkeley's debate team, took second place at the Novice National Championship held in Maryland in March. The second place showing is the best ever from a Berkeley team and marks Sullivan's team as one of the best novice teams in the nation. Sullivan's coach, Sherman Boyson, described the debater as one of the best novice debaters in the country. ♦

La Salle Club

The recently held LaSalle Club Hall of Fame Banquet was a huge success, mainly because of the great efforts put forth by Chairman **Jimmy McNamara '47** and assistants **Jim Keating '55** and **Ron Limeberger '53**. There were 300 people in attendance, and they came from all over. **Al Lazzarone** and wife Dorthy came from Reno to see pal **John Ceccarelli** inducted. Ex-mayor of Folsom **Jack Kipp** came to see "**Spider**" **Jorgenson** inducted, and there is always that great crew from Marysville - most of them hall of famers themselves - **Sam Stassi**, **Robert Stassi**, **Gene Brocker** - the old Solons catcher, **Vic Uriz** - the proprietor of the Uriz Hotel, **Glen DuFour** - the captain of the University of California, Berkeley baseball team that won the College World Series, and the midnight mayor of Marysville **Vic Pitts**, who I will get to later in the column.

One of the great things about the LaSalle Club is that it has backed up the CB athletic program since 1939. For years, the teams played in Saint Mary's College "hand me downs," but after '39, the LaSalle Club saw to it that the CB teams had new, good uniforms. We owe a great debt of gratitude to the LaSalle Club founding fathers, **Cy Puliz**, **Hiene Fincklestein**, **Gene**

Sullivan, **Bill Conlin** and **Vince Stanich**. This year, McNamara was pleased to announce to the group that the LaSalle Club has completely refurbished the weight room for the young athletes. Keep up the good work, gang. We love you.

Al Anicich '49, during his prep day at CB, was considered one of the best baseball players in the city. In fact, he was good enough to get a four year scholarship at Saint Mary's. But low and behold, in his second year of college, Saint Mary's dropped both baseball and football. Saint Mary's, true to its word, took care of Al's last two years. Al went on to play pro ball for the Sacramento Solons. After hanging up his spikes, Al became the typewriter manager at IBM.

On Easter Sunday, I decided to take it easy and watch the Yankees on the boob tube. They were just announcing the starting line-up, and at second base was **Andy Fox '89** starting. What a thrill for me to see on national TV a CBer starting for the Yankees! Andy should do well with the Yankees as he can play short-stop, second base or third base. **Gene Brocker**, the old Sacramento Solons catcher, told me an interesting story involving my cousin **Sam Stassi**. During WWII, Sam was
