## Editorial

---

As Christian Brothers High School starts its 113th year of educating young men in Sacramento, the atmosphere is one of gratitude, excitement, and anticipation.

---

'Brothers Boys' are not identified solely by how well they learn their ABC's . . . but how they love themselves, their families and how they care for others.

---

We're grateful for the Christian Brothers who continue to dedicate their lives to educate our children. The Brothers, together with their lay faculty and staff, are still creating "Brothers Boys", "Brothers Boys" are not identified solely by how well they learn their ABC's, play sports, or recite Christian theories or principles. Although we know they are far from perfect, they do enjoy the conviction instilled in them by the Brothers that God loves them the way they are — that their personal value in His eyes is not measured by their IQ's, trophies, or bank accounts, but how they love themselves, their families and how they care for others.

When you reflect on why you feel good about being a "Brothers Boy", "Brothers Girl", "Brothers Parent", or "Brothers Friend", certain images, memories or convictions come into focus. We want you to reflect more on those images and bring them clearer into focus. We know you want to share that experience with others.

---

All of us want our 'Brothers Family' to continue to grow . . . to help the Brothers meet the challenges they face today . . .

---

Knowing that you are out there, well over seven thousand "Brothers Family Members", makes us excited. All of us want our "Brothers Family" to continue to grow, adding new members to help the Brothers meet the challenges they face today, so that they will be able to continue their mission in Sacramento.

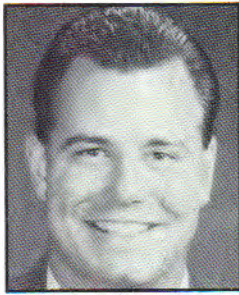

*What* the Christian Brothers mission is in our community hasn't changed much during the last 113 years, nor is it likely to change in the next 100 years. But *how* they teach and operate their school has changed greatly, and will

continue to change as time passes. *Who* they are teaching has changed. They have the old problems of adolescence, wrapped in the environment of our current society — single parent families, financial limitations, child abuse, drug and alcohol abuse, etc. Very different problems than most of us experienced in our youth.

These kids and their parents need our help. That is our challenge. We face this challenge with confidence and anticipation because this year Christian Brothers High School is blessed with an outstanding group of regents and support group leaders. They are well organized and know what must be accomplished during the coming year. Please work with them, help them, and communicate with them. Join and help organize your parish or area alumni chapter. We hope to see or hear from you all during this coming year.

## CB Sports Update

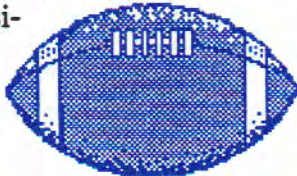

*Greg Murphy*

Greg Murphy has been named varsity football coach at Christian Brothers

High School. Murphy, an '81 graduate of CBHS, was an All-Metro, San Joaquin, and Nor-Cal selection as quarterback. At Sacramento City College, he was chosen as team and league MVP, while earning All-State and All-American honors, leading the '81-'82 Panthers to a 23-0 record. After a short stint at the University of Minnesota, Murphy transferred to U.O.P., where he earned the President's Spirit Award in '84 and '85. In 1986, Murphy signed with the Raiders as a free agent.

Murphy's coaching career

began in '86 at Foothill Junior College in Los Altos, where he worked with the defensive secondary. In '87, he moved to UNLV to work with quarterbacks and receivers. Murphy's coaching experience also includes an appearance in New York Giant Ken O'Brien's quarterback video.

Murphy, replacing Dan Hawkins, who recently accepted a coaching position at the college of the Siskiyou, plans on continuing the strong tradition of football established at Christian Brothers by successful coaches, including Dick Soerbeck, Craig Rundle, Jeff Tisdal, and Dan Hawkins.

Murphy's success was founded on a disciplined team approach that he first experienced at Christian Brothers. He plans to continue that same approach as varsity coach.

*Douglas Coats*

Douglas Coats has been appointed varsity basketball coach at Christian Brothers

High School, it was announced by Principal, Brother Richard Camara, F.S.C. The 38-year-old Coats attended high school in San Mateo, and college at Willamette University. He replaces Ron McKenna.

Coats has been involved in basketball coaching for the past 15 years. He coached varsity basketball for three years at North Salem High School. For the past four years, he has been an assistant varsity basketball coach Jesuit High School.

## Armstrong Girls ??? Wing

By Vienna Cornacchioli Golsong '61

Hello to all! Did all of you survive the summer? It

seems as though a lot of you must still be vacationing, as I haven't heard from many of you since our last issue. What happened? I really want to get some suggestions for the new name of my column! That means you too fellows . . . you are part of this now.

You will notice that I now have a new picture of myself. What do you think of it? Well between giving me answers to the above questions and writing about yourselves, my mailbox should be full of mail, or the phone ringing off the hook. Don't let me down, please respond.

How does living on the island of Kauai, Hawaii sound to you? It sounds like paradise to me, and so **Joan Dubly Blake '59** says also. She moved there in 1979, and obtained her real estate broker's license in 1982. She is currently the manager of a shoe and sandal shop located at the Westin Kauai Hotel at Kauai Lagoons, Kalapaki Beach, Kauai. She was married to **George Blake '58**. They have 3 children ages 24, 25 and 26, and 3 grandchildren.

**Michael J. Roche '84**, son

of **Daniel Roche '58**, wrote to say that he has been accepted for graduate study in rhetoric/communication, and also a teaching assistantship at the University of California at Davis, following his graduation from St. Mary's in May of this year. Congratulations Mike! I would love to hear from your dad. Maybe you can convince him to write!

My good buddy Jack gave me the above information, and also the following.

**Bill Boudier '59**, is retired and is serving as permanent deacon at St. Rose Parish in Roseville. He was ordained on June 18, 1988. He said Brother Richard, Brother Eugene and Brother Virgil were able to attend the ordination. What an honor! Bill graduated from California State University, Sacramento in May with a major in Philosophy. Fr. Colin MacDonald, former Christian Brother is the associate pastor at St. Rose.

Bill is married to Anne, and has 2 children. His daughter will be married in June of '89. **Paul Boudier '82**, is married and has one son.

I have received an inquiry from **Helen Devlin Sutton '63** (I hope I am spelling her name correctly). She wants to know about plans for her 25th reunion. Would anyone from this class who knows anything

about the reunion, please contact Helen at 5823 Kermit Lane, Stockton, CA 95207. Thanks.

There is a gentleman of whom I am quite fond, who graduated in '59. He just happens to be my husband, **William B. Golsong, Jr.**, who is more commonly known as "Bud", "Pops" or just Daddy. Whenever he is not working (which seems like all the time), he enjoys fishing. Bud is a plumbing contractor, and has been for the last 20 years. Prior to that, he worked for his dad, **William Golsong '30** (Goldie, Grandpa). My father-in-law is now retired, after being in the plumbing business for over 35 years. He keeps very busy with the Sports Show, gardening and fishing. Sounds rough, doesn't it?

The annual Alumni Dinner will be on Friday, November 4th. There are some very exciting items being added to the agenda for the evening. Be sure to mark you calendars for this special event. See you there!

After you are settled back into the routine of school and/or vacation, sit down and write to me, or pick up the phone. Take care.
