Message from the La Salle Club President

Dear La Salle Club Members,

As Christian Brothers High School begins the 2010-11 school year, I would like to take this opportunity to let you know how the past school year went for the La Salle Club.

As you know, our three fund-raisers each year consist of our Membership Drive, The Baseball Hall of Fame Dinner and the Coaches Hall of Fame Dinner.

Our Membership Drive netted us about 200 paid members. We are very grateful to all who purchased a membership this year. With the long history of the school, the numerous alumni and friends of the school, we feel we can improve on our paid membership in the coming years. We will have more on this subject during our 2011 membership drive next January or February.

The Baseball Hall of Fame Dinner was held in the fairly new (for those who haven't been around lately) C.B.H.S. field house on April 24, 2010. There was a good turnout and we inducted nine new players into the baseball hall of fame. Among those nine were two C.B.H.S. alumni. Ernie Cervantes Jr., class of '57 and Burt Bonomi, class of '62.

Since we are on the subject of baseball, I should mention that another C.B. alumnus, Rick Cabral '70 has developed a new web site for fans of baseball — BaseballSacramento.com. It covers local baseball players and teams from years gone by to the present. If you reach the site and click on History, you will find an article on the La Salle Club, The Baseball Hall of Fame and also an article on the 1962 Bishop Armstrong H.S. baseball team. That story is listed under Flying High with the '62 Falcons. If you are local baseball fan, this is a great web site to get your baseball fix. We wish Mr. Cabral continued success with his blog.

The Coaches Hall of Fame will be held at C.B.H.S. on Saturday, November 13, 2010. Please mark your calendars so you can reserve this date. We will be sending you a reminder and more information on this in October.

The new baseball and softball scoreboards, thanks to your donations, were dedicated and put into use this past March in time for the 2010 season.

Our Athletic Director, Jill Bennett, has compiled a list of high lights, for you, from the very successful athletic teams from the school year of 2009-2010. Thanks Jill.

I hope everyone enjoyed their summer. Thanks again for your continued support of the La Salle Club.

It is the purpose of the La Salle Club to collaborate with the school to fund projects outside the scope of the school's operating budget.
