

# La Salle Club

February 2007

Dear Alumni:

The La Salle Club Board of Directors would like to take this opportunity to invite you to become a member and join in the satisfaction of knowing that you are helping our student athletes compete with the tools they need to be successful.

Founded in 1937, the La Salle Club is an organization dedicated to the support of the Christian Brothers High School athletic and physical education programs. It includes men and women from the community who contribute their time and resources to assist in achieving the goals of the athletic programs.

Our organization holds two major events each year, the La Salle Club Baseball Hall of Fame Dinner in April and the La Salle Club Coaches and Officials Hall of Fame Dinner in October. These events represent a long-time tradition for the organization and we encourage you to attend.

Through these events and our membership dues, we have been able to fund special projects for the athletic program. We are committed to providing equipment and services that simply could not be afforded otherwise. In 2006 the La Salle Club, along with some significant donations in the memory of Ray Clemons, contributed over \$27,000 to the CBHS athletic programs. This included the renovation of the football field and the purchase of a second golf cart used for maintenance purposes.

Your membership in the La Salle Club is a critical component in our overall fund raising. With your membership we will be able to continue the fine tradition of being able to support the Christian Brothers High School athletic programs. Any donation beyond the annual membership dues is greatly appreciated.

A membership application/renewal is enclosed for your convenience. Don't forget, the Athletic Director has authorized a discount for CB home football and basketball games when you show them your La Salle Club membership card.

Thank you for your continued support.
