Running Their Way to State

CB's Cross Country Team has a Successful Season

Kevin Bonsignore
Computer Technician

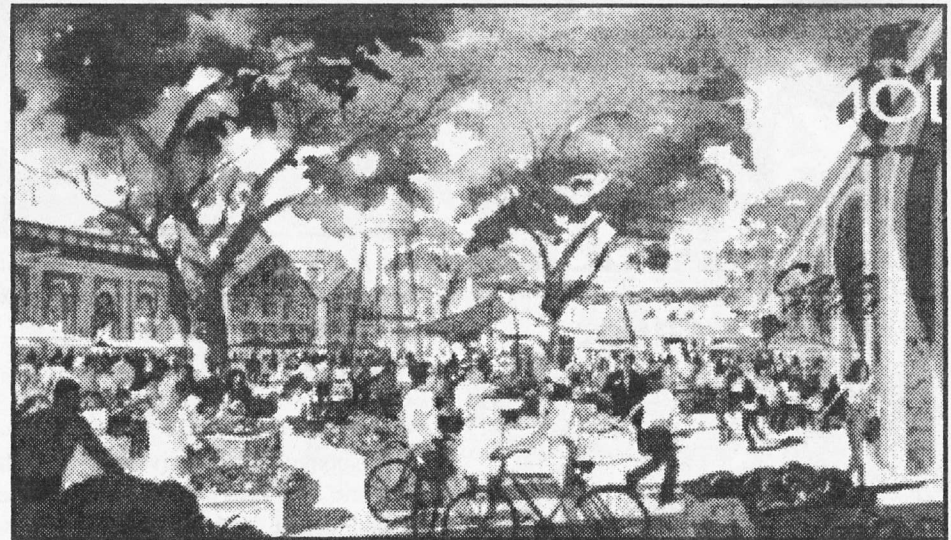

If you have not heard the news about Christian Brothers cross-country team yet, it is about time you did. Both the men's and women's cross-country teams made it all the way to the state meet this year, which is a fantastic achievement.

Their road to State Championships was long one. The Falcon runners first made their way through sub-sections, which allowed them to participate in the Section Championships. Needing to place in the top three to make it to State championships, both the boys and the girls took 1st place, guaranteeing them a spot at State, which took place over the Thanksgiving holiday in Fresno.

first, and began warming up in their flashy new uniforms. The girls then began to line up for their race, which Coco Evashenk (12) admits was "incredibly nerve racking." However, after all was said and done, the Lady Falcons took 17th place out of 24, which is a great accomplishment considering they were competing against the top teams in California.

The boy's race was later, and the team consisted of Jonny Soto (12), Greg Hufford (11), Jason Howard (11), and George Cook-Cantu (12), Elliott Wenzel (11), Jose Nieto (11), and Spencer Tierney (11), who received 12th place out of 24 teams, which again is an incredible accomplishment.
